

Luisa and Resurrection/Rising in the Divine Will – Part I

*“My God, let the One who gave me Life come back to me, or let my poor nature pay You the tribute of death, so that my poor soul may **Rise up** there, into the Womb of my Jesus, where we shall never again separate.” (V17 – 1.22.25)*

Talk #1

V6 – 11.18.04 - “...Now, when the Heaven of My Holy Humanity Ascended into Heaven after My **Resurrection**, My Heaven upon earth was to continue to exist – and it is found in the souls who give a Dwelling to My Divinity. Dwelling in the little children of the Divine Will, I God now Form My Heaven, and from them also do I make the order of the Virtues contained inside of them shine forth. What Honor for the creature to lend a Heaven to her Creator! But – oh, how many deny it to Me! And you – would you not want to be My Heaven? Tell Me you would.”

V6 – 5.2.05 - “My daughter, suffering contains three types of **Resurrection**. *First*, suffering makes the soul **Rise Again** to Grace. *Second*, as suffering advances, it gathers the Virtues and the soul **Rises Again** to Sanctity. *Third*, as suffering continues, it Perfects the Virtues, it Embellishes them with Splendor, Forming a Beautiful Crown; and the soul, Crowned, **Rises Again** to Glory on earth, and to Glory in Heaven.”

V6 – 5.9.05 - Continuing in my usual state, it seemed to me that my Adorable Jesus was coming out from within my interior, and with Sweet and Affable Voice He was saying: “And why, My daughter, can the soul, United to Grace, not do in advance everything that death Must do to her nature? That is, making it die in advance, for Love of God, to everything to which it shall have to die? But only those who Dwell Continuously with My Grace come to have this Blessed death, because by Living with God it is easier for them to die to everything that is fleeting. And as the soul Lives with God and dies to all the rest, her very nature comes to anticipate the Privileges which Must Enrich her at the **Resurrection** – that is, she shall feel Spiritualized, Deified and Incorruptible, in addition to all the Goods in which the soul shall take part, feeling herself the partaker in all the Privileges of Divine Life. In addition to this, there is the Distinction of Glory which these souls shall have in Heaven; they shall be so different from the others, as Heaven is different from the earth.”

V11 – 7.4.12 - ‘...My Divine Will Must be the Tomb of the soul. Just as nature is consumed in the tomb to the extent of disappearing completely, and by that consummation it shall **Rise Again** to a New and More Beautiful Life, in the same Way the soul, Buried in My Divine Will as if inside a tomb, shall die to the suffering, to her Virtues, to her spiritual goods, and shall **Rise Again** in everything to Divine Life.”

V11 – 9.2.12 – “My daughter, if souls knew how harmful certain self-reflections are! They bend and lower the souls, making them keep their faces turned inward. The more they look at themselves, the more human they become; the more they think, the more they feel their miseries and become miserable. But if they think only of Me, of loving Me and being all Abandoned in Me, their souls straighten up, and by keeping their sight on Me only, they **Rise** and Grow. The more they look at Me, the More Divine they become; the more they meditate on Me, the Richer,

Stronger and Braver they feel. The Union with the Divine Volition leads the soul toward the oblivion of herself and to the Contemplation of God."

V11 – 9.29.12 – "...At the beginning, in order to render a soul completely Mine, to empty her of all that is of the senses and place into her all that is Celestial and Divine, I detach her even from the necessity of food, in such a Way that she almost doesn't need it. So, the soul **Rises** High, neglecting and ignoring everything, therefore her Life is Celestial."

Talk #2

V11 – 11.2.12 - "My daughter, I AM here, inside of you Luisa. If you want to recognize yourself, come into Me, to recognize yourself inside of Me. If you come to recognize yourself in Me, you shall put yourself in order, because in Me you shall find your Image, made by Me and similar to Me. You shall find everything that is needed to preserve and Embellish this Image. As you come to recognize yourself in Me, you shall also recognize your neighbor in Me; and in seeing how I Love you and the other, you shall **Rise** to the Degree of True Divine Love. Everything, inside and outside of you, shall take on the True Order – The Divine Order."

V12 – 4.15.19 – "...Only those who received the Good of receiving the Seed of My Divine Will in their hearts disposed themselves to receive the Good of seeing Me **Resurrected**."

Now, the Portent of My Redemption was the **Resurrection**, which, more than Refulgent Sun, Crowned My Holy Humanity, making even My most tiny Acts Shine, with such Splendor and Marvel as to Astonish Heaven and earth. The **Resurrection** shall be the Beginning, the Foundation and the Fulfillment of all Goods - Crown and Glory of all the Blessed. My **Resurrection** is the True Sun which worthily Glorifies My Holy Humanity; It is the Sun of the Catholic Religion; It is the Glory of every Christian. Without **Resurrection**, it would have been as though Heavens without Sun, without Heat and without Life.

Now, My **Resurrection** is the symbol of the souls who shall form their Sanctity in My Will. The Saints of the past centuries symbolize My Holy Humanity. Although resigned, they did not have Continuous Act in My Divine Will; therefore, they did not receive the Mark of the Sun of My **Resurrection**, but the Mark of the Works of My Holy Humanity before My **Resurrection**. Therefore, they shall be many; almost like stars, they shall form a Beautiful Ornament to the Heaven of My Holy Humanity. But the Saints of the Living in My Divine Will, who shall symbolize My **Resurrected** Humanity, shall be few. In fact, many throngs and crowds of people saw My Humanity, but few saw My **Resurrected** Humanity - only the believers, those who were most disposed, and, I could say, only those who contained the Seed of My Divine Will. In fact, if they did not have that Seed, they would have lacked the necessary sight to be able to see My **Resurrected** and Glorious Humanity, and therefore be spectators of My Ascent into Heaven.

Now, if My **Resurrection** symbolizes the Saints of the Living in My Divine Will - and this with Reason, since each act, word, step, etc. done in My Will is a Divine **Resurrection** that the soul receives; it is a Mark of Glory that she receives; it is to go out of herself in order to Enter the Divinity, and to love, work and think, hiding herself in the Refulgent Sun of My Volition - what is the wonder, if the soul remains Fully **Risen** and Identified with the very Sun of My Glory, and symbolizes My **Resurrected** Humanity? But few are those who dispose

themselves to this, because even in Sanctity, souls want something for their own good; while the Sanctity of Living in My Will has nothing of Its own - everything is of God. It takes too much for souls to dispose themselves to this - to strip themselves of their own goods. Therefore, they shall not be many.

You are not in the number of the many, but of the few. Therefore, be always Attentive to the Call, and to your Continuous Flight."

V14 – 4.6.22 - "My daughter, how Beautiful are the prayers and the acts done in My Divine Will! How the Creature is Transformed in God, the Creator Himself, and gives Him the return for what He has given to her! I, Jesus, Created everything for man and I gave everything to him as Gift! In My Divine Will the Creature **Rises up** to her God and Creator, and finds Him in the Act in which He Created all things to give them to her as Gift; and, trembling before the Multiplicity of so many Gifts, not having within herself the Creative Power to Create as many things for as many as she has received - she offers her own things to Requite Him in Love."

V14 – 4.13.22 – "...*You Must Know* that one who Lives in My Divine Will **Must Rise up** High - but so High as to Live in the Womb of the Most Holy Trinity. Your life and Ours Must be One; therefore it is Necessary, it is Decorous that you Luisa, Know where you are, and with Whom you are; that you conform to whatever We Triune God do, and that not by force, but willingly, with Love and with Full Knowledge, you Live in Our Womb."

V14 – 4.21.22 – "...Therefore, come into My Divine Will together with Me; let us **Rise** between Heaven and earth and Adore together the Supreme Majesty. Let us Bless It and Give It Homage for all, so that Heaven and earth may be filled with Adorations, Homages and Blessings, and all may receive their Effects."

Homily and Talk #3

V14 – 7.10.22 - Continuing in my usual state, I felt my always Lovable Jesus in my interior - but so real that now I would feel Him squeeze my heart so tightly as to make me suffer; now He would clasp His Arms around my neck to the point of suffocating me; now He would sit on my heart, assuming an Air of Dominion and Command, and I would feel as though annihilated and then **Risen Again** to New Life under His Command... But who can say what He did in my interior, and what I felt? I believe it is better to pass over it in silence.

Then, while I was feeling His Real Presence in my interior, He told me: "My daughter, **Rise, Rise More** - but so High as to reach the Womb of the Divinity; your life shall be Among the Three Divine Persons. See, in order to make you reach this Point, I God, formed My Life in you Luisa, I Enclosed My Eternal Volition in whatever you do, and there It flows in a Marvelous and Surprising Way, as My Volition is Acting in you in a Continuous Immediate Act. Now, after I have formed My Life in you, with My Divine Will Acting in you, in your acts, your human will has remained Soaked, Transfused, in such a Way that My Volition Possesses a Life upon the earth.

Now it is Necessary that you Luisa, **Rise** and carry with you My Life, My Divine Will, so that My Volition of the earth and That of Heaven may Fuse Together, and you may Live for some time in the Womb of the Divinity, where your volition shall be Acting in Mine, in order to

Expand it as Much as a Creature can be capable of. Then, you shall Descend again upon the earth, bringing the Power and the Prodigies of My Divine Will, in Such a Way that the creatures shall be shaken, they shall open their eyes, and many shall Know What it Means to Live in My Divine Will - to Live in the Likeness to their Creator. This shall be the Beginning of the Coming of My Kingdom upon earth, and of the Final Fulfillment of My Most Holy Divine Will."

V14 – 10.6.22 – "...Now, this plane, this little river in My Volition - I want it from you, Luisa. Let each one of your thoughts Flow in It, so that, at the Reflections of Our Intelligence, which is thought of each one, it may **Rise** over each intelligence and give Us, Triune God, the Homage of each thought in a Divine Manner. Let your words and works flow as well, so that, at the Reflection of Our Word '*FIAT*', which Made all things and is Word of each one, and at the Reflections of the Sanctity of Our Works, which is Life and Motion of all, they may **Rise** and Hover over all, giving Us the Glory of each word and of each work, with Our own Word '*FIAT*' and with the very Sanctity of Our Works. My daughter, if all that is human – be it even one thought - is not done in My Divine Will, the human plane takes no Possession, the little river is not formed, and My Divine Will cannot Descend upon the earth to make Itself Known and to Reign."

V14 – 10.30.22 - "My daughter, look at the Prodigies of the Creature Operating in My Divine Will. As she Enters into My Will and thinks, prays, works..., she **Rises** with Me. And since I AM Voice without word, My Voice is formed and reaches each heart according to its own needs, and in many different ways and languages which are in the Creatures, in Such a Way that all can understand Me. I AM Work without hands, and therefore I AM Work of each one; I AM Step without feet, in Such a Way that wherever I go, I find Myself in Act. In the Same Way, the soul, by Operating in My Will, becomes Voice without word, Work without hands, Step without feet, and I feel her Flowing in My Voice, in My Works and in My Steps - I feel her everywhere. And as I feel her always Together with Me, I no longer feel lonely; and since I Love the company of the creature Very Much, taken by Love for her, I Divinize her, I Enrich her, and I Give her such Graces as to Astonish both Heaven and earth."

V14 – 11.11.22 – "...Therefore I, Jesus tell you, Luisa, True daughter of My Volition, First Happy Birth from My Will - Be Attentive and Faithful to Me; come and Live in My Eternal Volition. My Acts await you, wanting the seal of yours; those of My Mama await you; the Whole of Heaven awaits you, wanting to see all of their acts Glorified in My Will by a creature of their own stock. The present and future generations await you, to be given back the lost Happiness. Ah! No, no... the generations shall not end until man Returns into My Womb, Beautiful, Dominant, just as he Came Out of My Creative Hands. I AM not Content with just having Redeemed him; even at the cost of waiting... I shall still have Patience, but he Must Return to Me as I Made him, by Virtue of My Will. By doing his own human will, he went down into the abyss and transformed himself into a brute; by doing My Divine Will, he shall **Rise** and Acquire the New Transformation into the Nature Created by Me. Then shall I be able to say: 'I, God, have Accomplished Everything; the Order of the Whole Creation has Returned to Me, and I shall Rest in It.'"

V15 – 4.2.23 - “My daughter, how much Light, how much Glory did My Humanity have in My **Resurrection**, because during the course of My Life on this earth I did nothing but Enclose the Supreme Will in each one of My Acts, Breaths, Gazes - in Everything. And as I kept Enclosing It, the Divine Volition Prepared for Me Glory and Light in My **Resurrection**. And since I contain the Immense Sea of the Light of My Will within Me, it is no wonder if, as I Look, as I Speak, as I Move, So Much Light comes out of Me as to be able to Give Light to all. Therefore, I Want to Chain you Luisa, and Overwhelm you in this Light in order to Sow in you as many Seeds of **Resurrection** for as many acts as you keep doing in My Will. My Will alone makes soul and body **Rise Again** to Glory. My Divine Will is Seed of **Resurrection** to Grace, Seed of **Resurrection** to the Highest and Perfect Sanctity, Seed of **Resurrection** to Glory. So, as the soul emits her acts in My Divine Will, she keeps Binding New Divine Light, because My Divine Will is Light by Nature, and the one who Lives in It has the Virtue of Transforming thoughts, words, works, and everything she does, into Divine Light.”

V16 – 8.9.23 – “...Now, one who works, prays, walks, etc., in My Divine Will, **Rises above** this darkness, and as she works, prays, speaks, piercing these thick clouds, she sends Flashes of Light over all the earth, such as to shake those who live down at the bottom of their human will, preparing their souls to receive the Divine Light, the Sun of the Divine Will. This is Why I Care So Much that you Luisa, Live in My Divine Will – that you may Prepare a Heaven of Light which, sending Continuous Flashes of Light, may dispel this heaven of darkness that the human will has formed over their heads; in Such a Way that, Possessing the Divine Light of My Divine Will, they may Love It, and My Divine Will, Loved, may Reign upon earth."

V16 – 8.13.23 – “...It is enough to say that I Impetrated not only Forgiveness, Remission of sins, Refuge, Salvation and Defense in the great dangers of the life of man, as I did during My Passion, but *the New Rising of all his interior*. I had to make the Sun of the Eternal Will **Rise**, which, Binding with Enrapturing Power the whole interior of man, even his most intimate fibers, was to lead him to the Womb of My Celestial Father, as though Reborn in His Eternal Will.

Oh, how much easier it was for Me to Impetrate his Salvation than to Reorder his interior in My Supreme Volition! Had I not done this, Redemption would not have been complete, nor a work worthy of a God. I would have neither fixed nor ordered all the parties of man, nor would I have Restored in him that Sanctity which was lost by withdrawing from the Divine Will and by breaking the relations with It. The Plan is already Accomplished, but in order to make it Known, first it was Necessary for man to Know that with My Life and Passion he could obtain Forgiveness and Salvation, in order to dispose him to Know how I had Impetrated for him the Greatest and Most Important Thing – the **New Rising** of his human will in Mine, to give him back his Divine Nobility and the Relations with My Will which had been broken - and with it, his Original State.

Now, My daughter, if My Eternal Wisdom disposed that the Celestial Creature, Mary the Holiest of all, would Prepare the Seed of My Holy Will, in which I formed the Plan of the **New Rising** of man in My Supreme Will, now, through another creature, by letting her Enter the Eternal Regions of My Divine Will, and Binding her human will to Mine, Uniting her to all My

Acts, I Make all of her interior **Rise Again** in the Eternal Sun of My Will, and I Open the Field of this Plan to the human generations, so that, whoever wants It, can Enter into It to put herself in Relation with her Creator. And if, until now, the creatures have enjoyed the Goods of Redemption, now they shall move on to Enjoy the Fruits of the "*Fiat Voluntas Tua*" on earth as it is in Heaven, as well as the lost Happiness, the lost Dignity and lost Nobility, the lost Peace all Celestial, which by doing his human will, Adam had made disappear from the face of the earth. Greater Grace I could not give mankind, because by placing mankind again in Relation with My Will, I Give back to mankind All the Goods with which I Endowed mankind in Creating him."

Talk #4

V16 – 8.16.23 – "...My Glory, then, is My Own Glory which I Receive through the work of the creature who does My Will. It is a Glory which Descends from Heaven and **Rises Again** straight at the Foot of My Throne, Multiplied by the Divine Will which has been Exercised by the creature. ...when the creature Operates to do My Divine Will, by Giving her of My Own, I Unite to that work My Sanctity, My Power and Wisdom, the Beauty of My Works, an Incalculable and Infinite Value... I could say that these are Fruits of My Lands, Works of My Celestial Kingdom, Glory of My Family and of *My Legitimate Children*; so, how could they not be pleasing to Me? How could I not Feel the Enrapturing Power of My Supreme Volition in those works of the creature, who works only to do My Divine Will? Oh, if All Knew the Good of My Divine Will, they would not let themselves be deceived by their own human will!"

V16 – 10.20.23 - "My daughter, why do you afflict yourself so much? Abandon yourself in Me and let Me Do; and when it seems to you that everything declines and dies, your Jesus shall make everything **Rise Again**, but More Beautiful and More Fecund."

V16 – 12.26.23 - "My daughter, for the one who does My Will, it is Always Christmas! As the soul Enters My Divine Will, I AM Conceived in her act; as she performs her act, I Develop My Life; as she completes it, I **Rise Again**, and the soul remains Conceived in Me, Develops her life in Mine, and **Rises Again** in My own Acts. See, then, how Christmas Holidays are for those who, once a year, prepare and place themselves in My Grace, and so they feel something New about My Birth within them. But for the one who does My Will it is Always Christmas! I AM Born again in each one of her acts. So, would you want Me to be Born in you once a year? No, no - for the one who does My Divine Will, My Birth, My Life, My Death and My **Resurrection** Must be a Continuous Act, which is Never interrupted; otherwise, what would be the difference, the immeasurable distance, from the other sanctities?"

"...Therefore, My daughter, Newborn of My Eternal Volition, take a look at where your Jesus Calls you, Luisa and Wants you: under the Press of My Divine Will, so that your human will may receive continuous death, just as My human will did. Otherwise, I could not make the **New Era Arise**, in which My Divine Will shall come to Reign upon earth. It takes the Continuous Act, pains, deaths, in order to snatch from Heaven the "*Fiat Voluntas Tua*."

V16 – 2.8.24 – "...Therefore, just as all enjoy the sun, being inundated by its light, because it has been Created by God for the Good of all, in the Same Way, All Benefit from the acts done

by the Little Daughter of Our Will, which, more than sun, dart through all, so that the Sun of the Eternal Volition may **Rise Again** with that Purpose for which generations were Created. Therefore, do not get lost within the crowd of your miseries, of your abjection, of self-reflections, but think only about your Office of little one in Our Divine Will, and Be Attentive on Fulfilling your Mission."

V16 – 2.10.24 – "...Do you see how Necessary it is to make them understand that *Complete Abandonment* is Needed in order to Live in My Will? And you say it is not Necessary to write about it? I feel Compassion for you, because you do not see What I See, and that's why you take it lightly. Instead, in My All-Seeingness, I See that these Writings shall be for My Church as a **New Sun** which shall **Rise** in her midst; and men, attracted by its *Radiant Light*, shall strive to *Transform* themselves into this Light and become *Spiritualized* and *Divinized*, and therefore, *Renewing the Church*, they shall *Transform* the face of the earth.

...Now, as He was saying this, He showed me a table in the Midst of the Church, and all the Writings on the Divine Will placed on it. Many venerable people surrounded that table and were *Transformed* into *Light* and *Divinized*; and as they walked, they *Communicated* that *Light* to whomever they encountered. Then Jesus added: "You Luisa, shall see this Great Good from Heaven, when the Church shall Receive this *Celestial Food*, which shall Strengthen her and make her **Rise Again** to Her *Full Triumph*."

V16 – 3.19.24 - So I said to Him: 'My Love, it does not seem real to me that I could Multiply Your Life, to give You the Great Honor of as Many Divine Lives. And then, You are everywhere, therefore it is by Virtue of Yourself that this Life **Arises** in every act, and not because of me. I remain always the little child who is good at nothing.'

And Jesus: "My daughter, what you say is True. I AM Everywhere, but it is My Power, Immensity and All-Seeingness that allows Me to be Everywhere; it is not the love and the action of the creature in My Divine Will to make Me be Everywhere and to Multiply Me. But when the soul Enters My Will, *it is her Love* - it is her acts that, being Filled with Divine Virtue, make My Life **Arise**, according to how her acts are more or less extended and done. And this is the Reason for My Feast in seeing that the creature takes of My Own and gives Me My Love, My Glory and even My Very Life. My Contentment is So Great that the Creature cannot comprehend it while she lives in exile, but she shall Comprehend it in the Celestial Fatherland, when she sees herself Repaid with as many Divine Lives for as many as she formed upon earth."

V16 – 5.13.24 – "...Therefore, the accord of the human will with the Divine is the *First Link* of connection between Creator and creature; and from it, the Divine Virtues Descend into her, as within a Channel, Producing in her True Adoration and Perfect Love for her Creator. And **Rising** from within that same Channel of Connection, she Receives the different Shades of the Divine Qualities. And every time the soul **Rises** in order to Dive into this Eternal Will, she is Embellished by and Acquires as Many More Varieties of Divine Beauty."

V17 – June (?) 1924 – "...While with My Divine Will alone, which is Origin, Means and End, the soul places herself in Safety, she **Rises** to Divine Sanctity; she Reaches, in a Complete

Manner, the Purpose for which she was Created, and there is no shadow of danger that she might offend Me. Therefore, the Safest Way is only My Divine Will. The very Sacraments, if they are not received in order with My Divine Will, can serve as means of condemnation and of ruin. This is why I Inculcate My Divine Will So Much – because, being the soul in her Origin, the Means shall be Favorable to her, and she shall Receive the Fruits which they contain. On the other hand, without It, the Sacraments themselves may be a poison to her, leading her to Eternal death."

V17 – 10.2.24 - "Daughter of Our Eternal Will, prostrate yourself before Our Supreme Majesty and offer your Adorations, your Homages, your Praises, in the name of all, with the *Power* of Our Will, with the *Wisdom* and with the Will of Our Supreme Love. In this Way We shall Feel in you Luisa, the *Power* of Our Will *Adoring* Us, the *Wisdom* of Our Will *Glorifying* Us, the *Love* of Our Will *Loving* Us and *Praising* Us. And since the *Power*, the *Wisdom* and the *Love* of the Three Divine Persons are in Communication with the *intellect*, the *memory* and the *will* of all creatures, We shall feel your *Adorations*, *Homages* and *Praises* Flow within *all the intelligences* of creatures, which, **Rising** between Heaven and earth, shall make Us Hear the Echo of Our own *Power*, *Wisdom* and *Love*, *Adoring* Us, *Praising* Us and *Loving* Us. Greater Adorations, More Noble Homages, Love and Praises More Divine, she cannot give Us. No other act can equal these Acts, or give Us as Much Glory and as Much Love, because We see the *Power*, the *Wisdom* and the Reciprocal *Love* of the Three Divine Persons Flow within the act of the creature – We find Our Own Acts *in the act* of the creature. How not to Enjoy them and not to Give them Supremacy over all other acts?"

V17 – 2.15.25 – "...Imagine a sea, when the waves **Rise** up so powerful and high that their power transports also the fish - up high, in such a way that they can be seen within those waves, lifted by the power of the storm, which makes them come out from the depths of the sea - from their ordinary dwelling, to **Rise up** together with the waves. The waves have overwhelmed them, and they have not been able to resist their power; while, without the power of the stormy waves, they do not know how to go out of their harbor. Oh, if the sea had a limitless power, it would make all the water overflow from its boundaries, forming gigantic waves; and all the fish, overwhelmed by them, would all come out.

"...When My Divine Will Operates in the soul, and also outside of the soul, everything which is contained in It, Moves, **Rises**, and All the Works Place themselves in Order, to Repeat for Us *Glory*, *Love*, *Adoration*. They pass before Us, as though in a Parade, saying to Us: '*We are Your Works. Great and Powerful You Are, because You Made us so Beautiful.*'

V17 – 2.22.25 – "...*Paths are Necessary* in order to facilitate the journey; they are the means in order for man to be able to make, very often, *a little visit* to his own Celestial Fatherland; and Knowing how Beautiful his Fatherland is, and how Happy one can *Live* in It, to *Love* It and to Yearn to take *Possession* of It, and therefore to Live *detached* from the exile of down here. These Channels in the Creature are Necessary so that, very often, she may **Rise** to her True Fatherland, she may *Know* It and *Love* It. And if the soul *Loves* her Celestial Fatherland, if placing herself on the Way within Our Divine Will, she makes her *little visits* – this is a sign that the soul is walking along these Paths."

Talk #5

V17 – 3.1.25 - And while I was saying: ‘Have pity on me! Come, **Rise** within my poor soul, which is immersed in the bitter waters of Your privation!,’ I felt my Beloved Good, my Sweet Life, move in my interior; and extending His Arms around my neck, He said to me: "My Daughter! My Daughter!"

I looked at Him, as He came out from a Surface of Light; and as Jesus extended His Arms, the Light extended after Him. However, that Light was not completely full; one could see a Void within that same Light. But in spite of this, there was no darkness in that sort of Void; it just seemed that more Threads of Light were Needed in order to Fill that Void, and to Render that Light more Intense, Stronger and Brighter. At the sight of Jesus, I felt like **Rising Again** from death to Life.”

V17 – 5.10.25 – “...That "yes," your will, exists, and is tightly Bound to Our Throne. And this is why your soul, like a little child Reborn in Our Divine Volition, is drawn before the Supreme Majesty: because as you Luisa, **Rise up** toward Us, your will – which is already Ours – precedes you, and you feel Our Divine Will Attracting you like a Powerful Magnet. And instead of looking at your human will, you interest yourself only in bringing onto Our Lap everything you did in Our Will, as the Greatest Homage which Befits Us, and as the Return Most Pleasing to Us.”

V17 – 6.29.25 – “...As soon as I, Jesus, died, My Death Sealed all My Works, My Words, My Pains, the Sacraments; and the Fruit of My Death Confirmed all that I Did, and placed My Works, My Pains, My Words, the Sacraments which I Instituted, as well as the Continuation of their Life until the Consummation of the centuries, in the Act of **Rising Again** to Life. So, My Death put all My Works in Motion, and it made them **Rise Again** to Perennial Life. All this was Right, since My Holy Humanity Contained the Eternal Word and a Divine Will which has no beginning and no end, and which is not subject to perish. Of everything It did, nothing was to perish - not even one word; rather, everything was to have Continuation until the end of the centuries, in order to pass into Heaven to Beatify All the Blessed, Eternally.

The same shall happen with you Luisa. My Divine Will which Lives in you, Speaks to you, Makes you work and suffer in It, shall let nothing perish – not even one Word of the so many Truths which I, Jesus, have Manifested to you about My Will; rather, It shall put everything in Motion, It shall make everything **Rise Again**. Your death shall be the Confirmation of all that I have said to you. And since the Living in My Will is such that everything the soul does, suffers, prays and says, contain the Act of the Divine Will, all this shall not be subject to perish, but shall remain in the world, like many Lives – and all of them in the Act of Giving Life to the Creatures. Therefore, your death shall Tear the veils which cover All the Truths which I Spoke to you; and they shall **Rise Again** like many suns, such as to cast away all the doubts and difficulties with which they seemed to be covered during your life. Therefore, as long as you live in this low world, you shall see little or nothing in others, of All the Great Good which My Will wants to do through you, Luisa. But after your death, everything shall have its Full Effect.”

..."My daughter, in My Divine Will there are no nights, nor sleep; it is Always Full Daylight and Full Vigil. There is no time to sleep because there is Much to do, to take and to be Happy in It. So, you Must learn to Live in the Long Day of My Will, so that My Will may have Its Life of Continuous Act within you. However, you shall find the Most Beautiful Rest, because My Will shall make you **Rise More** and More into your God, and shall allow you to Comprehend Him More; and the More you Comprehend God, the More your soul shall be Enlarged in order to receive that Eternal Rest, with All the Happinesses and Joys which the Divine Rest contains. Oh, what a Beautiful Rest this shall be for you – a Rest which can be found Only in My Will!"

...In the meantime, my Sweet Jesus called many people which clung to His Feet; and Jesus said to them: "**Rise up** to My Heart, and I shall show you the Portents which My Divine Will has done in this soul of Luisa."

V18 – 10.4.25 – "...By repeating those acts, she forms the Water with which to Water that Seed in the earth of her heart; and the more often she Repeats them, the More she Waters that Seed, and the Plant Grows Beautiful and Green, in Such a Way that it quickly Produces the Fruits of that Seed. On the other hand, if she is slow in repeating, many times the Seed remains suffocated; and if it comes out at all, it grows thin and never gives Fruit. Poor Seed, without enough Water in order to Grow. My Sun does not Rise over that Seed, to give it Fecundity, Maturity and a Beautiful Color to its Fruits, because it is not Fecund. On the other hand, by Always Repeating those same acts, the soul contains Much Water with which to Water that Seed; My Sun **Rises** over that Seed every time It Sees it being Watered; and It Delights So Much, Knowing that it has Much Strength in order to Grow, that It makes its Branches reach up to Me; and in seeing its Many Fruits, I Pick them with Pleasure, and I Rest under its shadow."

V18 – 11.12.25 – "...So that the Redeemer might have His Field of Action upon earth, and whoever wanted to, might use those acts as coins with which to Purchase Heaven for himself, the Imprint of *Innocence*, of *Sanctity* and of the Divine Will was Needed; and the Imprint of the Operating of the Word Himself was Needed in order to make man **Rise** to Heaven. If that of the Virgin Mary was enough to make Me Descend into the midst of Creatures, in order to make man **Rise**, My *Divine Operating* was Needed. And so, this is why I Embraced All those acts and I made them My Own, I Made Up for All, I Accomplished Everything, and for All I Placed the *Divine Imprint* on all the Good Acts, from the first to the last man who is to come upon earth."

V18 – 11.22.25 – "...This is what the soul receives by Living in My Will: she Receives It as her own, she *Possesses* It, she Feels Its Celestial Aura, Its Life of Heaven, the Likeness of the One Who Created her; and as she Lives in My Will, she Feels Studded with the Reflections of her Creator. In everything she Feels the Power of that Fiat which gives Life to All things; and in the Sea of Goods which she *Possesses*, she says: '*How Happy I am, the Will of God is mine - I Possess It and I Love It.*' Therefore, all the acts done in My Will Diffuse over All, and All take part in them. See, when, at daybreak, you were saying: '*May my mind **Rise** in the Supreme Will, in order to cover All the intelligences of creatures with Your Will, so that All may **Rise** in It; and in the name of All I give You the Adoration, the Love, the Submission of All*

Created intelligences...’ - while you were saying this, a Celestial Dew poured upon All Creatures, covering them, to bring the Requit of your act to all. Oh! how Beautiful it was to see all Creatures covered by this Celestial Dew which My Will Formed, symbolized by the night dew which can be found in the morning over all plants, to Embellish them, to Fecundate them, and to prevent those which are about to wither from drying up. With Its Celestial Touch, It seems to place a Touch of Life in order to make them Vegetate. How Enchanting is the dew at daybreak. But much more Enchanting and Beautiful is the Dew of the acts which the soul forms in My Divine Will.”

V18 – 12.20.25 – “...Only the one who Lives in My Divine Will **Rises** to the state of Adam Innocent, before falling into sin. In fact, there is Great Distance between those who *do* My Will and those who *Possess* It – the same distance which passes between Adam Innocent and Adam after sin. And I, in Coming upon earth, was to Act as God; I was to Complete the Work of man in everything; I was to **Raise** him to the First Point of his Origin, by Giving him the *Possession* of My Will. And even though many make use of My Coming as Remedy for their Salvation, and therefore take My Will as Medicine, as Strength and as Antidote in order not to go to hell, I shall wait still, that souls may **Arise** who take It as *Life*; and by *Making It Known*, they may take *Possession* of It. In this Way, I, God, shall Complete the Work of My Coming upon earth, and the Divine Graft formed Anew with the creature, shall have Fruit. Then shall My Tears turn into Celestial and Divine Smiles, for Me and for them.”

V18 – 1.24.26 - “My daughter, in My Divine Will there are neither deaths nor abortions, and the one who Lives in It contains, as Life, the Life of My Divine Will; and even if she feels herself dying, or even dead, she is in My Divine Will which, containing Life, makes her **Rise Again**, in every instant, to New Light, to New Beauty, Grace and Happiness, Delighting in Preserving her always little within Itself, so as to have her Great with Itself – *little but Strong, little but Beautiful, just Newly Born, so that she might have nothing human, but everything Divine.*”

V19 – 3.9.26 – “...Now, *You Must Know* that Our Love wants to play this Risky Game with you Luisa, also, so that you, United with the Celestial Mama, may let Us Win the Game by allowing Us to make up for the failure which the first man, Adam, caused Us, Triune God; and so that Our Will, Restored in Its Victories, may place Its Goods in the Field once again, which, with So Much Love, It wants to give to creatures. And just as through the Holy Virgin - because I had made up in My Game - I made the Sun of Redemption **Rise** in order to Save the lost humanity; in the Same Way, *through you Luisa, I shall make the Sun of My Divine Will Rise Again, that It may follow Its Course in the midst of creatures.*”

V19 – 4.4.26 – “My daughter, everything I do in the soul – oh, how it Surpasses all that I did in Creation! See, each Knowledge of My Perfections which I Manifest, each Truth which pertains to the Divinity, is a New Heaven that I Extend within the soul. And as the soul **Rises** in the Truths she has Known in order to Resemble her Creator, it is New Suns that I come to form within the space of these Heavens. Each Grace I Pour and each time I Renew her Union with Me, are Seas that are laid in the soul; and her love and Correspondence from the Sweet Murmuring of these Seas, as well as Mighty Waves which **Rise up** to Heaven and come to

unload Themselves at the Foot of the Divine Throne. As the soul practices her Virtues, since the body too contributes to the exercise of them, the body can be called the little Field of the soul, over which I lay the Most Beautiful Flowery Meadows, in which I Delight in Creating ever New Flowers, Plants and Fruits.”

...After this, I was thinking about the **Resurrection** of Our Lord, and, coming back again, He added: “My daughter, My **Resurrection** Completed, Sealed and Returned to Me all Honors; It called to Life all of My Works, which I did in the course of My Life on earth, and Formed the Seed of the **Resurrection** of the souls, and even of the bodies, on the Universal Judgment. So, without My **Resurrection**, My Redemption would have been incomplete, and My Most Beautiful Works would have been buried. The same for the soul: if she does not **Rise Again** Completely in My Will, all of her works remain incomplete. And if coldness for Divine Things creeps into her, if passions oppress her and vices tyrannize her, these shall form the tomb in which to bury her, because, since the Life of My Will is missing, the one who makes the Divine Fire **Rise Again** shall be missing; One Who, with one blow, kills all passions and makes all Virtues **Rise Again**, shall be missing. *My Will is more than sun which Eclipses everything, Fecundates everything, Converts everything into Light, and forms the Complete Resurrection of the soul in God.*”

V19 – 4.9.26 - “My daughter, why does the sun contain the seed of fecundity, the seed of the substance of all colors? Because light is greater than the goods it contains; therefore it keeps them all eclipsed within itself. One cannot give something if he does not possess it. In the same way, the sun would not be able to give either fecundity, or sweetness to fruits, or color to flowers, nor could it work so many wonders on earth as to transform it from an abyss of darkness into an abyss of light, if it did not contain within itself all the effects it produces. The sun is the symbol of My Divine Will. As It **Rises** over the soul, It Vivifies her, It Bejewels her with Graces, It Gives her the Most Beautiful Shades of the Divine Colors, It Transforms her in God. And It does this all at once - it is enough to let It **Rise** for It to Operate Wonderful things. By Giving, My Divine Will loses nothing, just as the sun loses nothing by doing So Much Good to the earth; on the contrary, It remains Glorified in the work of the creature. Our Being is Always in Perfect Balance; It neither increases, nor can It decrease. But do you Know how this happens? Imagine a sea full to the brim; a wind invests its surface and forms the waves, which overflow outside of the sea. In swelling, this sea has lost nothing, and just as the waters have overflowed outside, so have they immediately **Risen**, and they appear at the same level as before. The same happens between the soul and God: she can be called the little wind which forms the Waves in the Divine Sea, in Such a Way that she can take as Much Water as she wants; but Our Sea shall remain always at Its Level, because Our Nature is not subject to undergoing mutations. *Therefore, the More you take, the More Delight you shall Give Me and the More Glorified I shall Be in you.*”

V19 – 5.6.26 – “...Therefore, one who Lives in Our Will, even if she came as last, comes always before everything. So, it is not the Era in which souls come out to the light of time that shall be considered, but whether the Life of My Divine Will has been in them as Center of Life, Reigning and Dominating in All of their Acts, just as It Reigns and Dominates in the Womb of

the Divinity. These shall be the First; their Acts done in Our Will shall **Rise** above all the acts of the other creatures, and all shall remain behind; therefore *these souls shall be Our Crown.*”

Talk #6

V19 – 5.10.26 – “...Now, My daughter, the sun is the symbol of My Divine Will, and you have seen how beautiful and enchanting is its **rising** over the earth; how many effects it produces, how many different colors, how many beauties, how many transformations its light can produce, and how this sun has been placed there by its Creator in order to give life, growth and beauty to all nature. So, if this is what the sun does in order to fulfill its office given to it by God, Much More does the Sun of My Will, which was given to man to Infuse in him the Life of his Creator. Oh! how Much More Enchanting and Beautiful is the **Rising** of the Sun of My Will over the creature. By Pounding on her, Its Light Transforms her, and Gives her the Different Colors of the Beauty of her Creator. By Investing her and Molding her, It Penetrates into her and Gives her Sips of Divine Life, that she may Grow and Produce the Effects of the Goods which the Life of her Creator Contains.”

“...After this, I was saying to my Highest and only Good Jesus: ‘My Love, I Unite my intelligence to yours, so that my thoughts may have Life in yours; and Diffusing in Your Will, they may Flow over each thought of creature. And **Rising** together before our Celestial Father, we shall bring Him the Homages, the Subjection, the Love of each thought of creature, and we shall Impetrate that all created intelligences may be Reordered and Harmonized with their Creator.’

“...This is why the Sun of My Will Surpasses in an Infinite and More Surprising Way the sun present in the atmosphere. See the Great Difference: the sun Created by God, while pounding on the earth, invests it, it produces admirable and innumerable effects, but it does not depart from its source. It descends down below, it rises up high, it touches the stars, but the fullness of light remains always within its sphere; otherwise it would not be able to Invest everything with its light, always equally. But in spite of all this, the solar light does not Penetrate into the Heavens to Invest the Throne of God, to Penetrate into God Himself and make its light one with the Inaccessible Light of the Supreme Being; nor can it Invest the Angels, the Saints, or the Celestial Mama. On the other hand, when the Sun of My Divine Will Reigns in the soul with all Its Fullness, Its Light Penetrates everywhere – into the hearts and into the minds of the Creatures who live down on earth. But what Surprises is that It **Rises up** High, It Invests the whole Creation, and brings the Kiss of the Light of the Supreme Will to the sun, to the stars, to the Heavens. The Divine Will which Reigns in the Creation and the Sun of the Divine Will which Reigns in the soul meet, they Kiss each other, Love each other and make each other Happy. And while remaining in the Creation – because the Sun of My Will leaves nothing behind, but brings everything with Itself – It Penetrates into the Heavens, It Invests everyone, the Angels, the Saints, the Sovereign Queen; It gives Its Kiss to all, It gives New joys, New Contentments, New Love. But this is not all. It pours Itself Mightily into the Womb of the Eternal One. The Divine Will Bilocated in the Creature, Kisses, Loves, Adores the Will Reigning in God Himself; It brings everyone and everything to Him, and as they Dive into each other, It **Rises Again** to follow Its Course. In fact, since the Fullness of the Sun of the Eternal Will is in the soul, this Sun is at her disposal, and as she emits her acts, loving, praying,

repairing, etc., this Sun continues Its Course, to give to All the Surprise of Its Light, of Its Love, of Its Life. So, while this Sun of the Eternal Will **Rises** and follows Its Course to Perform Its Setting in the Womb of the Divinity, another one **Rises** to follow Its Way, Enveloping everything, even the Celestial Fatherland, to then have Its Golden Sunset in the Womb of the Supreme Majesty. So, the Bilocations of My Will are Innumerable; This Sun **Rises** at each act of the Creature done within The Sun of the Supreme Volition – which does not happen with the sun present in the atmosphere, which is always one, and does not Multiply. Oh! if the sun had the Virtue of making as many suns **Rise** for as many times as it does its course over the earth - how many suns could one not see up there? What Enchantment, how many more Goods would the earth not receive?”

V19 – 7.11.26 – “...Now, My daughter, just as it was Necessary to make Known to Creatures Who Jesus and Mary were, and how much it cost Them to form the Kingdom of Redemption, so it is Necessary to make Known Luisa whom My Paternal Goodness has Chosen, first, to Form the Kingdom of the Supreme Fiat within Luisa, and then, to give **Rise** to Its Transmission to others. Just as it was for Redemption, which was formed between Me and My Celestial Mama first, and then became Known to Creatures, so it shall be for the Supreme Fiat.”

V19 – 8.8.26 – “...Now, if the sea overflows, being near it, the little stream receives the water of the sea. If its roaring waves rise, in lowering again they unload themselves into the nearby little stream. The water of the sea pours into it through the cracks of the wall. So, the tiny little stream constantly receives the waters of the sea, and because it is little, it keeps swelling up and it gives back to the sea the water it has received, to then receive it again. However, this happens because the little stream is near the sea; but if it were far away, neither could the sea give, nor could it receive – its distance would put it in the condition of not even knowing the sea.”

While saying this, He showed to my mind, in practice, the act of the sea and of the little stream; and then He continued: “My daughter, the Sea is God, the tiny little stream is the soul, the wall that separates them is the human nature, which makes one distinguish God and the Creature; the Overflowings, the Waves which **Rise** Continuously to unload themselves into the little stream, are My Divine Will that wants to Give So Much to the Creature, that the little stream, being filled and swelling up, may overflow, may form its waves, Swollen by the Wind of the Supreme Will, and may pour back into the Divine Sea, to be Filled again, in Such a Way as to be able to say: *‘I Live the Life of the Sea, and even though I am little, I too do what It does; I Overflow, I form my Waves, I **Rise** and I try to give to the Sea what It gives to me.’* So, the soul who is Identified with Me and lets herself be Dominated by My Divine Will is the Repeater of the Divine Acts. Her Love, her Adorations, her Prayers and everything she does, is the Outpouring of God which she Receives, so as to be able to say: *‘It is Your Love that Loves You, Your Adorations that Adore You, Your Prayers that Pray You; it is Your Divine Will that, Investing me, makes me do what You do, to Give it back to You as Your own Things’.*”

Jesus kept silent; but then, as though taken by an Irresistible Emphasis of Love, He added: *“Oh, Power of My Will, how Great You Are! You Alone Unite the Greatest and Highest Being with the littlest and lowest being, making them one. You Alone have the Virtue of Emptying the Creature of all that does not belong to You, to be able to Form in her, with Your*

*Reflections, that Eternal Sun which, Filling Heaven and earth with Its Rays, goes to Blend with the Sun of the Supreme Majesty. You Alone have this Virtue of Communicating the Supreme Strength, in Such a Way that, with Your Strength, the Creature can **Rise** to that Single Act of God the Creator.”*

V19 – 8.22.26 - “My daughter, you are wrong - the Privation of Me is not separation, but Pain. You are right in saying that it is more than mortal, but this Pain has the Virtue, not of separating, but of Joining with Stronger and more Stable Bonds the Inseparable Union with Me. Not only this, but each time the soul remains as though without Me, with no guilt on her part, I **Rise Again** for her to New Life of Knowledges, allowing Myself to be Comprehended More with More Love, Loving her More, and with New Grace, to Enrich her and Embellish her More. And she **Rises Again** to New Divine Life, to New Love and to New Beauty; because it is Justice that, since the soul suffers mortal pains, she be Substituted with New Divine Life. If it were not so, I would let Myself be Surpassed by the Love of the creature, which cannot be.”

“...The Redeemed ones have taken Our Crumbs and have eaten Our Fruits; they have been Healed with Our Remedies, they have been Strengthened with Our Examples, they have Learned Our Lessons, they have **Risen Again** at the cost of Our Lives; and if they have been Glorified, it has been by Virtue of Our Glory. But the Power is Always Ours, the Living Fount of all Goods Springs Always from Us; So Much So, that if the Redeemed ones move away from Us, they lose all Goods and return to be ill and poor, more than before.

“...My Divine Will is more than light; It Diffuses Everywhere and Brings the Good It Contains; and the Acts done in It form the Atmosphere of Gold and Silver which has the Virtue of Emptying all the darkness of the night of the human will, and with its Beneficial Light, it brings the Kiss of the Eternal Volition, to Dispose the Creatures to wanting to come into the Kingdom of the Supreme Fiat. Each act of yours done in It is a New Horizon that you make **Arise** for the eye of the human intellect, to make it long for the Light of the Good that My Will Possesses.”

V19 – 9.15.26 – “...The Acts done in My Will are symbolized by the sun: as the Act is Formed, My Will Administers to it the Light to Form the Sun, which **Rises up** High, because the Sun’s nature is to be up High, not down below, otherwise it would not be able to do the Good it does. In fact, the things that are down below are always circumscribed, individual, *limited in time and space*; they are not, nor can they Produce Universal Goods. So, this Sun Formed by My Divine Will and by the Act of the creature, in **Rising up** High even to the Throne of its God, Forms the True Eclipse: It Eclipses Heaven, the Saints, the Angels; it is as if the Length of Its Rays would take control of the earth; its Beneficial Light brings Glory, Joy, Happiness to Heaven, and the Light of the Truths to the earth; it dispels the darkness, the pain caused by sin, the disillusion of passing things.”

V20 – 9.26.26 – “...*It is not the form of the words that forms prayer—no; it is My Operating Will that, Dominating all of your being, makes of your thoughts, words, gazes, heartbeats and movements as many little Fountains, that Spring from the Supreme Will; and **Rising up** to Heaven, in their mute language, some Pray, some Love, some Adore, some Bless.*”

V20 – 10.26.26 - “...Also in the dead I **Resurrected**, I asked that souls might **Rise Again** in My Eternal Will—even those that were putrefied, and made more than cadavers by the human will.”

V20 – 12.24.26 – “...although My Humanity was Holy and Pure, It was the little lamp before the Immense Sun of My Divinity, and I felt all the Weight of the Satisfaction that I was to Give to this Divine Sun, and the Pain of decayed humanity that was to **Rise Again** in Me, at the cost of So Many deaths of Mine.

“It was the rejection of the Divine Will by giving Life to one’s own human will, that formed the ruin of decayed humanity; and I was to keep My Holy Humanity and My human will in a Continuous state of death, so that the Divine Will might have Continuous Life in Me in order to Extend in Me Its Kingdom. From the moment I was Conceived, I thought about and occupied Myself with Extending the Kingdom of the Supreme Fiat within My Humanity, at the cost of giving no Life to My human will, in order to make decayed humanity **Rise Again**, so that, once this Kingdom would be Founded within Me, I might Prepare the Graces, the Necessary Things, the Pains, the Satisfaction that were needed in order to make It Known and to Found It in the midst of creatures.”

V20 – 1.25.27 - “This Copy is the Portent of God in His Womb; she is the Memory of all His Works. This is the copy of the soul in God, and the Copy of God in the soul, and the Carrying Out of the Divine Life in the creature. How Beautiful is the Kingdom of My Divine Will—the nothing dissolved in the All, the All Fused in the nothing; the lowliness of the creature **Rising up** into the Divine Height, the Divine Height Descending into the depth of the creature. They are two beings Clapsed together, Inseparable, Transfused, Identified, such that it can barely be recognized that they are two Lives Palpitating Together.”
