

Luisa and Illuminate in the Divine Will – Part I

Christian Hope sustains us in committing ourselves fully to the New Evangelization and to the worldwide Mission, and leads us to pray as Jesus taught us: "Thy Kingdom Come. Thy Will be Done, on earth as it is in Heaven" (Mt 6:10).

*Today, as in the past, that Mission is difficult and complex, and demands the Courage and **Light of the Spirit**.
...I see the Dawning of a New Missionary Age, that shall become a **Radiant Day**
bearing an Abundant Harvest, ...**John Paul II** - "New Evangelization"*

Talk # 1

V1 - ...the Lord Jesus just told me: *"Your Trust Must be Only in Me. Be Resigned, because Resignation renders the soul **Luminous**, and it keeps all other passions in their place, in such a way that, attracted by those **Rays of Light**, I, Jesus, go Into that soul and I, Jesus, Transform her completely into Myself, and I, Jesus, Make her Live of My Own Life."*

V1 - "Beloved of My Heart, I ardently Desire not only to Crucify your soul and to Communicate the Pains of the Cross to your body, but also to Mark your body with the Mark of My Wounds; and I Want to Teach you the Prayer in order to obtain this Grace. This is the Prayer: *'I present myself before the Supreme Throne of God, Bathed in the Blood of Jesus Christ, Praying Him, by the Merit of His Most **Luminous** Virtues and of His Divinity, to concede me the Grace to be Crucified'.*"

V2 – 2.28.99 - Since the confessor told me to explain to him how I see, sometimes, the Divinity of Our Lord, I answered him that it was impossible for me to be able to tell him anything. But, at night, Blessed Jesus appeared to me and almost reproached me because of this refusal of mine, and then He made **Two Most Luminous Rays** Flash through me. With the *First One* I comprehended in my intellect that *Faith is God and God is Faith*. I tried to say a few things about Faith; now I will try to say how I See God - and this was the *Second Ray*.

While I am outside of myself, and I find myself in the height of the heavens, I seem to See God within a Light. He Himself seems to be *Light*, and within this *Light* there is *Beauty, Strength, Wisdom, Immensity, Height, Depth - Endless and Boundless*. Even in the air we breathe is God present, and we breathe Him; so, each one can make Him his own Life, as indeed He is. Nothing escapes Him, and nothing can escape Him. This *Light* seems to be All Voice, though it does not speak; and All Operating, though it always rests. It is present Everywhere, though it occupies no space; and while it is present everywhere, it also has Its Own Center. Oh, God, how *Incomprehensible* You are! I See You, I Feel You, You are my Life, You restrict Yourself within me, but You remain always *Immense* and lose nothing of Yourself. Yet, I feel I am stammering, and it seems I can say nothing.

V2 – 5.2.99 – "Just as in Heaven one is the Head, that is God, and many are the Saints, of different Conditions, Orders and Merits, so in My Church, in which All Heaven is Veiled, one is the head, that is the *Pope*, and even in the *Triple Tiara* that covers his head is the Sacrosanct Trinity Veiled; and many are the members that depend upon this head – that is, different dignities, various orders, superior and inferior. From the littlest to the Greatest, they all serve to Embellish My Church; and each one, according to its Degree, has the Office Entrusted to it; and by the exact Fulfillment of the Virtues, it comes to give of itself a Splendor so very *Fragrant* in My Church, that the earth

and Heaven are *Perfumed* and **Illuminated**, and the people are so drawn by this *Light* and by this *Fragrance*, that it is almost impossible for them not to surrender to the Truth. I leave it to you, then, to consider those infected members that, instead of shedding Light, cast darkness. How much torment they cause in My Church.”

V2 – 6.12.99 - Therefore I continue telling: in the *First Gaze*, I prayed Jesus to Purify me, and so it seemed to me that everything that shadowed my soul was shaken off of it. In the *Second Gaze*, I prayed Him to **Illuminate** me, because, what Good comes to a precious stone from being *Pure*, if it is not *Sparkling* so as to capture the gaze of those who look at it? They shall look at it, yes, but with an indifferent eye. Much more was I in need of that Light, that would not only render my soul Resplendent, but would make me understand the great action I was about to do, since I was not only to be looked at, but Identified with my Sweet Jesus. Therefore, it was not enough for me to be purged, but also **Illuminated**. So, in that Gaze Jesus seemed to Penetrate through me, just as the *Light* of the *sun* penetrates through crystal. After this, seeing that Jesus continued to look at me, I said to Him: ‘*Most Loving Jesus, since You were pleased to Purge me First, and then to Illuminate me, be so kind now as to Sanctify me; more so since, having to receive You, Who are the Holy of Holies, it is not right that I be so different from You.*’

V2 – 8.15.99 - Many souls were going out of Purgatory and, like Bolts of Lightning, reached Heaven in order to be Present at the Feast of Mary Our Queen Mama. I too pushed myself through that immense crowd of people – that is, Angels, Saints and souls from Purgatory, that already Occupied that *New Heaven*. It was so Immense, that the heavens that we see, compared to that one, seemed a little hole to me; more so, since I had the Obedience from the confessor. But as I went about looking, I could see nothing but a Most **Luminous Sun** spreading Its *Rays*, that Penetrated through the whole of me, in Such a Way as to make me become like *Crystal*; So Much So, that my little spots appeared very clearly, as well as the infinite distance that exists between Creator and creature. More so, since each one of those *Rays* had Its Imprint: some delineated the *Sanctity of God*, some the *Purity*, some the *Power*, some the *Wisdom*, and all the other *Virtues* and *Attributes of God*. So, the soul, in seeing her nothingness, her miseries and her poverty, would feel annihilated, and instead of looking, she would fall prostrate, her face to the ground, in Front of that *Eternal Sun* before which no one can stand.

But, what is More, in order to See the Feast of Mary Our Queen Mama, one had to look *inside* that *Sun*, So Much did the Most Holy Virgin appear *Immersed in God*; in fact, in looking from other points, one could see nothing.

Talk # 2

V2 – 10.22.99 - “My daughter, the *Way of the Cross* is a way strewn with Stars, and as one walks through it, those Stars change into *Most Luminous Suns*. What shall be the Happiness of the soul for all Eternity in being surrounded with these Suns?”

V3 – 11.1.99 - ...I saw a Pillar; its top touched the Heavens, and at the bottom of this pillar there were Priests, Bishops, Cardinals and all other Dignities, sustaining this pillar. But to my Surprise, I went about looking and I saw that of these people, some were very weak, some half rotten, some infirm, some full of mud. So very scarce was the number of those who were in a condition to

sustain it. So, this poor pillar kept swaying, unable to remain still, so many were the quakes it received at the bottom. At the top of this pillar there was the *Holy Father* who, with *Gold Chains* and with *Rays Emanating* from his whole person, did as much as he could to sustain it, and to *Chain and Illuminate* the people who dwelled at the bottom, although some of them were fleeing so as to have more ease in getting rotten and muddy; and not only this, but he did as much as he could to *Bind and to Illuminate* the whole world.

V3 – 2.12.00 - I saw my dear Good, Jesus, almost like a Shadow, but not clearly; I only saw one Hand clearly, that seemed to *Carry a Lamp* that was Lit; and He dipped His Finger in the Lamp and *anointed* the area of my heart, Exacerbated to the summit by the Pain of His Privation. At that moment I heard a Voice saying: “*The Truth is Light, that the Word brought upon earth. Just as the sun **illuminates**, vivifies and fecundates the earth, so does the Light of Truth Give Life and Light, and renders souls Fecund with Virtues. Even though many clouds obfuscate this Light of Truth, that are the iniquities of men, in spite of this, it does not cease to send forth Glimmers of Vivifying Light from behind the clouds, so as to warm souls. And if these clouds are clouds of imperfection and of involuntary defects, this Light, piercing them with Its Heat, makes them vanish and Penetrates Freely into the soul.*”

So, I comprehended that the soul *Must Be Attentive* not to fall even into a shadow of voluntary defects, that are those dangerous clouds that prevent the Entrance of Divine Light.

V3 – 3.9.00 – “Ah! if the sun had reason and men were able to give this affront to its light, and some of them, to irritate and not to see its **Luminosity**, reached such ingratitude as to pluck their eyes out so as to be more sure of living in darkness – ah!, instead of sending light, the sun would send laments and cries of sorrow, such as to turn all nature upside down! Yet, what one would have horror in doing to the natural light, men reach such excess as to do to My Grace, confronting it in this way. But My Grace, always Benign with them, in the midst of darkness itself and of the madness of their blindness, always sends Glimmers of Light, because My Grace Never leaves anyone. It is man who voluntarily goes out of It; and Grace, not having him within itself, tries to follow him with the Glimmers of Its Light.”

V4 – 12.4.02 – “In addition to this, My Wisdom is Infinite, and when It sends some Cross to a soul for her Sanctification, It does not take that soul alone, but *five, ten...* as many as I please, so that not one alone, but all others Together may be Sanctified. In fact, on Calvary I was not alone; in addition to having a Priest, I had a Mother, I had friends and also enemies, and on seeing the Prodigy of My Patience, many of them Believed in Me as the God I Was, and were converted. Had I been alone, would they have received these Great Goods? Certainly not.”

But who can say everything He told me, or explain the most minute Meanings? I said this the best I could – the way I was able to say it in my roughness. I Hope that *the Lord shall do the rest, by **illuminating** them so that they may comprehend* what I have not been able to manifest well.

V9 – 5.16.09 - “My daughter, the sun is symbol of Grace. When it finds a void, be it even a cave, a vault, a fissure, a hole, as long as there is empty space and a little opening through which to penetrate, it enters and fills everything with light; nor with this does it diminish its light in the

other spaces. And if its light does not **Illuminate** more, it is not because it lacks light, but rather, because of the lack of space in which to be able to diffuse its light more. So is My Grace: More than Majestic Sun, It Envelops All creatures with Its Beneficial Influence; however, it does not Enter but into empty hearts – as much empty space as it finds, so much Light does it let Penetrate into the hearts.”

“...The window in order to let the Grace of Light Enter into this void, is *Trust* in God and distrust of ourselves. Therefore, as Much *Trust* as one has, so much does he Enlarge the Door in order to let the Light in, and to take More Grace. The Custodian that keeps the Light and Expands it, is *Peace*.”

V9 – 3.8.10 - “My daughter, the Upright Intention is Light of the soul. It converts her into Light, and it Gives her the Way to Operate in a Divine Manner. The soul is nothing but a dark room, and the Upright Intention is like Sun that Enters into it and **illuminates** it; with this difference: the sun does not turn walls into Light, while the Upright Working *Transforms Everything Into Light*.”

V11 – 3.15.12 – “It seems that the souls who Do My Divine Will do nothing, while they Do Everything, because, being in My Divine Will, they Act in a Divine Manner, in a Hidden and Surprising Way. So, they are *Light* that **illuminates**, they are *Winds* that *Purify*, they are *Fire* that *Burns*, they are *Miracles* that make others Do *Miracles*.”

V11 – 8.12.12 – “Such is My Love, symbolized by the sun. Like Majestic Sun, It Rises in the midst of all; there is no mind that is not **Irradiated** by My Light; there is no heart which does not Feel My Heat; there is no soul that is not Embraced by My Love. More than sun, I AM in the midst of All, but - ah! how few pay attention to Me. I remain almost unobserved in their midst; I AM not Requited, and yet I continue to Give Light, Heat and Love. If some soul pays attention to Me, I go mad, but without clamor, because, being Solid, Fixed, Truthful, My Love is not subject to weaknesses.

Just so would I like your Love for Me; and if it were so, you too would become Sun for Me and for all, because *True Love Possesses all the Qualities of the Sun*. On the other hand, a Love that is not Solid, Fixed, Truthful, is symbolized by earthly fire, that is subject to variations. Its light is not capable of **illuminating** All; it is a very gloomy light, mixed with smoke. Its heat is limited, and if it is not fed with wood, it dies down and turns into ash; and if the wood is green, it sputters and smokes. Such are the souls who are not completely for Me, as My True Lovers. If they do a little bit of Good, it is more clamor and smoke that comes out of their actions than *Light*.”

V11 – 4.3.15 – “If the earth did not have a Heaven above, that shows man the way so that he may recognize the different dangers that the earth contains, man would be bound, now to fall, now to drown, etc. But there is a Heaven above, and especially a sun, that says to man in a mute language: ‘See, I have no eyes nor hands nor feet, yet I AM the Light of your eyes, the Action of your hand, and the Step of your foot; and when I have to **illuminate** other regions, I leave you the sparkling of the stars and the moonlight to continue My Office.’ Now, just as I gave to man a Heaven for the Good of his nature, to his soul too, that is More Noble, I gave the Heaven of My Divine Will,

because the soul too contains precipices, heights and crags, that are passions, virtues, tendencies, and other things. Now, if the soul moves out from under the Heaven of My Divine Will, she shall do nothing but fall from sin to sin; passions shall drown her, and the Heights of Virtues shall turn into abysses. Therefore, just as everything would be disordered and infertile on the earth without a Heaven, the same for the soul without My Divine Will.”

V11 – 12.5.16 – “As for the souls who Do My Divine Will and Live in It, then, they are Inside the Engine Itself, and since they Live of Me, they can dispose of the Waves that gush out for the Good of others, and are now *Light* that **Illuminate**, now *Fire* that *Ignites*, now *Water* that *Purifies*. How Beautiful it is to See these souls who Live of My Divine Will, coming out from within My Engine like as many other little engines, diffusing themselves for the Good of All! And then they return into the Engine and disappear from the midst of creatures, as they *Live of Me, and Me alone!*”

V11 – 2.2.17 - “My daughter, the world has become unbalanced because it has lost the thought of My Passion. In darkness, it has not found the *Light of My Passion* that would **Illuminate** it; and as it would Make Known to it My Love and how much souls cost Me, it might turn to *Loving* the One Who has Truly *Loved* it; and the *Light of My Passion*, Guiding it, would put it on its Guard against All dangers. In weakness, it has not found the Strength of My Passion that would Sustain it.”

V12 – 9.28.17 - “The Acts Done in My Divine Will are like *Suns that Illuminate All*; and as long as the Act of the creature in My Divine Will lasts, One More Sun Shines in the blind minds, and those who have a little bit of Good will shall find the Light to escape from the precipice. As for the others, they shall all perish. Therefore, in these times of thick darkness, how Much Good the Acts of the creature Done in My Divine Will Do. For those who shall escape, it shall be *only by Virtue of these Acts*. ”

V12 – 11.27.17 – “But the Sanctity of Living in My Divine Will is exempt from personal interest, from waste of time; there is no danger that they might mistake the Virtue for Me, because *I Myself AM the Living in My Divine Will*.

This was the Sanctity of My Holy Humanity on earth, and therefore It did everything, and for everyone, without a shadow of interest. Self-interest takes away the Mark of Divine Sanctity, therefore it can never be Sun; at the Most, as Beautiful as it is, it can be a star. This is why *I Want the Sanctity of Living in My Divine Will* in these times so sad - this *generation* needs these *Suns*, that may *Warm* it, **Illuminate** it, *Fecundate* it. The disinterest of these terrestrial angels, All for the Good of others, without a shadow of their own self, shall *Open the Way* in their hearts to *receive My Grace*.”

Talk # 3

V12 – 12.12.17 - “My daughter, do you Want a Simile of the Acts done in My Divine Will? Look up and you shall see the sun - a circle of light, containing its limits, its shape. But the light that comes out of this sun, from within the limits of its roundness, fills the earth and extends everywhere - not in a round shape, but wherever it finds earth, mountains, seas to **Illuminate** and to invest with its heat; So Much So, that with the majesty of its light, with the beneficial influence

of its heat, and by investing everyone, the sun becomes the king of all planets, and holds supremacy over all Created things.

Now, such are the Acts Done in My Divine Will, and Still More. As the creature does her Act, it is small, limited; but as it Enters into My Divine Will, it becomes *Immense*, it *Invests All*, it Gives *Light and Heat* to *All*, it *Reigns* over *All*, it *Acquires Supremacy* over *All* the other acts of creatures - it has *Light over All*."

V12 – 12.27.18 - "My daughter, why don't you write? My Word is *Light*, and just as the *sun* shines in all the eyes, in such a way that all have sufficient *light* for all their needs, so is each one of My Words More than a *sun*, that can be *Light* Sufficient to **Illuminate** any mind and to Warm each heart. So, each Word of Mine is a *Sun* that comes out from Me, that now serves you; by writing it, it shall serve others. And you, by *not writing*, come to *suffocate* this *Sun* within Me, and to prevent the Outpouring of My *Love* and All the Good that a *Sun* could do."

V12 – 2.20.19 – "The Eternal One Looked at the Heavens and remained content in Seeing the Immense Harmonies, the Communications of *Love* that He Opened between Heaven and earth. Therefore, He Moved forward, and with One Single Creative Word He Created the *sun*, as the Continuous Relater of His Supreme Being, Endowing it with *light*, with heat, placing it suspended between Heaven and earth, in Act of holding everything, of fecundating, warming, **illuminating** everything. With its searching eye of *light*, it seems to say to all: '*I am the Most Perfect preacher of The Divine Being. Reflect yourselves in me, and you shall Recognize Him. He is Immense Light, He is Endless Love, He Gives Life to Everything, He has need of nothing; no one can touch Him. Look well at me, and you shall Recognize Him; I am His shadow, the Reflection of His Majesty, His Continuous Relater.*'

V12 – 9.25.20 - "My daughter, My *Truth* is *Light*, and in Communicating them to souls, since they are limited beings, I Communicate My *Truths* with limited *Light*, since they are not capable of receiving Immense *Light*. However, it happens as to the sun: while, up high in the heavens, one sees a globe of *light*, limited, circumscribed, the *light* that spreads from it invests the whole earth, warms, fecundates; so, it is impossible for man to number the plants fecundated, and the lands **illuminated** and warmed by the sun. While he can see it up High in the Heavens in a twinkling of an eye, then he cannot see where its *light* ends up, and the Good it does. The same happens to the *Suns* of the *Truths* that I *Communicate* to souls: inside of them they appear as limited; but when these *Truths* come out, how many hearts do They not strike? How many minds do They not **illuminate**? How Much Good do They not do? This is why you saw Me place a Globe of *Light* in you: these are My *Truths* that I *Communicate* to you. Be Attentive in Receiving Them, More Attentive in Communicating Them, to Give Course to the *Light of My Truths*."

V13 – 10.6.21 - "If man is horrible in the state of guilt, he is also Beautiful in the State of Grace and of doing Good. Good, be it even the tiniest, is the **Luminous Point** of man. While he does Good, he undergoes a *Celestial, Angelic and Divine Transformation*. His Goodwill drags his whole being to One Single Point; therefore, *Good* is the thought, the word, the heartbeat, the motion, the step - everything is *Light*, inside and outside of him. His air is Balmy and Vital; and whoever approaches him places himself in Safety. How *Beautiful, Gracious, Attractive, Lovable*,

Striking is the soul in Grace, in doing Good; So Much So, that I Myself remain Enamored. Each Good he does is one more Shade of *Beauty* that he Acquires; it is a Greater *Likeness* to his Creator, that Makes him to be Distinguished as *His Child*; it is a *Divine Power* that he puts in Circulation. Every *Good* he does is a Spokesman between Heaven and earth; they are the Couriers, the Electric Wires that maintain the *Communications With God*.”

V13 – 11.4.21 – “My only *Purpose* in Creating the creature was that she would *Do My Divine Will* in everything. But with this I Wanted to bring into Existence *New Births* of Myself. I wanted to make of her a Portentous *Prodigy*, Worthy of Me and *Fully Similar* to Me. But alas! the first to put itself against Me was going to be the human will.

Take a look - all things are done between two: you have eyes, but if you did not have an external *Light* that **illuminates** you, you would not be able to see anything. You have hands, but if you did not have the things that are needed in order to Form Works, you would do nothing; and so with all the rest. Now, this is how I Want *Sanctity* in the creature - between her and Me, between the two of us; I on one side, and she on the other; I, *Giving My Life* and *Communicating My Sanctity* to her as her *Faithful Companion*, and she, Receiving It as *My Faithful and Inseparable Companion*. In this Way, she would be the Eye that Sees, and I the Sun that Gives her *Light*;...”

V13 – 11.12.21 – “Now, the *Sanctity* in My Divine Will shall be symbolized by the *sun*. The *sun* has always been, and shall always be; and even though it had a beginning in **illuminating** the world, since it is *light* that took Origin from My Eternal *Light*, it can be said that it has no beginning. The *sun* does Good to *all*, it extends to *all* with its *light*; it makes no exception with anyone. With its *majesty* and its *dominion* it rules over everything and gives *life* to everything, even to the littlest flower - but silently, without noise, and almost unobserved. Oh! if a plant did a little something, a shadow of what the sun does, giving heat to another plant, all would proclaim a Miracle. All would want to see it, and would talk about it with Amazement. The *sun* that gives *life* and heat to everything, and is the continued Miracle – no one talks about it; no Amazement. And this happens because man keeps his eyes always down below and on earthly things - never up high and on *Celestial Things*.

Now, the *Sanctity in My Divine Will*, symbolized by the *sun*, shall Come Out from the *Center of My Sanctity*; It shall be a *Ray Delivered by My Sanctity*, that has no beginning. So, these souls Existed in *My Sanctity*; they Exist, and shall Exist. They were Together with Me in the Good I Did; they never went out of the *Ray* in which I had Issued them to the *light*. As they never departed from My Divine Will, I Amused Myself with them, and I still do. *My Union* with them is *Permanent*. I see them Floating above everything; human supports do not exist for them, just as the *sun* does not lean on anything - it *lives* up High as though isolated, but with its *light* it encloses everything within itself. The same for these souls: *they Live Up High like the sun, but their Light Descends to the deepest bottom and extends to All*.

...“What Grace for you to Know It! To be the *First*, like *Solar Ray*, to Come Out from the *Center of My Sanctity*, without ever detaching from It! Greater Grace I could not give you - More Portentous a Miracle I could not Operate in you. Be Attentive, My daughter, My *Ray*, because every time you Enter into My Divine Will and Operate, it happens as when the sun hits the glass:

many suns are Formed in it. In the Same Way, you *Repeat My Life* as many times; you Multiply It, you Give *New Life to My Love*.”

V13 – 11.19.21 – “Imagine a room in which the shutters are closed: as much *sunlight* as there might be outside, the room remains always in the dark. Now, opening the shutters means wanting the *light*. But this is not enough, if one does not take advantage of the *light* to reorder the room, dust it, get down to work, almost so as not to kill the *light* that one is given, and render oneself ungrateful. In the same way, it is not enough to have the will to Know the Truths, if in the *Light* of the Truth that **illuminates** him one does not try to dust himself of his weaknesses, and Reorder himself according to the *Light* of the Truth he Knows, and, Together with the *Light of the Truth*, get down to work, making of it his own Substance, in Such a Way that the *Light of the Truth* that he has Absorbed may Shine Forth from his mouth, from his hands, from his bearing. It would then be as if he killed the *Truth*; and by not putting it into practice, it would be like remaining in total disorder before the *Light*. Poor room, Full of *Light*, but all messy, upside down, and in total disorder, and someone in it who does not bother Reordering it – what pity would it not arouse? Such is one who Knows the *Truths* and does not put them *into practice*.

Know, however, that in All the *Truths* Simplicity Enters as the *First Nourishment*. If the *Truths* were not Simple, they would not be *Light*, and would not be able to Penetrate into the human minds in order to **illuminate** them; and where there is no *Light*, objects cannot be distinguished. Simplicity is not only *Light*, but is like the *Air* that one breathes that, while it cannot be seen, Gives the Respiration to everything; and if it wasn’t for the air, the earth and everyone would remain without motion. So, if the *Virtues*, the *Truths*, do not carry the Mark of *Simplicity*, they shall be without *Light* and without *Air*.”

V13 – 12.22.21 - He disappeared. But later He came back and added: “Would you be able to tell Me why the *sun* **illuminates** all the earth? Because it is much Greater than the earth; and since it is Greater, it has the capacity of enclosing in its *light* the whole circumference of the earth. If it were smaller, it would **illuminate** part of it, but not all of it. So, smaller things are enveloped and absorbed by Greater things.

Now, *My Divine Will is the Greatest of all Virtues*; therefore All Virtues remain shrunken and lost within *My Divine Will*. Even More, before the *Virtue of the Sanctity of My Divine Will*, the other *Virtues tremble in Reverence for My Divine Will*. And if, without It, the *Virtues* think that they do something Great, at contact with the *Sanctity and Power of the Virtue of My Divine Will*, they see that they have done nothing; and in order to give them the Mark of *Virtues*, I AM forced to plunge them into the Immense Sea of *My Divine Will*. Not only does *My Divine Will* Excel over everything, but It gives the different Tints of *Beauty* to the *Virtues*; It places on them the *Divine Tints*, the *Celestial Glaze*, the *Dazzling Light*. So, if the *Virtues* are not covered by *My Divine Will*, they may be Good, but not Beautiful of that Beauty that Enraptures, Enchants and Enamors Heaven and earth.”

V13 – 1.30.22 – “Ah! My daughter, the *Truth is Light*, and *Light* Spreads by itself; but in order for it to Spread, it is necessary to Make It Known - the rest It shall do by Itself. Otherwise, It shall

remain compressed, without the Good of being able to **Illuminate** and do the Course It Wants. Therefore, Be Attentive, and do not prevent Me from Spreading the *Light of My Truths*.”

Talk # 4

V14 – 3.10.22 - I remained afflicted on hearing this, and Jesus added: “Ah! You would like to act like the *sun*, if it wanted to concentrate its *light* and its *heat* more strongly at one point, to be able to *warm* it and **Illuminate** it so much, as to convert that point into the sun itself; while it continues its regular course over all other things.” And I: ‘Yes, yes, it’s exactly this – it is the Weight of Gratitude that pushes me to it.’ Jesus Smiled on hearing me, and He continued: “If it is so, go ahead and do it. But *You Must Know* that just as *My Divine Will Dominates Everything*, is Present everywhere, Sustains everyone, is Known by Heaven, by the earth and even by demons, there is no one who can oppose It - in the Same Way, the soul who Does *My Divine Will Must Dominate Everything*, be *Present Everywhere, Sustain Everything*, and I Want her to be *Known by All*.”

V14 – 6.1.22 - ‘The *Truth* is I, Jesus; Everything in Me is *Truth*. *Truth* is My Patience in the midst of so many insults; *Truth* is My Sweet Gaze among so many derisions, calumnies, contempts. *Truths* are My Affable, Attractive Manners in the midst of so many enemies, such that, while they hate Me, I *Love* them, and while they want to give Me death, I Want to Embrace them and give them *Life*. *Truths* are My Words, Dignified and Full of Celestial *Wisdom*. Everything in Me is *Truth*.’ The *Truth* is More than majestic sun that, as much as one would want to trample it, Rises More Beautiful, More **Luminous**, such as to shame the very enemies, and to knock them down at Its Feet.”

V14 – 6.23.22 - I was thinking to myself: ‘Jesus says many things about *His Most Holy Divine Will*, but it seems that He is not understood, and even by the confessors themselves - they seem doubtful, and before a *Light so Immense*, they remain neither **illuminated** nor drawn to *Love a Divine Will so Lovable*.’ Now, while I was thinking of this, my always Lovable Jesus, throwing His Arm around my neck, told me: “My daughter, do not be Surprised at this. Those who are not completely *empty* of their own human will cannot have a sure *Knowledge* of Mine, because the human will forms the cloud between Mine and theirs, and hinders the *Knowledge* of the Value and Effects that Mine contains. But in spite of this, they cannot say that it is not *Light*.”

See, also the things that can be seen down here are not comprehended by man. Who can ever tell what I did in creating the *sun*, or how much *light* and heat it contains? Yet, they see it, they enjoy its effects; it is with them all day, its heat and *light* follow them everywhere. And with all this, they neither know nor can they tell its height, or the *light* and the heat it possesses. And if anyone wanted to rise up in order to know this, the *light* would eclipse him, the heat would burn him. So, man is forced to keep his eyes low and enjoy the *light* without being able to investigate it, contenting himself with saying: ‘*It is sun*’.

So, if this happens with the *sun* that can be seen and that I Created for the natural Good of man, More So with the *Truths* that Contain - oh! how much More *Light* and Heat than the *sun* itself; especially, then, the *Truths* that Regard My Divine Will, that Contain *Eternal Effects, Goods and Value*. Who can ever measure all that It Contains? It would be as though wanting to Eclipse oneself. It would be better to lower one’s forehead and Enjoy the *Light* that My *Truth*

brings, *Loving* It and making that little Light that the human intelligence comprehends one's own, rather than putting it aside, as something that does not belong to them, because they do not comprehend All the *Fullness of the Light*. So, with the *sun*, although they do not comprehend it, they enjoy its *light* as much as they can, they make use of it in order to operate, to walk, to look, and – oh! how they *long for daylight*, so that the *light* may keep them company and *live* with them. But then, *My Truths*, that are More than Light and Me the *Sun of the Day Rise* in the human minds, are neither Regarded, nor *Loved*, nor Longed for, and are held as a trifle. What Sorrow! However, when I see that they put *My Truths* aside, I put them aside, and I let *My Truths* do Their Course with the souls who *Love* them and *Long* for them, and make use of their *Light* in order to Model their *lives* and become *One with Them*. Do you think I have told you everything about the *Truths*, about the *Effects* and the *Value* that *My Truth* Contains? Oh! how many More *Suns* do I have to Make Rise. And do not be Surprised if you do not comprehend Everything. Be content with *Living of Its Light*, and this is enough for Me.”

V14 – 11.24.22 – “What would you say of the *sun*, if after I gave it so much *light* and heat, it would not want to let this *light* and heat descend upon the earth? Would you not say to the *sun*: ‘It is True that you make a Good impression, but it is not Good that you keep it for yourself. The earth, the plants, the generations await your *light* and your heat; they want them in order to receive *life* and fecundity. Why do you want to deprive us of such a great Good? More so, since in giving them to us, you lose nothing; rather, you acquire more Glory, and everyone shall bless you.’

Such are you - and even *More than sun*. I have placed in you *So Much Light of Truth* about *My Divine Will* that, More than sun, it would be enough to **Illuminate** All, and to do More Good than the *sun* itself does to the earth. I Myself, and the generations, await that this *Light* be *unleashed from you*, Luisa, while you think of how to hide It, and you almost afflict yourself if authoritative people want to occupy themselves with putting It out. No, no - this is not Good.”

V15 – 6.28.23 – “In fact, I wanted to be inside of man as *Seed*, and outside of him as Worker, to Form in him the *Tree of My Eternal Love*. Indeed, what Good would it be for man to have eyes filled with *light*, if he did not have an external *light* to **Illuminate** him? He would remain always in darkness. So, in order to enjoy the effect of the *light*, it takes the *internal light* of the eye as well as the *external light* of the sun that **Illuminate**s it. The same for the mind: if he had no speech to express his thought, the *life of his intelligence* would die and would be without fruit; and so with all the rest.”

V16 – 8.20.23 – “The True image of it is the *sun* that **Illuminate**s our horizon: it **Illuminate**s all, but without clamor; it is *light*, but has no speech, it says nothing to anyone - the Good it does, the seeds it fecundates, the life it gives to all plants, and how it purifies the polluted air with its heat, and destroys what can be harmful to all humanity. And yet, it is so silent, that even though they have it with them, they pay no attention to it. But in spite of this, it does not cease to be Majestic and Beautiful, and to continue the Good it does to all. And if the *sun* were missing, everyone would mourn for it, because the greatest miracle of fecundity and preservation of all nature would be missing.

The Sanctity of Living in My Divine Will is More than sun. A soul who is Upright and Fully Ordered in *My Divine Will* is *More than an Army in Battle*. Her intelligence is Ordered and

Bound to the *Eternal* Intelligence; her heartbeats, affections, desires, are Ordered with *Eternal* Bonds. Therefore, her thoughts, her human will and the whole of her interior, are *Armies of Messengers that come from her and Fill Heaven and earth*; they are *Speaking Voices*; they are *Weapons* that Defend all and, *First* of all, their God. They bring Good to All; they are the *True Celestial and Divine Militia that the Supreme Majesty keeps all Ordered within Itself*, ever ready at all Its *Commands*.

And then, there is the example of Mary, My Mama - *True Sanctity of the Living in My Divine Will*, Her Interior all Eclipsed in the Eternal Sun of the Supreme Volition. Having to be the *Queen of the Sanctity of the Saints, Mother and Bearer of My Life to all*, and therefore of all Goods, She remained as though Hidden within all, bringing Good without making Herself recognized. More than Silent *sun*, She would bring *Light* without speech, Fire without clamor, Good without exposing Herself. There was no Good that would not come from Her; there was no Miracle that would not Spring from Her. By Living in My Divine Will, She Lived Hidden within all, and She was, and is, the Origin of the Goods of all. She was so Enraptured in God, so Fixed and Ordered in the Divine Will, that Her Whole Interior Swam in the Sea of the Eternal Volition. She was aware of the whole interior of all creatures, and She would place Her own in order to Reorder them before God. It was precisely the interior of man, more than the outside, that was in greater need of being Redone and Reordered; and so, having to do the Greater, it seemed that She would leave out the lesser, while She was the Origin of both the External and the Internal Good. Yet, on the outside it seemed that She would not do Great and Sensational Works. More than *sun*, She would pass unobserved and hidden in the Cloud of *Light* of the *Divine Will*; So Much So, that the very Saints have given of themselves, doing apparently more sensational things than My very Mama did. Yet, what are the greatest Saints before My Celestial Mama? They are just little stars compared to the *Great Sun*; and if they are **Illuminated**, it is because of the *Sun*.”

V16 – 9.14.23 - I was thinking of how all things revolve around the *sun*: the earth, ourselves, all creatures, the sea, the plants – everyone; in sum, we all revolve around the *sun*. And because we revolve around the *sun*, we are **Illuminated** and we receive its heat. So, the *sun* reflects its burning *rays* upon all, and we, the whole Creation, by revolving around it, enjoy its *light* and receive part of the effects and goods that the *sun* contains. Now, how many beings do not Revolve around the *Divine Sun*? All Do: all the Angels, the Saints, men and all Created things; even the Queen Mama – does She perhaps not hold the *First Round*, in which, rapidly Revolving around It, She Absorbs all the Reflections of the *Eternal Sun*? Now, while I was thinking about this, my Divine Jesus moved in my interior, and clasping me all to Himself, told me: “My daughter, this was precisely the Purpose for which I Created man: that he would *Always Revolve around Me*; and I, like *Sun*, being at the Center of his Round, would Reflect in him *My Light, My Love, My Likeness and all My Happiness*. At each Round of his, I would give him ever *New Contentments, New Beauty, and more Burning Arrows*.

Before Adam sinned, My Divinity was not hidden to man, because by Revolving around Me, he was My Reflection, and therefore he was the *little Light*. So, it was as though natural that, I being the *Great Sun*, the *little Light* would be able to receive the Reflections of *My Light*. But as soon as he sinned, he stopped Revolving around Me, his little Light became dark, he became

blind and lost the *Light* to be able to see My Divinity in his mortal flesh, as much as a creature is capable of. So much so, that in coming to Redeem man, I took on mortal flesh in order to let Myself be seen, not only because man had sinned with the flesh and with the flesh I was to Expiate, but because he lacked the eyes to be able to see My Divinity. This is so True, that My Divinity, that Dwelled within My Humanity, could only unleash, through glimpses and flashes, a few *Rays of Light from My Divinity*. See then, what great evil sin is: it is for man to lose his Round around His Creator, to annul the Purpose of his Creation, to be transmuted from *Light* into darkness, from Beautiful into ugly. It is such a great evil, that with all My Redemption I could not Restore in him the Eyes to be able to See My Divinity in his mortal flesh, but only when this flesh, undone and pulverized by death, would *Rise Again* on the Day of Judgment. What would happen if the whole Creation could fall short in its revolution around the *sun*? All things would be upset, would lose *Light, Harmony, Beauty*; each one would bump against the other; and even if the sun were present, because they would not be revolving around it, the *sun* would be as though dead for the whole Creation. Now, because of original sin, man lost his Round Around His Creator, and therefore he lost the *Order, the Dominion* of himself, the *Light*. And every time he sins, not only does he not Revolve around his God, but he makes his stops around the Goods of Redemption that, like *New Sun*, came to bring him Forgiveness, Escape, Salvation. But do you know who it is that never stops in her Round? The soul who Does *My Divine Will* and *Lives* in It. She always Runs, she never stops, and she receives All the Reflections of My Holy Humanity, and also the Flashes of *Light of My Divinity*.”

V16 – 11.5.23 – “...do you know where I, Jesus, Find My *True Requital*? In the soul who Lives in *My Divine Will*. As I Descend into her heart, immediately I Consume the Accidents of the Host, because I Know that More Noble Accidents, More Dear to Me, are ready to Imprison Me, so as not to let Me go out of that heart, that shall Give Me, not only *Life* within itself – but *Life for Life*. I shall not be alone, but with My *Most Faithful Company*. We shall be *Two Hearts Palpitating Together*, we shall *Love United*, our *Desires* shall be One. So, I remain in her, and there I, Jesus, Live *Life, Alive and Real*, just as I do in the *Most Holy Sacrament*. But do you know what these Accidents are, that I Find in the soul who Does *My Divine Will*? They are her Acts done in *My Divine Volition* that, more than accidents, lay themselves around Me and Imprison Me, but inside a *Noble and Divine Prison*, not a dark one, because her Acts done in *My Divine Will*, more than *sun*, **Illuminate** her and Warm her. Oh! how Happy I Feel to Form My *Real Life* in her, because I Feel as if I were inside *My Celestial Royal Palace*. Look at Me inside your heart - *how Happy I AM, how I Delight and Feel the Purest Joys*.”

V16 – 2.18.24 – “See, you know the *light* of the *sun*, it is *true*. Indeed you receive its *light* and its heat as much as you want; but more *light* surpasses you - so much as to fill the whole earth. If you wanted more *light*, the *sun* would give it to you – even all of it. Now, all the *light* of the *sun* tells you My ‘*I Love you*’, both that which is near and that which is far. Even more, as it covers the earth, it carries the little sonata of My ‘*I Love you*’ for you. And yet, you know neither the paths that the *light* covers, nor the lands it **illuminates**, nor the people who enjoy the beneficial influence of the *solar ray*. But even though you do not know everything that the *light* does, you are in that *same light*, and if you do not take it all, it is because you lack the capacity to be able

to absorb it into yourself; but in spite of this, you cannot say that *all the light of the sun* does not say to you: *'I Love you'*. On the contrary, it makes a greater display of *Love*, because, as it invades the earth, it keeps Narrating My *'I Love you'* to all."

V16 – 5.24.24 – "*The Doctrine of My Divine Will* is more than crystal clear water drawn from Limpid Fount of *My Divinity*; it is more than refulgent *sun* that **illuminates** and warms; it is Most Clear Mirror, and whoever shall have the Great Good of being able to *Reflect* himself in this *Celestial and Divine Doctrine*, shall be stirred and shall feel within himself all the Goodwill to be Purified of his stains, so as to be able to Drink in Large Gulps from this *Celestial Doctrine*, and therefore be Embellished by *Divine Adornments*."

V17 – 10.17.24 – "My Love for the creature makes itself as more than the *sun* that I Formed in the azure heavens; even more, the *sun* I Created for the benefit of the human nature is nothing other than the shadow of *My True Sun*. In fact, the sun of the atmosphere does not form the plants, nor does it give them water so as not to let them wither; nor does it provide all those aids that are necessary so that the plants may grow beautiful and strong, and men, even if blind, may enjoy its light. It only does its office of **illuminating** and warming, and it moves on; and if the plants are not watered, it can do nothing to communicate its effects to them; rather, it withers them even more. On the other hand, *I, Who Am the True Sun* of souls, do not leave them, either at night or at daytime. I Myself *Form* the souls; I Give them the *Water of My Grace* so as not to let them wither; I Nourish them with the *Light of My Truths*;..."

V17 – 1.22.25 - "My daughter, this *Sun* that you see within the Intelligence of My Holy Humanity, was Formed by *My Divinity*, that Endowed Me with the *Creative Power* and the All-Seeingness of all things, in Such a Way that I, Jesus, was to be the *New Sun* of souls. And just as the *sun* that I Created for the Good of nature, covers the whole earth with its *light*, without denying the effects of its *light* to anyone, though it does not depart from the heavens, but unleashes from its center the *rays* that bring upon earth the Goods that the *sun* contains – in the Same Way, without departing from Me, with Its *Inaccessible Light*, *My Divinity Formed* in Me Spokes of *Light*. And these *Rays Covered* everyone and everything; and I, at each instant, Covered each thought, word and act of all creatures, and Constituted Myself *Perennial Glory* to My Father for each thought, act, word, etc., of all human generations. While Rising to the Celestial Father, this *Light* Descended to take, as though in Its *Power*, all human acts in order to **illuminate** them, Warm them and *Repair* them. So, over each human act Hovers a *Light* that Wants to do Good to it, continuously. In Me, doing this was as though Natural. You, My daughter, do not have this *Power* to make One Single Act out of all Acts, as I Did. Therefore, in My Divine Will you shall go through each *Ray*, One by One; and, little by little, you shall follow the Same Path as My Holy Humanity."

V17 – 5.4.25 – "I Enclosed in you *My Divine Will*, and, with It, I *Enclosed Myself*. I *Enclosed* in you *Its Knowledges, Its Secrets, Its Light*. I Filled your soul up to the brim; So Much So, that what you write is nothing other than the Outpouring of what you *Contain of My Divine Will*. And even though it now serves you alone, and a few Glimmers of *Light* serve a few others, I AM content because, being *Light*, more than *Second Sun*, it shall Make Its Way by Itself, in order to

Illuminate the human generations and to bring about the *Fulfillment of Our Works*: that Our *Divine Will be Known and Loved, and that It Reign as Life* in the creatures. This was the *Purpose of Creation* – this, *Its Beginning*, and this shall be the *Means and the End*.”

Talk # 5

V18 – 8.15.25 – “My daughter, all Created things were made for man, and all of them run toward man. They have no feet, but they all walk, they all have motion, either to find him, or to be found. The *light of the sun* departs from the height of the heavens in order to find the creature, **Illuminate** him and Warm him.”

“...So, it is *My Divine Will* that walks constantly toward the creature within Created things; It never stops, It is all Motion toward the one whom *It Loves So Much*.”

V18 – 11.12.25 – “It shall happen as with the *sun* that, because it possesses such great *fullness of light*, can easily take the whole earth as though in its power, warm it, **Illuminate** it and fecundate it, in such a way that all may know, some more, some less, the good it does by bringing its *light* to all. But if the *sun*, in the height of its sphere, were poor in *light*, the *light* that descends down below could not fully **Illuminate** all the earth. At the most, some small portion of the earth that rotates closer to the *sun*. And if to the *sun*, that was to **Illuminate** the earth naturally, I gave such *fullness of light* for the good of all generations, much more do I Want to Fill with *Fullness of Light the Sun of My Will*, that Must **Illuminate** souls, Warm them, and cast into them the Fecundity of the *Seed of Divine Sanctity*. Just as I Chose Adam as the head, just as I Chose a point in the heavens in which to fix the *center of the sun* that was to **Illuminate** the earth, so did I, *Jesus, Choose you, Luisa as the Center of the Sun of My Divine Will*; and the *Fullness of Light* Must be So Great, that all may be able to Enjoy It and be Invested by this *Light*, and each one may Make it his own. This is why your *Complete Acts in My Divine Will* are needed, as well as the *Knowledge* that I keep Manifesting to you, in order to *Form the Fullness of this Light*.

“...There is not one act in which I do not want to find you. I would not be satisfied nor content if I did not find you in All the acts of creatures that have been done and shall be done; nor would you be able to say that you have completed Everything in *My Divine Will* - you would lack something of the *True Living in My Divine Will*. Therefore, Be Attentive, if you want the *Fullness of Light* to be enough as to be able to **Illuminate** All peoples with the *Sun of My Divine Will*. One who Wants to Give *Light* to All Must Embrace All as though in One Single Embrace, by making himself *Life and Substitution of Everything and of Everyone*.”

V19 – 8.9.26 – “*My Divine Will* Makes the soul Grow *Straight*, in Such a Way that she cannot bend toward the earth, but she always *Looks at Heaven*. Her constant *Looking toward Heaven* Forms many Exhalations of *Light* that *Envelop* her Completely. This *Cloud of Light* is so thick that, Eclipsing All the things of the earth, It makes them All disappear, and, in Exchange, It makes reappear for her Everything that is *Heaven*. So, it can be said that *Heaven* is what she *Knows*, and all that belongs to *Heaven* is what she *Loves*. *My Divine Will* Renders her step Firm, therefore there is no danger that she might stagger, even slightly; and the Beautiful *Endowment* of a Healthy *Reason* is so **Illuminated** by the *Light* that *Envelops* her, as to move from one *Truth* to another. This *Light* uncovers for her *Divine Mysteries, Ineffable Things, Celestial Joys*.”

V19 – 5.27.26 – “If the *light* of the *sun* were divisible, for how long would the *sun* have been poor in *light*, having no more strength to **Illuminate** all the earth. One could say: ‘divided *light* – desolate earth.’ So, the *sun* can sing *victory* and it possesses all its strength and its effects thanks to the *unity of its light*; and if the earth receives so many admirable and innumerable effects, to the point that the *sun* can be called the *life* of the earth, everything comes from the *unity of the light it possesses*, that, after so many centuries, has lost not even one atom of *light* that was Entrusted to it by God, and therefore it is always triumphant, majestic and fixed, and always stable in its *light*, in Singing the Praises of *the Triumph and the Glory* of the *Eternal Light* of its Creator.

Now, My daughter, the *sun* is the symbol of *My Eternal Will*; and if this symbol Possesses the *Unity of Light*, Much More so does *My Divine Will*, that is not a symbol, but the *Reality of Light*, while the *sun* can be called the budding of the *Inaccessible Light of My Divine Will*. And you have seen Its *Immensity*, and how one does not see a Globe of *Light* like the *sun*, but *Vastness*, such that the human eye cannot arrive at seeing where It Ends or where It Begins. Yet, all this Endlessness of Light is *One Single Act of the Eternal Will*. All this Uncreated *Light* is so compacted together as to become Inseparable, Indivisible; and so, *more than sun*, it Possesses the *Eternal Unity*, in which the *Triumph* of God and of all Our Works is Founded. Now, this *Triumph* of the *Unity of the Supreme Will*, the *Center of Its Dwelling Place*, of *Its Throne*, is the *Center of the Sacrosanct Trinity*. From this *Divine Center* start Its *Most Refulgent Rays*, that *Invest* the whole *Celestial Fatherland*; All Saints and Angels are *Invested by the Unity of My Divine Will*, they All Receive Its Innumerable Effects, and Abducting them all to Itself, It Makes of them *One Single Unity with the Supreme Unity of My Divine Will*. These *Rays* Invest the Whole Creation and Form Its *Unity* with the soul who *Lives in My Divine Will*. Look: the *Unity of this Light of My Divine Will* that *Resides in the Center of the Three Divine Persons* is already Fixed in you, Luisa; so, *One is the Light* and the *Act*, *One is the Will*. Now, while you do your Acts in this *Unity*, they are already Incorporated in that *Single Act of the Center*, and the *Divinity* is already with you, *Doing what you do*. The Celestial Mama, the Saints and Angels, and the Whole Creation – All in Chorus Repeat your Act, and Feel the *Effects of the Supreme Will*. Watch - listen to the *Prodigy never before seen* of that *Single Act* that *Fills Heaven and earth*, with the very *Trinity Unifying Itself* with the creature and placing Itself as the *Primary Act of the Act of the creature*. ”
