

Luisa and Illuminate in the Divine Will – Part II

Talk # 1

V19 – 5.27.26 – “If the light of the sun were divisible, for how long would the sun have been poor in light, having no more strength to **Illuminate** all the earth. One could say: ‘divided light – desolate earth.’ So, the sun can sing victory and it possesses all its strength and its effects thanks to the unity of its light; and if the earth receives so many admirable and innumerable effects, to the point that the sun can be called the life of the earth, everything comes from the unity of the light it possesses, that, after so many centuries, has lost not even one atom of light that was Entrusted to it by God, and therefore it is always triumphant, majestic and fixed, and always stable in its light, in Singing the Praises of the Triumph and the Glory of the Eternal Light of its Creator.

Now, My daughter, the sun is the symbol of My Eternal Will; and if this symbol Possesses the Unity of Light, Much More so does My Divine Will, that is not a symbol, but the Reality of Light, while the sun can be called the budding of the Inaccessible Light of My Divine Will. And you have seen Its Immensity, and how one does not see a Globe of Light like the sun, but Vastness, such that the human eye cannot arrive at seeing where It Ends or where It Begins. Yet, all this Endlessness of Light is One Single Act of the Eternal Will. All this uncreated Light is so compacted together as to become Inseparable, Indivisible; and so, more than sun, it Possesses the Eternal Unity, in which the Triumph of God and of all Our Works is Founded. Now, this Triumph of the Unity of the Supreme Will, the Center of Its Dwelling Place, of Its Throne, is the Center of the Sacrosanct Trinity. From this Divine Center start Its Most Refulgent Rays, that Invest the whole Celestial Fatherland; all Saints and Angels are Invested by the Unity of My Divine Will, they all receive Its Innumerable Effects, and Abducting them all to Itself, It Makes of them One Single Unity with the Supreme Unity of My Divine Will. These Rays Invest the Whole Creation and Form Its Unity with the soul who Lives in My Divine Will. Look: the Unity of this Light of My Divine Will that Resides in the Center of the Three Divine Persons is already Fixed in you; so, One is the Light and the Act, One is the Will. Now, while you do your Acts in this Unity, they are already Incorporated in that Single Act of the Center, and the Divinity is already with you, Doing what you do. The Celestial Mama, the Saints and Angels, and the Whole Creation – all in Chorus Repeat your Act, and feel the Effects of the Supreme Will. Watch - listen to the Prodigy never before seen of that Single Act that Fills Heaven and earth, with the

very Trinity Unifying Itself with the creature and placing Itself as the Primary Act of the Act of the creature.”

V19 – 8.22.26 - “My daughter, there is nothing more Penetrating than Light. It Diffuses everywhere with Enchanting Rapidity, bringing its Beneficial Effects to all those who let themselves be Invested by it. The Light refuses to do its Good to no one, be they people, earth, water, plant or other things; Its Nature is to **Illuminate** and to do Good, and therefore it leaves no one behind – to all it brings Its Kiss of Light and gives the Good it contains. My Divine Will is More than Light; It Diffuses everywhere and brings the Good It contains; and the Acts done in It Form the Atmosphere of Gold and Silver that has the Virtue of emptying all the darkness of the night of the human will, and with Its Beneficial Light, It brings the Kiss of the Eternal Volition, to dispose the creatures to wanting to Come into the Kingdom of the Supreme Fiat. Each Act of yours done in It is a New Horizon that you Make Arise for the eye of the human intellect, to make it long for the Light of the Good that My Divine Will Possesses.”

V20 – 10.9.26 - I was doing my Round in the Supreme Volition according to my usual way, and my Sweet Jesus showed a Globe of Light within my interior; and as I repeated my Acts in the Divine Fiat, it became larger, and the Rays that came out of it became longer. And my always Beloved Jesus told me: “My daughter, the more often you go Around in My Divine Will in order to repeat your Acts, the larger the Sphere of this Globe of Light becomes; and the More Power of Light it Possesses, the More Its Rays can Extend, that Must **Illuminate** the Kingdom of the Eternal Fiat. Your Acts, Fused – Dissolved in My Divine Will, shall Form the Special Sun that Must **Illuminate** a Kingdom so Holy. This Sun shall Possess the Creative Strength, and as it extends Its Rays, It shall leave the Mark of Its Sanctity, of Goodness, of Light, of Beauty and of Divine Likeness. Those who shall let themselves be **Illuminated** by Its Light shall feel the Power of a New Continuous Creation of Joy, of Contentment’s and of Goods without end.

Talk #2

“...the Supreme Will is now hindered by their own ‘self’; but when It becomes Known, Its Rays, Vivifying, Penetrating and Full of Vivid Light, shall Eclipse the human will, that shall be Dazzled by Its Refulgent Light, and in seeing the Great Good that Comes to it, it shall give Freedom of Action to My Divine Will, giving It Total Dominion.

“...while I was praying, I saw that my Highest Good, Jesus, was Coming Out in a great hurry from the depth of my interior, pushing a Bundle of Light that was above Him, and kept Him as though Eclipsed under It, inside of me, preventing me from seeing Him. So, pushing It hurriedly, He came out, and I said to Him: ‘My Jesus, what is it that You are in such a hurry?’

“...You know, even from within you I heard the father who took our Writings with him speak about My Divine Will to those who surrounded him, with so much Love that I felt Wounded Deep into My Heart. So I wanted to Come Out of you in order to listen to him. Those are My own Words that I have Spoken about My Divine Will that Resound to My Hearing. I Hear My own Echo, and therefore I Want to take all the Delight in listening to him, and I Want to let you take it as well, as a reward for the sacrifices you have made.” At that moment, I saw a Ray of Light Coming Out of Jesus, that Extended So Much as to reach the place where the Reverend Father was; and, Investing him, It made him speak, and Jesus was all Consoled in Hearing him Speak about His Adorable Will.

V20 – 10.13.26 – “Look at the sky - it is an image of this. If you look at it at night, you see it studded with stars; but if you look at it during the day, the stars no longer exist for the human eye. However, they are still at their place in the sky, just as at nighttime. Who had this strength to make the stars disappear, though they are present in the full daylight? The sun. With the strength of its light, it eclipsed them, but did not destroy them; and this is so True that, when the sun begins to set, so do they return to make themselves seen in the vault of the Heavens. It seems that they are afraid of the light, and they hide to give field to the action of the light of the sun, because, in their mute language, they know that the sun contains more effects of goods for the earth, and it is right that they give field to the great action of the sun; and so, as homage to it, they let themselves be eclipsed by its light. But as the eclipse ends, so do they make themselves be seen – present at their place. So it shall be between the Sun of the Knowledges about the Supreme Fiat and the human wills that shall let themselves be **Illuminated** by these Rays of Light of My Knowledges: these shall bring the Eclipse to the human wills that, in seeing the Great Good of the Action of Its Light, shall feel ashamed and afraid to act with the human will, and shall give Free Field to the Action of the Light of the Divine Will. Therefore, the more you Pray and Suffer in It, the More Knowledges you draw to be Manifested to you, and the Stronger the Light becomes, so as to be able to Form the Sweet Eclipse for the human will. In this Way, I shall be able to Establish the Kingdom of the Supreme Fiat.”

V20 – 10.22.26 – “My Word is like Mighty Wind that Runs, Pounds on the hearing, Enters into the hearts, Warms, Purifies, **Illuminates**, goes Round and Round from nation to nation; It Covers the whole world, It wanders throughout all centuries. Who could ever give death and bury One Word of Mine? No one. And if sometimes it seems that My Word is Silent and is as though Hidden, It never loses Its Life. When least expected, It Comes Out and goes Around everywhere.”

V20 – 10.26.26 - “My daughter, see how all the Acts I Did in Redeeming man, and even the Miracles I Performed during My Public Life, had no other Purpose but to Call Back the Kingdom of the Supreme Fiat into the midst of creatures; and in the Act of doing them, I asked My Celestial Father to Make It Known and to Restore It in the midst of the human generations. If I gave sight to the blind, My *First Act* was to put to flight the darkness of the human will - the Primary Cause of the blindness of the soul and of the body, so that the Light of My Divine Will might **Illuminate** the souls of many blind, and they might obtain the Sight to look at My Divine Will in order to Love It, and their bodies also might be exempt from losing the sight.”

V20 – 10.29.26 – “I Loved man in the sun - not the sun, and therefore I placed in it Love of Necessity, because the sun was Necessary for the earth, having to serve the plants and the well being of man; Love of Light, that was to **Illuminate** him; Love of Fire, that was to Warm him; and all the Effects that this sphere produces, that are Innumerable – a continuous Miracle placed in the Vault of the Heavens, that Descends with its light for the good of all. I Centralized so many Specialties of Love toward man in the sun, for as many goods and effects as it produces.”

V20 – 11.10.26 – “While you follow Its Acts, you receive the Reflection of the Heavens, and the Heavens are Formed and Extended in you; you receive the Reflection of the sun, and the sun is Formed in you; you receive the Reflection of the sea, and the sea is Formed in you. You receive the Reflection of the wind, of the flower, of all nature – in sum, of everything; and, oh! how the Heavens that protect, the sun that **Illuminates**, Warms and Fecundates, the sea that Inundates and Forms its waves of Love, of Mercy, of Grace and of Strength for the Good of all, the wind that Purifies and brings rain over the souls burned by passions, the Flower of the Perpetual Adoration to your Creator, Arise from the depth of your soul. This is why it is the Prodigy of Prodigies; the Living in My Divine Will is the True Triumph of the Supreme Fiat – because the soul becomes the Reflector of her Creator and of all Our Works. In fact, only when It places in the soul what It Can and Knows how to

do – then does Our Will Triumph Completely. It wants to see in her not only the One Who Created her, but all of His Works; It is not content if she lacks even the slightest thing that belongs to It. The souls of the Supreme Fiat shall be Our Works – not incomplete, but Complete; they shall be the New Prodigies never before seen or Known, either by the earth or by Heaven. What shall not be the Enchantment, the Surprise of the very Blessed, when they see the *First daughter* of the Divine Fiat Enter their Celestial Fatherland? What shall their Contentment, their Glory not be, in seeing her Carrying her Creator with her, with all of His Works – the Heavens, the sun, the sea, all the flowery earth with its varied Beauties? They shall recognize in her the Complete Work of the Eternal Will, because It alone Can Make these Prodigies and these Complete Works.”

V20 – 12.28.26 – “In all the Sayings, Truths, Examples, that I Make you write on paper, I Make Flow the Dignity of My Celestial Wisdom, in Such a Way that those who read them, or shall read them, if they are in Grace, shall feel within themselves My Tenderness, the Firmness of My Speech and the Light of My Wisdom, and, as though in between Magnets, they shall be drawn into the Knowledge of My Divine Will. Those who are not in Grace, then, shall not be able to deny that It is Light; and Light always does Good, It never does harm; It **illuminates**, It Warms, It makes one discover the Most Hidden things and moves one to Love them. Who can say he does not receive good from the sun? No one. More than sun, I AM Issuing these Writings from within My Heart, that they may do Good to all. This is why I have So Much Interest that you write – because of the Great Good I Want to do to the human family; So Much So, that I look upon them as My own Writings, because it is always I the One Who Dictates, and you are the little Secretary of the Long Story of My Divine Will.”

V21 – 4.12.27 – “Now, while I was doing this, I looked at the sky, that was strewn with white and **Luminous** clouds, and my Sweet Jesus, moving in my interior, told me: “My daughter, look at these clouds - how beautiful they are; how they clothe the sky and form a beautiful ornament for the azure vault. But who was it that dispelled the darkness, and put to flight obscurity and black shadows from within those clouds, transforming them into white and radiant clouds? The sun. By investing them with its light, it made them lose their darkness and transformed them into clouds of light. So, they are clouds - but no longer clouds that cast darkness and obscure the earth; but rather, clouds that give light. And while before the sun invested them, they seemed to disfigure the sky with their obscurity, taking the beauty of its azure away

from it, now they pay honor to it, and form a beautiful ornament. Now, My daughter, Pains, Mortifications, My Privations, Painful Circumstances, are like clouds for the soul, that give darkness. But if the soul lets everything Flow in My Divine Will, more than sun, My Divine Will Invests them and Converts them into Clouds of Most Radiant Light, in Such a Way as to Form the Most Beautiful Ornament for the Heaven of the soul. In My Divine Will all things lose their dark side that oppresses and seems to disfigure the poor creature, and everything serves to give her Light and to Adorn her with Radiant Beauty. And I keep repeating to all Heaven: ‘Look at her - how Beautiful is the daughter of My Divine Will, Adorned with these White and Radiant Clouds. She Nourishes herself with Light, and My Divine Will, Investing her with Its Light, Converts her into Most Splendid Light.’

V21 – 4.16.27 – “The whole Church takes from My Life, Drinking Her Fill at the Fount of My Doctrine. Each Word of Mine is a Fountain placed at the Mouth of each Christian; Each One of My Examples is more than sun that **illuminates**, Warms, Fecundates, and makes the Greatest Sanctities Mature. If one wanted to compare all the Saints, all the Good, all of their pains and their heroism, placed before My very short Life, they would always be tiny little flames before the Great Sun. And since the Divine Will Reigned in Me, all the Pains, the humiliations, confusions, contrasts, accusations that the enemies gave Me during the Course of My Life and of My Passion – everything served to their own humiliation and to their own greater confusion. In fact, since a Divine Will was in Me, it happened with Me as with the sun, when the clouds, extending through the lower air, seem to want to give affront to the sun by obscuring the surface of the earth, covering momentarily the vividness of the solar light. But the sun laughs at the clouds, because they cannot have Perennial Life in the air – their life is fleeting; a small wind is enough to make them dissolve, while the sun is always triumphant in its fullness of light that dominates and fills the whole earth.

The same happened with Me. Everything that My enemies did to Me, and even My very Death, were like many clouds that Covered My Humanity. But the Sun of My Divinity they could not touch; and as soon as the Wind of the Power of My Divine Will Moved, the Clouds dissolved and, more than sun, I Rose Again, Glorious and Triumphant, leaving the enemies more humiliated than before. My daughter, in the soul in whom My Divine Will Reigns with all Its Fullness, minutes of Life are centuries – and centuries of Fullness of all Goods; while wherever It does not Reign, centuries of Life are only minutes of Goods that they contain. And if the soul in whom My Divine Will Reigns should suffer humiliations, contrasts and pains, these

are like clouds that the Wind of the Divine Fiat unloads over those who, to their own humiliation, have dared to touch the Bearer of My Eternal Volition.”

Talk #3

V22 – 6.20.27 - “My daughter, the earth, Created by God as Fertile and Beautiful, with a Most refulgent sun that **Illuminated** it and delighted it, became full of thorns and all stony because of sin; the human will put to flight the Sun of My Divine Will, and thick darkness covered it. And I keep you alive because you Must remove all the stones from the earth and render it Fertile again. Each act of the human will has been a stone that covered the beautiful earth Created by Me; each venial sin has been a thorn, each grave sin has been a poison, and each Good done outside of My Divine Will has been like sand scattered over the land that, invading it completely, prevented the vegetation of even the smallest plant or some blade of grass that might sprout from underneath the stones. Now, My daughter, each Act of yours done in My Divine Will Must remove one stone – and how many acts it takes to remove them all! And by never giving Life to your will, you shall call back the Refulgent Rays of the Sun of the Supreme Fiat to Shine over these tenebrous lands, and these Rays shall call the Mighty Wind of Grace that, with Empire, shall stir all that sand – that is, all that Good done neither to do My Divine Will, nor in It, nor out of Love for Me, but Good done to earn human esteem, glory and interest. Oh! how heavy this apparent Good is – more than sand that prevents the vegetation of souls and renders them so sterile as to arouse pity. Then, the Sun of My Divine Will, with Its Fecundity, shall change the thorns into Flowers and Fruits, and the Wind of My Grace shall be the Counter-poison and shall Pour Life into souls.”

V22 – 6.26.27 – “Light brings Us the Joy of Light, and Beauty, Tempering the Vividness of Light, brings Us the Happiness of what is Beautiful, Good, Holy, Immense; It Braids all of Our Qualities and Renders them all Beautiful, Lovable and Admirable for Us.

“...everything that can be seen in Creation is nothing other than Outpourings of the Abundance of Light, of Heat, of Freshness, Beauty and Strength that We Possess within Ourselves; and these Outpourings were Released by Us in order to Nourish and Delight the creatures with Our own Outpourings, in Such a Way as to Render them Happy; and by dint of Nourishing themselves with Our Qualities, creatures would become Similar to Us, and would be Bearers of Happiness and of Joys to their Creator. How Beautiful it was to be, to see them **Luminous** like sun;...”

V22 – 8.28.27 - “My daughter, *You Must Know* that My Divine Volition cannot admit the Acts of My Divine Will into the creature if It does not find Itself, because creatures lack the Capacity, the Dignity, the Sanctity, the Space to be able to contain even a Single Act of the Supreme Will. And this is another of Its Sorrows; but by the Nature of Its Goodness It Communicates Its Effects. It happens as to the sun, that communicates its effects to the earth, but does not remain in it, otherwise the earth would become radiant and **Luminous**, while, after the sun has passed by, it remains the dark body it is. However, the effects serve to preserve it and to make it produce plants, flowers and fruits.

“...The same happens for the Acts of My Divine Will: It wants to give Itself so that the creature may become Sun, in order to be able to Form Its Life; but not finding Its Will, in Its Sorrow, taken by the Excesses of Its Goodness, It Communicates Its Effects, that serve to Preserve the Object of Its sorrows. No one can tell you what Value, what Power, what Sanctity, Light and Immensity One Act of My Divine Fiat contains, except for your Jesus; and only one who Possesses a Divine Volition can contain Its Acts. Therefore, only the Fiat can Raise the creature to the Divine Sanctity and Nobility that gives her the Likeness of her Creator; all others, however good and praised because of their ability, ingenuity, doctrine, industriousness, shall remain always like earth that, possessing neither the Fount of Light nor of Water, shall be given, as poor beggars, the Effects of My Supreme Will.”

V23 – 9.17.27 – “If you look at all Creation, you shall find It all Full of Crosses Formed by the human will. Look at the sun: My Divine Will brings its light to creatures, and they take its light but do not recognize who it is that brings this light; and My Divine Will receives so many Crosses in the sun for as many as are those who do not recognize It, who, while they enjoy the light, use that very light to offend that Divine Will that **Illumines** them. Oh! how hard and painful it is to do Good and not to be recognized.”

V23 – 11.23.27 - My abandonment in the Divine Fiat alone is my Life, my Support, my all. My Sweet Jesus hides more and more, and I remain only with this Divine Will so Holy, Immense, so Powerful, that, at each of Its Motions, Spouts and Emits from Itself a Sea of Light, that Forms Its **Luminous** and Endless Waves. My littleness gets lost, though it comprehends that there is much to do in order to follow Its Innumerable Acts within so Vast a Sea;...

“My daughter, My little daughter, ... if you get lost, it is always in My Divine Will that you remain – never outside of It; nor could I tolerate that you went out of

Its Boundaries by a single step. No, no, the little daughter of My Divine Will shall always be in Its Arms.”

V23 – 12.8.27 – “My daughter, what is human does not know how to do Great things, nor give Great things; so, the Celestial Queen would have remained the little light, had She not put Her human will as though aside, that was the little light, and had She not let Herself be Invested by My Divine Will, dissolving Her little light in It, that is not little Light, but Endless Sun that, Investing Her Completely, Formed Seas of Light around Her, of Grace, of Sanctity, and Embellished Her So Much as to Render Her All Beautiful, with all the Shades of the Divine Beauties, such as to Enamor the One Who had Created Her.

Her Immaculate Conception, though Beautiful and Pure, was always little light; it would have had neither the Power nor sufficient Light to be able to Form Seas of Light and of Sanctity, if Our Divine Will had not Invested the little light in order to convert it into Sun, and if the little light, that was the human will of the Celestial Sovereign Lady, had not contented itself with becoming Dissolved in the Sun of the Divine Fiat to let itself be Dominated by It. This was the Great Portent – the Kingdom of My Divine Will in Her; with It, everything She did became Light. She Nourished Herself with Light; nothing came out of Her that was not Light, because She had the Sun of My Divine Will in Her Power, that was such that She could draw from It as much Light as She wanted to draw. And since the Property of the Light is to Diffuse itself, to Dominate, to Fecundate, to **Illuminate**, to Warm, this is why the Height of the Sovereign Queen, with the Sun of My Divine Will that She Possessed, Diffused Herself in God and, Dominating Him, She bent Him to Descend upon earth, She became Fecund of the Eternal Word, She **Illuminated** and Warmed the human kind. It can be said that She did everything by Virtue of the Kingdom of My Divine Will that She Possessed.”

V23 – 3.8.28 - “My daughter, if you knew how much I Love these Writings.... They cost Me more than the very Creation and Redemption. How much Love and Work I have put into these Writings - they cost Me very, very much; in them there is all the Value of My Divine Will. They are the Manifestation of My Kingdom and the Confirmation that I Want the Kingdom of My Divine Will in the midst of creatures. The Good that they do shall be Great; they shall be like Suns that shall Rise in the midst of the thick darkness of the human will; like Lives that shall put to flight death for the poor creatures. They shall be the Triumph of all My Works, the Most Tender, the Most Convincing Narration of how I Loved and do Love man. Therefore, I Love

them with such Jealousy, that I shall keep them in My Divine Heart, nor shall I permit even a Single Word to be lost. What have I not put into these Writings? Everything – Superabundant Grace, Light that **illuminates**, Warms, Fecundates; Love that Wounds, Truths that Conquer, Attractions that Enrapture, Lives that shall bring about the Resurrection of the Kingdom of My Divine Will. Therefore, you too, appreciate Them, and hold Them in that Esteem that They Deserve, and Delight in the Good that They shall do.”

V24 – 7.7.28 – “So, by Virtue of My Divine Will, the human will Transfused Light outside, and Emitted the Fragrances of its Creator – Fragrances of Beauty, of Sanctity and of Full Health; Fragrances of Purity, of Strength, that were such as to Come Out from within his human will like many **Luminous** Clouds. And the body was so Embellished by these Exhalations, that it was a Delight to see him Beautiful, Vigorous, **Luminous**, so very Healthy, with an Enrapturing Grace.

V24 – 7.23.28 - “My daughter, the soul in whom My Divine Will is Present is the **Luminous** Point in the world. Just as a sun can be seen under the Vault of the Heavens, that invests the earth with its rays, and penetrating everywhere with its life of light, embellishes, colors, fecundates the whole earth, so can another Sun, More Beautiful, More Refulgent, be seen in that Point of the world – that is, in the soul in whom My Divine Will Reigns – and Its Rays Extend and Expand So Much as to Embrace everything and everyone. How Beautiful it is to see from Heaven these **Luminous** Points in the depth of the earth. It no longer seems earth – but Heaven, because there is the Sun of My Fiat. Its Rays Embellish, Fecundate and Scatter Such Variety of Divine Colors as to Communicate the Varieties of Beauties of the Creator with Its Life of Light. Wherever these **Luminous** Points are Present, the current of evil is stopped; My Justice Itself feels Disarmed by the Strength of this Light, and changes the scourges into Grace. These Points are the Smile of the earth; their Light is Herald and Bearer of Peace, of Beauty, of Sanctity, of Life that never dies. They can be called the Fortunate Points of the earth, because in their midst there is the Light that never dims, the Life that always Rises; while where these **Luminous** Points are not present, the earth is obscure, and if any Good is done, it is like those little Lights that have no Rays, because the Source of the Light is missing in that Good, and therefore it has no Strength nor Virtue to Extend and to Expand. And since the source is missing, they are subject to becoming extinguished, and the earth remains obscured, as though buried in thick darkness, because the human will is herald and bearer of evils, of disturbances, of disorder, and the like.”

V24 – 8.26.28 - “My daughter, just as the Lightning is unleashed by the clouds and **Illuminates** the earth, and then it withdraws again into the womb of the clouds to light up the earth very often with its light; in the Same Way, the soul who Lives in My Divine Will, as she Operates, unleashes her Lightnings from the womb of her humanity, and Forms More Light in the Sun of My Divine Fiat. Not only this, but she Lights up the earth from the darkness of the human volition. However, the Lightning that the clouds unleash is limited light, while the Lightning Produced in My Divine Will is without limits, and within Its Light It carries the Knowledge of It. In fact, Operating in My Divine Will contains the Universal Strength, and therefore One Strength - New Creation, Divine Life; so, as she does her Act of Lightning, all the Doors of My Works Open to receive the New Creation and the Lightning of Light of the Operating of the creature in My Fiat. Therefore, all My Works feel Renewed and *Twice Glorified*, and so They all Celebrate in feeling the New Creative Strength over Them.”

V24 – 8.30.28 - “My daughter, the Kingdom of My Divine Will is all Prepared within My Humanity, and I AM ready to put It out to give It to creatures. It can be said that I Formed the Foundations, I Raised the Factories; the Rooms are Innumerable and all Adorned and **Illuminated** - not with little lights, but with as many Suns for as many Truths as I have Manifested about the Divine Fiat. Nothing else is needed but those who would Inhabit It; there shall be a Place and Room for everyone, because It is Vast, More than the whole world.”

V24 – 9.16.28 – “And My Divine Will, with Its Light and Heat, shall Repeat the Prodigy of removing the bad humors that the human seed possesses; and in order to be sure, It shall place the Seed of Its Light and Heat, and shall Constitute Itself Life of that Seed. And so they shall Exchange Possession: My Divine Will shall take Possession of the Seed in order to Form in It Its Life of Light, of Heat and Sanctity; and the creature shall return to take New Possession of the Kingdom of My Divine Fiat.

See then, My daughter, everything is ready – nothing else is needed but to Make It Known. And this is why I So Much Yearn that what Regards My Divine Will become Known - to cast into creatures the Desire to Possess a Good so Great, so that My Divine Will, Drawn by their Desires, may Concentrate Its **Luminous** Rays and, with Its Heat, Perform the Prodigy of Giving back the Right to Possess Its Kingdom of Peace, of Happiness and of Sanctity.”

Talk #4

V25 – 11.4.28 - “My daughter, for as many Truths as I have Manifested to you about My Divine Will, so many Lights have unleashed themselves from Our Divine Womb and have Fixed themselves in you, but without detaching from the Center of your Creator. In fact, the Light is Inseparable from God; It Communicates Itself, It Fixes Itself in the creature, and It never loses Its Center, from which It Came Out. How Beautiful it is to see the creature, with all these Lights Fixed in her, that have the Virtue of Making the One Who Created her Arise Again in the creature – and so many times, for as many Truths as are Manifested to her. And since what I have Manifested to you on My Divine Will are Innumerable Truths – so many, that you yourself cannot count them all – many Lights, that is, many **Luminous Rays**, are Fixed in you, that Descend from God, but without detaching from its Divine Womb. These Lights Form the Most Beautiful Ornament in you, and the Greatest Gift you could receive from God. In fact, since these Truths are Fixed in you, they give you Right over the Divine Properties - and so many Rights, for as many Truths as I have Manifested to you. You cannot comprehend the Great Dowry you have been Endowed with by God with these Truths, that, like many Lights, are Fixed in your soul. The Whole of Heaven is amazed at seeing so many Lights in you, all Pregnant with many Divine Lives. And as you Communicate them to other creatures, this Light Winds Its Way, It Fixes Itself in other hearts, but without leaving you, and Forms the Divine Life wherever It reaches. My daughter, what Great Treasure has been Entrusted to you with so many Truths I have told you on My Divine Will; a Treasure that has Its Source in Its Divine Womb, and that shall always give Light without ever ceasing. My Truths are more than sun, that gives light to the earth, invests it, fixes on it; and in fixing on it, it gives birth, on the face of it and for each thing, to the effects and the goods that its light contains. But, jealous, it does not detach its light from its center; and this is so True that, as it moves on to **Illuminate** other regions, the earth remains in the dark. On the other hand, the Sun of My Truths, while it does not detach from its Center, Fixing Itself in the soul, Forms in her the Perennial Day....”

V25 – 12.5.28 - “My daughter, with the soul who Lives in My Divine Will, it is more than if I made the sun descend upon earth. What would happen then? The night would be banished from the earth, it would always be full daylight. And by always having contact with the sun, the earth would no longer be a dark body, but a **Luminous** one, and it would not beg for the effects of the sun, but would receive into itself the very substance of the effects of the light, because sun and earth would live communal life and would form one single life. What a difference is there not between

the sun in the height of its sphere and the earth in its lowness? The poor earth is subject to the night, to seasons, and to asking the sun to form the beautiful flowerings, the colors, the sweetness, the maturity of its fruits. And the sun is not free to display all of its effects over the earth, if the earth does not lend itself to receive them; so much so, that certain points of the earth the sun does not always reach, and other points are dry and without plants.

This is nothing other than a Simile of one who does My Divine Will and Lives in It and one who lives in the earth of her human volition. The *First* Makes Descend, not only the Sun of My Divine Will into her soul, but the Whole of Heaven. Therefore, with this Sun, she Possesses the Perennial Day, a Day that never sets, because the Light has the Virtue of putting darkness to flight. So, the night of passions, the night of weaknesses, of miseries, of coldnesses, of temptations, cannot be there with this Sun; and if they wanted to draw near to form the seasons in the soul, this Sun beats down Its Rays and puts all nights to rushed flight, saying: ‘I am here, and that’s enough – My Seasons are Seasons of Light, of Peace, of Happiness and of Perennial Flowering.’ This soul is the Bearer of Heaven upon earth. On the other hand, for one who does not do My Divine Will and does not Live in It, it is more nighttime than daytime in her soul; she is subject to seasons and to long rainy times, that render her always disturbed and labored; or to long droughts, in which she reaches the point of lacking the vital humors in order to Love her Creator; and the very Sun of My Divine Will, because It does not Live in her, is not free to give her all the Good It Possesses. Do you see What it Means to Possess My Divine Volition? It is to Possess the Source of Life, of Light and of all Goods. On the other hand, one who does not Possess It is like the earth, that enjoys the effects of the light, and like certain lands, that are just barely **Illuminated**, but without effects.”

V25 – 12.21.28 - Jesus kept silent, and at that moment I saw the Heavens opened and a Ray of Light Descend from above, that, Fixing Itself upon me, **Illuminated** those who were around me. And my always Lovable Jesus resumed His Speaking: “Daughter of My Divine Will, this Solar Ray that Fixed Itself upon you is My Divine Will, that brings you the Life of Heaven into your soul. How Beautiful is this Solar Ray, that not only **Illuminates** you and brings you Its Life, but whoever draws near you and remains around feels the Life of Light, because, like sun, It Expands around, and gives to those who surround you the Warm Kiss of Light, of Its Breath, of Its Life. And I feel Happy within you in seeing that My Divine Will Diffuses and begins to Beat Its Way. See, the Seas of Love that you saw are nothing other than My Divine Will Operating. When My Divine Will wants to Operate, the Seas of My Love Swell,

Boil, Form their Gigantic Waves that Cry, Moan, Shout, Pray, Deafen. On the other hand, when My Fiat does not want to Operate, the Sea of My Love is Calm, It only Murmurs Quietly, Its Course of Joy and of Happiness, Inseparable from It, is continuous. Therefore, you cannot comprehend the Joy I Experience, the Happiness I Feel and the Interest I take in **Illuminating**, in offering My very Word, My very Heart, to one who occupies himself with Making My Divine Will Known. My Interest is So Great, that I Envelop him within Myself and, I Myself Overflowing outside of him, I take the floor, and I Myself Speak about My Divine Will Operating in My Love. Do you think that it is your Confessor that speaks, in these evenings in which he is speaking in public about the Nine Excesses of My Love? It is I Who take his heart in My Hands and Make him Speak.”

V25 – 1.13.29 – “And just as in the Kingdom of Redemption I left My Queen Mama in the midst of the Apostles, so that, together with Her, Helped and Guided by Her, they might give start to the Kingdom of Redemption – because the Sovereign Queen of Heaven Knew More than all of the Apostles, She was the Most Interested; it can be said that She kept It Formed within Her Maternal Heart, therefore She could very well Instruct the Apostles in the doubts, in the Way, in the circumstances; She was the True Sun in their midst, and One Word of Hers was enough for My Apostles to feel Strong, **Illuminated** and Fortified – in the Same Way, for the Kingdom of My Divine Fiat, having placed in you the Deposit of It, I keep you in the exile still, so that the Priests might draw from you, as from a New Mother, what can serve as Light, as Guidance, as Help, to give start to Making Known the Kingdom of My Divine Will. And as I see their little interest - if you knew how much I Suffer.... Therefore, pray, pray.”

V25 – 4.4.29 – “One is the Virgin, and therefore Universal Mother and Queen of all. One is your Jesus, and therefore My Redemption Extends everywhere and in a Universal Way; everything I Did and Suffered is at the disposal of all and of each one. One is the little Newborn of My Divine Will, and therefore the whole entire Universe shall receive, in a Universal Way, all the Goods of the Manifestations and Knowledges of My Divine Fiat that, like Sacred Deposit, I have Deposited in you, so that, More than splendid sun, It may Shine Its Innumerable Rays to **Illuminate** the whole entire world. Therefore, everything I tell you contains the Universal Virtue, that shall give Itself to all and shall do Good to all. So, Be Attentive, and always Follow My Divine Will.”

V26 – 5.16.29 – “Each Knowledge Possesses a different Weapon, one different from the other. So, each Knowledge I have given you about My Divine Will Possesses a Special and Distinct Weapon: one Possesses the Weapon of Light in order to **Illuminate**, Warm and Fecundate the Seed of My Fiat;...”

“...and wherever there is a Light, even small, in the creatures, they Fight with Weapons of Light against the darkness of the human will, to Eclipse it and give it the Life of My Fiat; and wherever there is a Seed of Power or of Strength, there Runs the Divine little Soldier with its Weapon of Power and of Strength, to Fight the human power and strength, and make the Power and Strength of My Divine Will Rise Again.”

V26 – 7.27.29 – “So, as you see, the Materials are already Prepared, the Buildings exist - the Knowledges about My Divine Will that, more than sun, Must **Illuminate** Its Kingdom and have vaster Buildings be Raised from the Material Formed by Me. So, nothing else is needed but the peoples that Must Populate this Kingdom of My Fiat; and the peoples shall Form and shall Enter as the Knowledges about It are published.”

V26 – 8.12.29 – “So, who shall put to flight the thick darkening of the human will? Who shall give back to it the Freshness, the Beauty of its Creation? The Acts done in Our Divine Will. They shall be Light that shall dispel the darkness, and Heat that, Molding it with Its Heat, shall destroy in it all the bad humors that have rendered it ugly.

“...many acts are needed, done by the creature in Our Divine Volition, in order to Prepare the Counter-poison, the Beauty, the Freshness, the Act opposite to everything evil that the human will has done. Then shall Our Works in Creation appear all Beautiful; the black speck shall disappear, and it shall Convert into a Point, the Most **Luminous** One, in the midst of the Magnificence of Our Created Works; and Our Divine Will shall take the Dominion of all, and shall Reign on earth as It does in Heaven. Therefore, Be Attentive to Operate in My Divine Will, because for each human act, the Divine Act is Needed, that with Divine Empire, Knocks Down, Purifies and Embellishes with Good the evil done by the human will.”

V26 – 9.8.29 – “Now, My daughter, one who Lives in My Divine Will Renews her Rebirth and Redoubles the Rebirths for all human generations. When My Supreme Will Lives inside a heart and Lays the Fullness of Its Endless Light within it, It

Centralizes everything and everyone, It does everything, It Renews everything, It Gives back all that, for centuries upon centuries, It has not been able to Give through the other creatures. So, this creature can be Called the Dawn of the Day, the Daybreak that Calls the Sun, the Sun that Gladdens all the earth, **Illuminates** it, Warms it, and with Its Wings of Light, more than tender mother, Embraces everything, Fecundates everything; and with Its Kiss of Light, It Gives the Most Beautiful Tints to flowers, the Most Delicious Sweetness to Fruits, Maturity to all plants. Oh! if My Divine Will Reigned in the midst of creatures, how many Prodigies would It not Operate in their midst? Therefore, Be Attentive; everything you do in My Divine Fiat is a Rebirth that you have in It; and to be Reborn in It means to be Reborn in the Divine Order, to be Reborn in the Light, to be Reborn in the Sanctity, in the Love, in the Beauty. And in each Act of My Divine Will, the human will undergoes a death, dying to all evils, and it Lives Again to all Goods.”

V27 – 10.27.29 – “...the sun invests the earth with its light, and it also gives its effects, but the earth does not become sun and the sun does not become earth, because sun and earth do not Fuse together, in such a way as to form Life one within the other, and therefore they are always foreign bodies that do not look alike; and as much as the sun **Illuminates** it, warms it, communicates its admirable effects, since it does not communicate its life nor does the earth surrender its rights of life in the sun, the earth shall always be earth and the sun shall always be sun. Such is the state My Divine Will was and is in: until man surrenders his human will in Mine, Mine cannot cast Its Principle of Life in the human will, the Fusion of One with the other cannot take place, the creature shall always be creature without the Likeness and the Life of her Creator in the depth of her soul, that only My Divine Fiat can Form. Therefore, there shall always be dissimilarity, distance, even though My Divine Volition **Illuminates** it and Communicates to it Its Admirable Effects out of Its Goodness and Liberality, and by the Effect of the Power and Immensity that It Possesses by Its own Nature.”

Talk #5

V27 – 11.20.29 – “Now, daughter of My Volition, *You Must Know* that I AM Order, and therefore all of My Works are Ordered. Look at how Ordered is Creation. The Purpose of Creation was man, yet I did not Create man as *First*; had I done it I would not have been Orderly. Where to put this man? Where to place him? Without the sun that would **Illuminate** him, without the Pavilion of the Heavens that would function as Room for him, without plants that would Nourish him, everything was

disorder, and My Fiat Reordered and Created everything; and after It Formed the Most Beautiful Dwelling, It Created man.

“...I was to make the ancient disordered earth of your human will disappear in order to Call Back the Order of the Divine Fiat in the depth of your interior, that, Making the ancient earth of your whole being disappear, would make Heavens, Suns, Seas of Surprising Truths Rise Again with Its Creative Strength. And you know how all this was Matured through the Cross, through segregating you from everything, Making you Live on earth as if it were not earth for you, but Heaven, keeping you always Absorbed, either with Me, or in the Sun of My Divine Fiat.”

V28 – 8.2.30 - I was thinking about the many Truths that Blessed Jesus had told me on His Divine Will, and that, only to Obey, I had written on paper; and that some people, in reading them, not only are not taken by these Truths, but it seems to me that they hold them as Truths not to be taken into consideration. I felt in pain because of this – that while to me they seem like many Suns, One more Beautiful than the Other, capable of **illuminating** the whole world, for others, instead, it seems that they have not even the Virtue of Warming it and giving it a little bit of Light.

V29 – 7.6.31 – “Now, since My Divine Will Possesses this Continuous Act by Nature, It cannot, nor does It want to change Regime; just as It Gives this Continuous Act of Good in Heaven, so does It Give it to all Creation, and to all creatures and to each one, because all receive Life from this, Its Continuous Act – if It ceased, the Life of all would cease. At the Most, there can be changes of Effects, because It Acts according to the dispositions of each one, and therefore Its same Continuous Act produces for some one Effect, for some another; and there are some who, unfortunately, while being under the Rain of this Continuous Act of Light, of Sanctity, of Beauty and more, remain not even Wet, nor **illuminated**, nor Holy, nor Beautiful, and convert within themselves the Continuous Act of Good into darkness, into passion, and maybe even into sin. But in spite of all this, My Divine Will Never ceases Its Continuous Act of Pouring Its Divine Goods over all, because It finds Itself in the condition of the sun that, even if human beings, or trees, plants or flowers, would not want to receive its light, that could communicate the many admirable effects that its continuous act of light contains – that is, sweetness, flavor, the beautiful iris of all colors – would continue its act of always giving light. But if the sun had Reason, it would cry with tears of burning light for the sorrow of seeing in the great wheel of its light all the goods that in reality it gives, but are not received. My Divine Will is More than sun; It keeps everyone and everything Enveloped within

Its Infinite Light; Its Nature is of always wanting to Give - and in fact It Gives; if everyone took, everyone would be Holy, the world would change into Happiness. But, with Highest Sorrow, Its Goods are not received, but rather, rejected into Its very Light. Yet, It does not stop; with Tender and Insuperable Love It continues Its Continuous Act of Giving what Its Light Possesses.”

V30 – 1.3.32 - “My daughter, My Divine Will is Light, the human will is the dark room in which the poor creature lives. As My Divine Will Enters into this dark room, it remains all Invested by this Light that Illumines everything, even the most remote and little hiding places of the soul. It makes Itself Light of the thought, of the word, of the works, of the steps – but with a Marvelous Variety. The thought takes on a Variety of Colors Animated by the Light; the word takes on another Variety of Colors; the action, the step, other Varieties of Colors. And as she repeats the thought, the word, the action, the step, Animated by the Light of My Divine Will, so are the Tones of the Divine Colors Formed; and the Beauty of it is that they are all Colors Animated by Light. Oh! how Beautiful it is to see the creature Animated by the Iris of Our Divine Colors – it is one of the Most Beautiful Scenes that she presents to Us and makes Us Enjoy. We look at her and We see that those are nothing other than the Reflection of Our Thoughts, of Our Actions, and so forth, that has Formed that Variety of Our Divine Colors; and Our Divine Will Makes Display of Light in the acts of the creature who, with her Sweet Enchantment, Enraptures Us and Makes Us the Spectators of Our Acts; and – oh! how We await with all Love the Repetition of these Scenes so Beautiful and Delightful.”

V30 – 1.30.32 – “*You Must Know* that the Love of this Divine Will of Mine is So Great, that It uses all the Arts: It Acts as a Spy and It Blows Its Breath upon her; It Acts as her Mother and It Rocks her in Its Arms; It Acts as her Sentry and It Watches over her; It Acts as her Queen and It Dominates her; It Acts as Sun to her and It **Illuminates** her; and It offers Itself even to Serve her. And when It wants to Deposit in you Its Knowledges, Its Truths, even just one of Its Words – what does It do? It Blows Its Breath upon you So Much, that *First* It Forms in you Its Basin of Love, of Light, in order to Enclose Its Truths in the Basin of Its Love and Light that It Formed in you. So, It Entrusts Its Truths to Its own Love, to Its Light, Knowing that only Its Love can have True Interest in keeping Them, and in spurring you on so that They may not remain hidden.”

V31 – 7.24.32 – “...if Our Word says Goodness, Divine Will, it is because We want to Give the Gift of Our Goodness and Divine Will, that she may be at the Same Level with Our Goodness and Will, and may keep up the Contest with her Supreme Being. You cannot comprehend what Our Contentment is in seeing the creature Endowed with these Divine Qualities of Ours, of which Our Word is the Bearer. And since it is Our Usual Way to Direct Our Word to one creature, Our Word is yet so Fecund, Powerful and Full of Light as to Act like the sun, Formed by one of Our Words, that in One Blow of Light **Illuminates** all and Gives the Good that the Light Possesses.”

V32 – 6.15.33 - “My daughter, your desire to be Nourished by My Nourishing Word Wounds My Heart, and I, Wounded, Run to you to give you My Divine Nourishment, that I alone can Give you. My Word is Life, and It Forms in you the Divine Life; It is Light, and It **Illumines** you, leaving in you the **Illuminating** Virtue that always gives you Light; It is Fire, and It Makes Warmth Arise within you; It is Food, and It Nourishes you.”

V32 – 8.6.33 – “But while My Sweet Jesus was saying this, He made me see the Celestial Queen, and from within Her Heart came out a Sun that Invaded the Whole Celestial Court, the entire earth, and Its Rays were Formed of Most Refulgent Light, of Speaking Voices that Spoke to God, to the Saints and the Angels, to all the creatures of the earth. So, my Celestial Mama still Possesses Her continued Speaking, Her Speaking Sun, that Speaks to Her God with Voices of Speaking Light, and Loves Him and Glorifies Him in a Divine Manner. It Speaks to the Saints, and Acts toward them as Beatifying Mother and Bearer of Joy to the Whole Celestial Court; It Speaks to the earth and, as Mother, She shows us the Way, to Lead us to Heaven. And my Beloved Jesus added: “See, then, What it Means to Live of Divine Will - one Acquires the Continuous Acting, Speaking, Loving. What Comes Out from within My Divine Will Possesses the Operating, Illuminating and Perpetuating Virtue, and therefore they are Triumphant Acts, that Conquer God.”

V33 – 1.28.34 - ‘My Love, yet one cannot see in the creatures the Fruit of so Great a Universal Good. Oh! if all were to receive it, how many Transformations would occur in the low world! And Jesus replied: “This means that they do not receive it with Love, and their hearts are like sterile earth, with no Generative Seed to which Our Light could bring Fecundity. It happens as to the sun that, though it **Illuminates** and warms all the lands, yet, if it does not find the seed in order to fecundate it, cannot communicate its generative and productive virtue; and even though with its light and

heat it has molded that land, it has received no good, what it was, so it has remained, in its sterility. But in spite of this the sun was left honored and glorified, having given its light; no one was able to escape it, and it remains triumphant for the mere fact that it gave its light in a universal way to all and over everything. Such are Our Works, Our Acts; their mere Possessing the Extendible Virtue of being able to Give Themselves in a Universal Way to all, and of doing Good to all, is the Greatest Honor, it is the Greatest Glory for Us.”

V34 – 11.3.36 - “My Blessed daughter, Our Infinite Love is always Excessive and gives of the Incredible. It is enough to tell you that It is So Great, that We do nothing other than Reflect Ourselves Continuously in the creature – she Lives under Our Continuous Reflections: if We Move, Our Incessant Motion Reflects Itself in her, in order to Give her Life; Our Love Reflects Itself in her in order to tell her, constantly: *‘I Love you’*; Our Power Reflects Itself in her in order to Sustain her. In sum, Our Wisdom Reflects Itself and Directs her; Our Light Reflects Itself and **Illumines** her; Our Goodness Reflects Itself and Compassionates her; Our Beauty Reflects Itself and Embellishes her; Our Supreme Being Pours Itself without ever ceasing over the creature.”
