

Luisa, Prime Act as One Single Act in the Holy Divine Will – Part I

St. Monica's Church in Garfield Heights, Ohio

Talk #1

V3 – 1.12.00 – “My Divinity, hidden within My Humanity, wanted to lower Itself to Such lowness, subjecting Itself to the course of human actions - while with **One Single Act** of My Divine Will I could have Created Infinite Worlds - feeling the miseries and the weaknesses of others as if they were Its Own, seeing Itself covered with all the sins of men before Divine Justice, having to pay their penalty at the Price of Unheard-of Pains and with the Shedding of all Its Blood. Therefore, It Exercised Continuous Acts of Profound and Heroic Humility.”

V4 – 10.29.14 – “My Divine Will Contains Completely Accomplished Acts; **One Single Act** of My Divine Will is Enough to Create a *thousand* worlds, all Perfect and Complete. I do not need subsequent Acts - **One** is enough for all. So, in doing the Simplest Act United with My Divine Will, you shall Give Me a Complete Act - that is, an Act of Love, of Praise, of Thanksgiving, of Reparation. In sum, you shall Enclose for Me Everything in this Act; Even More, you shall Enclose even Myself, and shall Give Myself to Me.”

V11 – 8.24.15 – “**One** Act in My Divine Will contains all Possible and Imaginable Goods. You shall find an Image of this in the light of the sun. The light is **One**, but this Light Multiplies in all gazes of creatures. The light is Always **One**, and **One Single Act**, but not all the gazes of creatures Enjoy the Same light.”

V11 – 9.8.16 – “The Acts in My Divine Will are the Simplest Acts, but, because they are Simple, they Communicate themselves to all. The light of the sun, because it is Simple, is light of every eye – yet the sun is **One**. **One Act Alone** in My Divine Will, like Most Simple Light, Diffuses Itself in every heart, in every work, in everyone – yet the Act is One. My Very Being, because It is Most Simple, is **One Single Act**, but an Act that Contains Everything; It has no feet but is the Step of all; no eyes, but is the Eye and the Light of all; it Gives Life to Everything, but with no effort, with no toil, yet It Gives the Act of Operating to all. So, the soul in My Divine Will becomes Simple, and together with Me she Multiplies in all, and does Good to all.”

V12 – 7.4.17 – “For one who does My Divine Will I do not tolerate even one step of distance between Me and her, or division of Pains or of Joys. I may keep her on the Cross - but Always with Me. This is why, then, I Want you Always in My Divine Will: to Give you the *First Place* over My Sacramental Heart. I Want to feel your heart palpitating in Mine, with My Own Love and Pain. I Want to feel your human will in Mine, that, Multiplying in Everyone, may Give Me, with **One Single Act**, the Reparations of all and the Love of all; and My Divine Will in yours, that, making your poor humanity My Own, may Elevate it before the Majesty of the Father as My Continued Victim.”

V12 – 4.8.18 - I found myself in Jesus; my little atom was Swimming in the Eternal Volition; and since this Eternal Volition is **One Single Act** that Contains all Acts together, past, present and future, I, being in the Eternal Volition, took part in that **Single Act** that Contains all Acts, as much as it is possible for creature. I took part also in the Acts that do not exist, and that Must yet exist,

until the end of the centuries, and until God shall be God; and for these too I Loved Him, I Thanked Him, I Blessed Him, etc.

V12 – 5.22.19 – “To others, according to their Dispositions, I reach the Point of Giving Graces that I would Give to *ten*; to others, those that I would Give to a *hundred*; to others, those that I would Give to a *thousand*; and sometimes I Give Graces that I would Give to cities, to provinces, and even to Entire kingdoms. And these Love Me and Give Me Glory for *ten*, for a *hundred*, for a *thousand*, etc. In this Way My Glory is Completed on the part of Creation. And when I see that the creature cannot reach in spite of her Good will, I Draw her into My Divine Will, in which she finds the Virtue of Multiplying **One Single Act** for as many as she wants; and she Gives Me Glory, Honor, Love, that others do not Give Me.”

V12 – 1.7.21 - “My Beloved daughter, after So Much Sorrow that creatures Give Me in these sad times, to the point of making Me Cry...- a Smile shall take over, that shall Fill Heaven and earth with Gladness. And this Smile shall Arise on My Lips when I see the *First Fruits*, the daughters of My Divine Will, Living not in the human sphere, but in the Divine Sphere. I shall see them all Marked by the Eternal, Immense, Infinite Will; I shall see that Eternal Point that has Life Only in Heaven, Flowing over the earth and Molding souls with Its Infinite Principles, with the Divine Acting, with the Multiplication of Acts in **One Single Act**. And just as Creation came out from the Fiat, in the Fiat shall It be Completed.”

V13 – 8.20.21 – “How could I not keep this soul Guarded and not be Highly Jealous of her, if **One Single Act** of hers is Worth More than Creation Itself? ...as the soul Operates in My Divine Will, she Gives Me the Delight of Forming New Creations. Her Acts are the Unfolding of the Life of My Divine Will, the Prodigies of My Volition - My Repeated Fiat. How could I not Love this soul?”

V14 – 1.20.22 – “...Wanting to have one’s own merits is of servants, of slaves - not of sons and daughters. What belongs to the father belongs to the children. And besides, what are all the merits that you could acquire compared to **One Single Act** of My Divine Will? All merits have their own little value, weight and measure, but who could ever Measure **One Single Act** of My Divine Will? No one - no one. And then, what are your merits compared to Mine? In My Divine Will you shall find them all, and I Make you the Owner. Aren’t you Happy?”

V14 – 3.16.22 – “Do you think it is trivial that I Make all your Acts Run in the Current of My Divine Will, and that the Current of My Divine Will Runs in your Acts? And that, as these Currents Run, they Form **One Single Act** with all the Acts of creatures, Making a Divine Volition Flow over all, Making Themselves the Actor of Each Act of Each one, substituting for all with a Divine Act, a Divine and Eternal Love, Reparation and Glory?”

V14 – 4.25.22 – “I place *thousands* of Angels as Custodians of **One Single Act** Done in My Divine Will. In fact, since these Acts Done in My Divine Will are Seeds so that My Divine Will May be Done on earth as It is in Heaven, all are Jealous of these Acts. Their Dew is My Breath; Their Shadow is My Light. The Angels remain Enraptured by them and, reverent, they Adore them, because in these Acts they see the Eternal Will, that deserves all their Adoration. And only

when I find other souls who, picking them as Divine Fruits, make of them food for their souls, then are these Acts left. Oh! the Fecundity and Multiplicity of these Acts! The creature herself who does them cannot count them.”

V14 – 5.27.22 - “My daughter, there is the Prevenient Act and the Actual Act. The Prevenient Act is when the soul, from the *First* Rising of the day, Fixes her human will in Mine, and Decides and Confirms that she wants to Live and Operate Only in My Volition. She Anticipates all of her Acts and Makes them all Flow in My Divine Will. With the Prevenient Will, My Sun Rises, My Life remains Duplicated in all her Acts, as though in **One Single Act**; and this Makes Up for the Actual Act.”

V14 – 8.15.22 - “My daughter, in My Divine Will you shall find not only All the Acts that My Humanity Did, in which I Braided all creatures together, but you shall also find Everything that My Dear Mama Did, that, being Braided with Me, Formed **One Single Act**.”

V14 – 9.9.22 – “...with another Breath of Mine, I could say, I Infused Myself in the depth of man in order to Sustain him, Dominate him and keep him Safe. So, that man Formed a Kingdom for Me, in which I, as King, was to Extend My Boundaries. ...And all the Good of the other Kingdoms was to Overflow for the Glory and Honor of the *First* Kingdom, that was to be the Head of the others and as though **Prime Act** of Creation.”

V14 – 10.19.22 - “My daughter, My Humanity Lived as though in the Center of the Eternal Sun of My Divine Will. And since Rays started from this Center, that, Carrying My Immensity with them, Enveloped Everything and Everyone, My Operating, Starting from this Center, was as though in Act for each act of creature; Each Word as though in Act for each word; Each Thought as though in Act for each thought; and so with all the rest. And as It Descended, It Ascended again into Its Center as **One Single Act**, Carrying all human acts with Itself, in order to Redo them and Reorder them, according to the Will of My Father. Therefore, only because My Humanity Lived in the Center of the Eternal Volition was I able to Embrace Everyone as **One Single Act**, in order to Accomplish with Decorum, and Worthy of Me, the Work of Redemption; ...And just as the split of the human will from the Divine was all the evil of man, so the *Stable Union* of the will of My Humanity with the Divine was to Form all his Good.”

Talk #2

V15 – 4.9.23 - “My Beloved daughter, I Love So Much these Acts Done in My Divine Will, that as soon as the soul Enters into It in order to Act, the Shadow of My Light Surrounds her; and I Run, so that My Act and hers may be **One**. And since I AM the **Prime Act** of all Creation, without My **Prime Motion** all Created things would remain paralyzed, without Strength and incapable of the slightest Motion. Life is in the Motion; without it, everything is dead. I AM the **Prime Motion**, and I Give Life and Attitude to all other motions; so, at My *First* Motion Creation begins to Revolve. It happens as to an engine: at the touch of the *First* motion of the *First* wheel, all other little wheels begin to spin. See then, How it is almost Natural for one who Operates in My Divine Will to Move in My **Prime Motion**; and by Operating in My Motion, she comes to find herself and she Operates in the motion of all creatures. And as the creature Flows in My Own Motion, I See her and I Feel her in all motions of creatures, giving Me as Many Divine Acts

for as many offensive human acts as others do; and this, only because she has Operated in My **Prime Motion**. This is why I say that one who Lives in My Divine Will Substitutes for all, Defends Me from all, and Places My Motion – that is, My Very Life - in Safety.”

V15 – 4.20.23 – “This is why I always say to you: ‘Your Flight in My Divine Will’ - because the human will contains weaknesses, passions, miseries, that are veils that prevent one from Entering into the Eternal Volition; and if they are grave sins, they are barricades that are formed between one and the other. And if My Fiat ‘on earth as It is in Heaven’ does not Reign upon earth, this is precisely what prevents It from doing so. Therefore, to you is it Given to tear these veils, to Knock Down these barricades, and to make of all human acts as though **One Single Act** in the Power of My Divine Will, Engulfing them all, and bringing them to the Feet of My Celestial Father, as though Kissed and Sealed by His Very Will;...”

V15 – 5.2.23 - “My daughter, oh! How well your Acts done in My Divine Will Harmonize. They Harmonize with Mine, with those of My Beloved Mama, and one disappears within the other, Forming **One Single Act** - it seems like Heaven on earth, and the earth in Heaven; and the Echo of **One in Three and of Three in One**, of the Sacrosanct Trinity. Oh! How Sweet It Sounds to Our Hearing, How it Enraptures Us, but So Much as to Capture Our Will from Heaven to earth.”

V15 – 6.18.23 – “This is My Usual Way in all My Works: I do them *once* in order to Give Life to all the other times in which they are Repeated, Uniting them to the *First* Act as if they were **One Single Act**. So, the Power, the Immensity, the All-Seeingness of My Divine Will made Me Embrace all centuries; It made present to Me the Communicants and all the Sacramental Hosts; and I received Myself as many times, to Make My Very Self Pass, through Myself, into each creature....”

I remained Surprised, and as if I wanted to doubt; and Jesus added: “Why do you doubt? Is this not perhaps the Operating as God? And this **One Single Act**, of Forming as Many Acts for as Many as want to Enjoy It, while It remains **One Single Act** - was it not the Same for the Act of the Incarnation, of My Life and of My Passion? I Incarnated Myself only **Once, One was My Life, One My Passion**; yet, this Incarnation, Life and Passion is for all and for each one, as if it were for one alone. So, they are still as though in Act, and for each one, as if I were now Incarnating Myself and now Suffering My Passion.”

V16 – 10.4.23 – “So it is with My Divine Will: in order for It to Become Life of the soul, the soul Must Bake her human will disappear in Mine; her human will Must no longer exist. My Divine Will, as **Primary Act**, Must Take Over all of her Acts, and It shall Give Itself to the soul, now as Water to Quench her thirst with Its Divine and Celestial Waters; now as Fire, not only to Warm her, but to destroy what is human and to Rebuild the Life of My Divine Will in her; now as Food, to Nourish her and Render her Strong and Robust.”

V16 – 12.8.23 – “*First You Must Know* that My Divinity is **One Single Act**; all Acts Concentrate into a **Single One**. This is What it Means to be God – the Greatest Portent of Our Divine Essence: not to be subject to succession of Acts. And if to the creature it seems that We do now something, and now something else, it is, rather, that We Make Known What is Present in that **Single Act**; in fact, since the creature is incapable of Knowing it all at once, We Make it Known little by little.

Now, Everything that I, Eternal Word, was to Do in My Assumed Humanity Formed **One Single Act** with that **Single Act** that My Divinity Contains.”

V16 – 2.24.24 - “My daughter, indeed My Divine Will is Immense – It Contains the Whole of Eternity. If you Knew the Good that even One Single Word on My Divine Will and **One Single Act** Done in It by the creature Contain, you would be stunned: in that Act she takes Heaven and earth as though in her Power. My Divine Will is Life of everything and flows everywhere, and together with My Divine Will she Flows within each affection, in each heartbeat, in each thought and in all the rest that creatures do. She Flows within Each Act of the Creator, in every Good I Do, in the Light I Send to the intelligence, in the Forgiveness I Grant, in the Love I Send, in the souls I Ignite with Fervor, in the Blessed I Beatify – in Everything. There is no Good I Do, nor any Point of Eternity, in which she does not hold her little Place.”

V17 – 9.17.24 - I was thinking about the Holy Divine Will, and I was doing as much as I could in order to Fuse myself in It, to be able to Embrace all and bring to my God, as **One Single Act**, the acts of all, that are all Due to our Creator. Now, while I was doing this, I saw Heaven open, and a Sun Come Out of It, that, Wounding me with Its Rays, Penetrated Deep into the depth of my soul that, Wounded by those Rays, Converted into a Sun that, Spreading Its Rays, Wounded that Sun from which it had been Wounded.

V17 – 10.30.24 - “My daughter, do you want to know why the Angels are Angels – why They have kept themselves Beautiful and Pure, as They came out of My Hands? Because They have Always Remained in that **Primary Act** in which they were Created. Therefore, being in that **Primary Act** of Their Existence, they are in that **Single Act** of My Divine Will that, not knowing succession of Acts, does not change, it neither decreases nor increases, and contains within Itself all Possible and Imaginable Goods. And the Angels, keeping Themselves in that **Single Act** of My Divine Will that Issued Them to the Light, Maintain Themselves Immutable, Beautiful and Pure. They have lost nothing of Their Original Existence, and all Their Happiness is in Maintaining Themselves, Voluntarily, in that **Single Act** of My Divine Will. They find Everything in the Circuit of My Divine Will; nor do They want, in order to be Happy, anything other than what My Divine Will Administers to Them. ...If the creature, like the Angel, Never went out of that **Primary Act** within which My Divine Will Issued her to the Light - What Order, What Portents would not be seen on earth? Therefore, My daughter, Never go out of your Origin, in which My Divine Will Created you, and let your **Primary Act** be Always My Divine Will.”

V17 – 1.22.25 - “My daughter, this Sun that you see within the Intelligence of My Humanity, was Formed by My Divinity, that Endowed Me with the Creative Power and the All-Seeingness of all things, in Such a Way that I was to be the New Sun of souls... While Rising to the Celestial Father, this Light Descended to take, as though in Its Power, all human acts in order to Illuminate them, Warm them and Repair them. So, over each human act Hovers a Light that wants to do Good to it, continuously. In Me, doing this was as though natural. You, My daughter, do not have this Power to Make **One Single Act** out of all Acts, as I Did. Therefore, in My Divine Will you shall go through Each Ray, One by One; and, little by little, you shall Follow the Same Path as My Humanity.”

V17 – 4.23.25 – “Now, this is precisely what I want from the creature: that she let My Divine Will Reign in her, and that her human will may serve as the Dwelling of Mine, to let It Deposit the Celestial Goods It Contains. And this is what I Want from you, so that all your Acts, Marked by My Divine Will, may Form **One Single Act**; and Uniting to the **Single Act** of My Divine Will that has no Multiplicity of Acts, as in man, they may remain in that Eternal Beginning, in order to Copy your Creator, and to Give Him the Glory and the Contentment that His Will be Done in you as It is in Heaven.”

V17 – 6.18.25 - “My daughter, ...this Immense void of My Divine Will shall be Filled with the human acts done by creatures in My Divine Will. My Divine Will Came Out of the Eternal Womb of the Supreme Being for the Good of man. While this Will of Ours did **One Single Act** in Coming Out of Us in order to Overwhelm man, in Such a Way that he might find no way out, It then Multiplied Itself into Many Innumerable Acts, in order to Surround him and say to him: ‘See, this Will of Mine not only Envelops you, but is in Continuous Attitude of Immediate Acts, to Make Itself Known and to Receive the Requiring Act into My Divine Will.’

“...Our Will shall have Its Return; It shall have Its Divine Generation in the human will; More So, since this was Our *First* Act for which all things were Created – that Our Will Transform and Regenerate the human will into Divine. Will is what Came Out of Us – Will is What We Want. All other things were Done in the *Secondary* order, while this was Done, Established, in the **Primary** Order of Creation. At the Most, it may take time, but the centuries shall not end until My Divine Will Obtains Its Purpose. If It has Obtained the Purpose of Regeneration in *Secondary* things, Much More Must It Obtain it in the **Primary** Purpose. Our Will would never have departed from Our Womb, if It Knew that It would not Obtain Its Complete Effects – that is, that the human will be Regenerated in the Divine Will.”

V18 – 10.4.25 – “...So, repeating your ‘*I Love You*’ for Me Procures for you the Water with which to Water and Form the Tree of Love. Repeating Patience Waters and Forms the Tree of Patience; Repeating your Acts in My Divine Will Forms the Water with which to Water and Form the Divine and Eternal Tree of My Divine Will. Nothing can be Formed with **One Single Act**, but with Many Upon Many Repeated Acts. Only your Jesus Contains the Virtue of Forming all things, and the Greatest things, with **One Single Act**, because I Contain the Creative Power. But the creature, by Dint of Repeating the Same Act, Forms the Good she wants to do, bit by bit. Through habit, that Good or that Virtue becomes her Nature, and the creature becomes the Possessor of It, and It Forms all of her Fortune.”

V18 – 10.21.25 - “How Beautiful are the Acts in My Divine Will. Ah! you do not know the Power, the Greatness, the Marvel of **One Act** in My Divine Will. This Act Moves Everything - Heaven and earth - as if they were **One Single Act**; and all Creation, the Angels, the Saints, Give and Receive the Return of that Act. Therefore, an Act Done in My Divine Will cannot be without Return, otherwise all would feel the Sorrow of a **Divine Act** that has Moved everyone, everyone putting of his own into it; and yet, it is not requited. The Operating of the soul in My Divine Will is like the Silvery Sound of a Vibrant and Shrill Bell, that Sounds So Loudly as to call the Attention of all; and it Sounds and Sounds Again, So Sweetly, that all Recognize, at that Sound,

the Operating of the soul in My Divine Will, all Receiving the Glory and the Honor of a **Divine Act.**”

Talk #3

V18 – 10.24.25 – “My Divine Will alone is **One Single Act** that has no succession of Acts. This **Single Act** is as though Fixed to One Point that Never Moves; and this Point is Eternity. And while being **One Single Act, Prime Act**, Endless Act, Its Circumference is So Immense that nothing can escape It; It Embraces Everything and Everyone with **One Single Embrace**, because Everything starts from that **Prime Act**, as **One Single Act**. So, the Creation, the Redemption and the Sanctification are **One Single Act** for the Divinity; and only because It is **One Single Act**, It has the Power to make all Acts Its Own, as if they were **One Alone**. Now, one who Lives in My Divine Will Possesses this **Single Act**, and it is no wonder that she takes part in the Pains of My Passion, as though in Act. In this **Single Act** she finds, as though in Act, her Creator Creating the Creation; and Forming **One Single Act** with her God, she Creates together with Him, Flowing as **One Single Act** in all Created things, and Forming the Glory of Creation for her Creator. Her Love Shines over all Created things; she Enjoys and takes Pleasure in them; she Loves them as things belonging to herself and to her God. In that **Single Act** she has a Note that Echoes the Whole of the Divine Operating; and in her Emphasis of Love, she says: ‘What is Yours is mine, and what is mine is Yours. Be Glory, Honor and Love to my Creator.’ In this **Single Act** she finds the Redemption in Act; she makes It all her own, she Suffers My Pains as if they were her own, she Flows within Everything I Did - in My Prayers, in My Pains, in My Words - in Everything; she has a Note of Reparation, of Compassion, of Love and of Substitution for My Life. In this **Single Act** she finds Everything; she makes Everything her own, and Places her Requital of Love Everywhere. This is why the Living in My Divine Will is the Prodigy of Prodigies; it is the Enchantment of God and of All Heaven, as they see the littleness of the creature Flow in all the things of their Creator. Like Solar Ray, Bound to this **Single Act**, she Diffuses Everywhere and in Everyone. Therefore I recommend to you: even at the cost of your life, Never go out of this **Single Act** of My Divine Will, that I may Repeat in you, as though in Act, the Creation, the Redemption and the Sanctification.

See, also nature contains the Similes of this **Single Act**. In the atmosphere, the sun has **One Single Act**; from the moment it was Created by God, it always does **One Single Act**. Its light, its heat, are so Transfused together as to become Inseparable from each other, and, from up High, it remains always in the Act of sending light and heat. And while, from up High, it knows how to do but **One Single Act**, the circumference of its light that descends down below is So Great as to Embrace all the earth, and with its Embrace it Produces Innumerable Effects, Constituting itself Life and Glory of all Created things. By Virtue of this **Single Act**, it has the Virtue of Enclosing each plant within itself, and to some it administers Development, to some Maturation of Fruits, to some Sweetness, to some Fragrance. It can be said that the whole earth begs Life from the sun, and that each plant, even the littlest blade of grass, from the sun beseeches its Growth and each Fruit it Must Produce. But the sun never changes its action; it Glories in doing always **One Single Act**.

The human nature also contains the Simile of **One Single Act**, and this is contained in the beating of the heart. Human Life begins with the heartbeat. The heartbeat does always **One Single Act** - it can do nothing but beating; However, the Virtue of this heartbeat, its Effects in

the human life, are Innumerable. As it palpitates, and at each heartbeat, it makes the blood circulate in the members, up to the outermost parts. And as it palpitates, it gives strength to the feet in order to walk, to the hands in order to work, to the mouth in order to speak, to the mind in order to think; it administers warmth and Strength to the whole person. Everything depends on the heartbeat; So Much So, that if the heartbeat is a little labored, one loses energy and the will to Operate; the intelligence becomes dim, one is full of pains: a general ill-being. And if the heartbeat ceases, life ceases. The Power of a **Single Act** Repeated Continuously is Great; Much More So, for the **Single Act** of an Eternal God, Who has the Virtue of Doing Everything with **One Single Act**. Therefore, neither past, nor present, nor future exist in this Act, and one who Lives in My Divine Will already finds herself in this **Single Act**; and just as the heart does always a heartbeat in the human nature, that constitutes itself life of it, so does My Divine Will Palpitate Continuously in the depth of the soul - but with **One Single Heartbeat**. And as It Palpitates, It Gives her Beauty, Sanctity, Strength, Love, Goodness, Wisdom. This Heartbeat Encloses Heaven and earth; it is like Blood Circulation; like Circumference of Light, it can be found in the Highest Points and in the Outermost Parts. Wherever this **Single Act**, this Heartbeat of the soul, has Full Vigor and Reigns Completely, there is a Continuous Prodigy – the Prodigy that only a God can Do; and therefore New Heavens, New Abysses of Graces, Surprising Truths are discovered in her. But if one asks: ‘Where does So Much Good come from?’, she would answer, United with the sun, together with the human heartbeat, and with the **Single Act** of the Eternal God: ‘I do only one thing - I do Always the Will of God and I Live in It. This is All my Secret and All my Fortune.’

V18 – 11.9.25 – “...do you think it is trivial that, Fusing yourself in My Divine Will, you Place the Whole of this Will of Mine as though on your lap, that, though It is One, brings Its Divinizing Act to each creature; and Reuniting all these Acts of My Divine Will together, you bring them before the Supreme Majesty, to Requite them with your human will together with Mine, with your Love, Redoing all the Acts opposite those of creatures, and you Press this Same Divine Will of Mine to Surprise the creatures once again with More Repeated Acts, that they may Know It, Receive It within themselves as **Prime Act**, Love It, and Fulfill this Holy Will in everything? The Adoration of My Wounds - More than one does it for Me; but giving Me back the Rights of My Divine Will, as the **Prime Act** that I Did toward man – this, no one does for Me. Therefore, it is your Duty to do it, as you have a Special Mission about My Divine Will.”

V18 – 11.12.25 – “Now, My daughter, just as it was with Redemption, so it shall be with My Divine Will. In order to Make It Known and to Make It Reign as **Prime Act** of Life in the creature, the Fulfillment of the Acts is Needed . You too, on the Example of My Celestial Mama and of Mine, Must Embrace in My Divine Will All the Acts done in the Old Testament, those of the Queen of Heaven, those done by Me, those that are done and will be done by all the Good and the Saints, up to the last day; and upon each one of them you shall Place your Seal of Requit of Love, of Blessing, of Adoration, with the Sanctity and the Power of My Divine Will. Nothing Must escape you. My Divine Will Embraces Everything; you too Must Embrace Everything and Everyone, and Place My Divine Will Alone at the *First Place* of Honor upon all the Acts of

creatures. It will be your Imprint, with that you shall Imprint the Image of My Divine Will on All the Acts of creatures.”

V18 – 11.19.25 - I felt as though Immersed in the Immense Sea of the Supreme Will, and I would have wanted - as my Lovable Jesus tells me - to let nothing escape me of all the Acts It has Done, Does and shall Do, that for Jesus are **One Single Act**; and to be Always with this Divine Will in order to Give It my little Requit of Love and of Thanksgiving.

V18 – 12.6.25 – “...Poor Heaven of creatures, it can no longer be recognized. And only the Living in My Divine Will shall Reorder this Heaven again, and shall Make it shine with New Light. This is why I tell you that I want to find Everyone and Everything in you. My Divine Will, **Primary Act** of all Celestial and terrestrial creatures, shall bring you the Communication of All their Acts, and you shall remain Bound to them, and they to you. So, the Living in My Divine Will Encloses Everything and Everyone.”

V18 – 12.25.25 - “My daughter, How Beautiful is the Operating of the soul in My Divine Will. Her Act Unites to the **Single Act** of her Creator, that knows no succession of Acts. In fact, the Eternal Light is not divisible, and if it could be divided – that cannot be – the separated part would become darkness; and so, being Light, the Divine Act Forms **One Single Act** of all her Operating. So, by Operating in the Light of My Volition, the soul Unites herself to that **Single Act** of her Creator and takes her Place within the Atmosphere of the Eternal Light. This is why you cannot see your Acts, either the Point of the Light in which you Performed them, or where they are: because it is impossible for the creature to cross the whole of Eternal Light of God, although she Knows that her Act is certainly Present in that Light, and takes its Place in the past, in the present, and in the future. ...This is why I say that the Living in the Supreme Volition is the Greatest thing – it is to Live Divine Life. As soon as He sees the soul in His Will, the Celestial Creator takes her in His Arms, and Placing her on His Lap, He lets her Operate with His Very Hands, and with the Power of that Fiat with which all things were Made. He lets all His Reflections Descend upon the creature, in order to Give her the Likeness of His Operating. This is why the Operating of the creature becomes Light, it Unites to that **Single Act** of her Creator, and Constitutes itself Eternal Glory and Continuous Praise of her Creator.”

V18 – 2.7.26 – “My Divine Will was the **Prime Act** of the creature; the creature had her **Prime Act** in My Divine Will, and therefore It wants to do Its Course of Life in her. And even though It was suffocated at Its Very *First* Arising in the creature, It was not extinguished, and therefore It awaits Its Field of Life in her. Don’t you want to be Its *First* little Field? Therefore, Be Attentive; when you want something, never do it on your own, but Pray to Me that My Divine Will may do it in you.”

Talk #4

V18 – 2.11.26 – “My Divine Will has Such Power as to Enclose Everything and Make Everyone do the Same thing, as if it were **One Single Act**; therefore the Great Difference that passes between one who lets My Divine Will Reign within herself and one who lives of her own self. In the *First* one there is a Divine Will that Prays, that Operates, that Thinks, that Looks, that Suffers. At each motion of hers, It Moves Heaven and earth and Connects Everything together, in Such a

Way that all feel the Power of the Divine Will Operating in the creature, and Recognize in her the Nobility, the Likeness, the Offspring of their Creator; and, as daughter of the Celestial Family, all Protect her, Assist her, Defend her and Long to have her together with them in the Celestial Fatherland.”

V18 – 2.23.26 – “It was Necessary, Befitting and Decorous for the Newborn of My Divine Will and for Our Will Itself, that she would Unite herself to that **Single Act** of the Eternal One, that has no succession of Acts. And just as this **Single Act** Gives the Divine Being all the Greatness, the Magnificence, the Immensity, the Eternity, the Power – in sum, It Encloses Everything, to make whatever It wants come out of this one Act – in the Same Way, Our little Newborn of Our Will, Uniting with the **Single Act** of the Eternal One, was to do always **One Single Act** – that is, to remain always in Continuous Act of being Born, doing always **One Single Act**: Our Will. And while doing **One Single Act**, she would be Reborn Continuously - but Reborn to what? To New Beauty, to New Sanctity, to New Light, to New Likeness of her Creator. And as you are Reborn in Our Will, the Divinity feels Repaid of the Purpose for which It Issued the Creation, and It feels the Joys and the Happiness that the creature was to Give It, come back to It. Clasp you to the Divine Bosom, It Fills you with Joy and with Infinite Graces, and It Manifests to you More Knowledges about Our Will; and giving you no time, It makes you be Reborn Again in Our Will.”

V19 – 2.28.26 - “My daughter, do not lose time, because every time you occupy yourself with yourself it is an Act of My Divine Will that you lose; and if you knew what it means to lose **One Single Act** in My Divine Will...! You lose a Divine Act - that Act that Embraces Everything and Everyone, and that contains all the Goods that exist in Heaven and on earth. More So, since My Divine Will is a Continuous Act that never stops Its Course, nor can It wait for you when you stop with your fears. It is More Appropriate for you to follow It in Its Continuous Course, than for It to wait for you to place yourself on the Way in order to follow It...”

“...By entering into It, the soul Forms **One Single Act** with the Divine Will, and as though naturally she takes part in what It Does and Contains. More So, since in order to Live in My Divine Will, the soul is *First* stripped of the garments of the old guilty Adam, and is Clothed Anew with the Garments of the New and Holy Adam. Her Garment is the Light of the Supreme Will Itself, through which all Its Divine Manners are Communicated to her, that are Noble and Communicative to all.”

V19 – 4.4.26 – “Just as I AM **One Single Act** that, after it is done *once*, is done forever, Creation also was to be **One Single Act**; and just as in Creation My **Single Act** Continues by Preserving It Ever New, Whole and Fresh, so is My Creating in souls Continuous - I Never stop. I AM always – always in the Act of Forming More Beautiful things, Surprising and New Things, unless I find souls who close the doors to Me and arrest My Continuous Act of Creation.”

V19 – 4.16.26 – “So, My Mama took everything from Us, to be able to Diffuse Herself in Everything and to place Herself at the Top of Every act of creature – at the Top of Every Love, of Every step, of Every word, of Every thought; at the Top of Every Created thing. She placed Her **Prime Act** upon all things, and this gave Her the Right of Queen of All and of Everything; and She Surpassed, in Sanctity, in Love, in Grace, all the Saints who have been and shall be, as

well as all Angels United together. The Creator Poured Himself upon Her, Giving Her So Much Love that She Possessed enough Love to be able to Love Him for all. He Communicated to Her the Highest Concord and the **One Will of the Three Divine Persons**, in Such a Way that She was able to Adore for all in a Divine Manner, and to Make Up for all the duties of creatures. Had it not been so, it would not be a Truth, but just a manner of speaking, that the Celestial Mama Surpassed everyone in Sanctity and in Love. But whenever We Speak, it is Facts, not words. Therefore, We found Everything in Her; and having found Everything and Everyone, We gave Her Everything, Constituting Her Queen and Mother of Her Very Creator.”

Now, daughter of My Supreme Will, one who wants Everything Must Enclose Everything and place herself at the Top of the Acts of All, as **Prime Act**. So, the soul Must be at the Top of Every Love, Adoration, Glory, of each creature.

V19 – 5.6.26 – “My Divine Will Placed everything in common; the one has become Inseparable from the other, and I heard in you the Voice of My Mama - Her Love, Her Adoration, Her Glory; and in My Mama I heard your voice, Loving Me, Adoring Me, Glorifying Me. How Happy I felt in finding and hearing the Mama in the daughter, and the daughter in the Mama! My Divine Will Unites Everyone and Everything. It would not be True Living in My Divine Will, nor a Work of My Divine Will, if It did not Centralize Everything that belongs to It and all of Its Eternal Works in the soul who Lives in It, in whom It has Its Kingdom and Dominion. If it were not so, the Kingdom of My Divine Will would be a divided Kingdom – that cannot be, because My Divine Will Unites all Its Works together and makes of them **One Single Act**. And even though it is said that It Creates, It Redeems, It Sanctifies and so on, these are the Effects of that **Single Act**, that Never changes Its Action. Therefore, the Origin of one who Lives in My Divine Will is Eternal – Inseparable from her Creator and from all those in whom My Divine Will has had Its Kingdom and Its Dominion.”

V19 – 5.18.26 – “Our Work Must be Safe in the creature who is Called as **Primary Act**, and We Must collect all the Interest and the Glory Equivalent to Our Work Entrusted to her. And even if Our Work were later Communicated to the other creatures, and because of their ingratitude It ran the risk of failing, this would be More tolerable for Us, because the one to whom It was Entrusted at the Beginning allowed Us to collect all the Interest in place of the failures of the other creatures.”

V19 – 5.27.26 – “Now, My daughter, the sun is the Symbol of My Eternal Will; and if this Symbol Possesses the Unity of Light, Much More So does My Divine Will, that is not a Symbol, but the Reality of Light, while the sun can be called the budding of the Inaccessible Light of My Divine Will. And you have seen Its Immensity, and how one does not see a globe of Light like the sun, but Vastness, such that the human eye cannot arrive at seeing where It ends or where It begins. Yet, all this Endlessness of Light is **One Single Act** of the Eternal Will. All this Uncreated Light is So Compacted together as to become Inseparable, Indivisible; and so, More than sun, It Possesses the Eternal Unity, in which the Triumph of God and of all Our Works is founded. Now, this Triumph of the Unity of the Supreme Will, the Center of Its Dwelling Place, of Its Throne, is the Center of the Sacrosanct Trinity. From this Divine Center start Its Most Refulgent Rays, that Invest the Whole Celestial Fatherland; all Saints and Angels are Invested by the Unity of My

Divine Will, they all receive Its Innumerable Effects, and Abducting them all to Itself, It makes of them **One Single Unity with the Supreme Unity of My Divine Will**. These Rays Invest the Whole Creation and Form its Unity with the soul who Lives in My Divine Will. Look: the **Unity** of this Light of My Divine Will that Resides in the Center of the Three Divine Persons is already Fixed in you; so, **One is the Light and the Act, One is the Will**. Now, while you do your Acts in this Unity, they are already Incorporated in that **Single Act** of the Center, and the Divinity is already with you, doing what you do. The Celestial Mama, the Saints and Angels, and the Whole Creation – all in Chorus Repeat your Act, and feel the Effects of the Supreme Will. Watch - listen to the Prodigy never before seen of that **Single Act** that Fills Heaven and earth, with the Very Trinity Unifying Itself with the creature and Placing Itself as the **Primary Act** of the Act of the creature.”

V19 – 6.15.26 – “Then, after this, I was doing my usual Acts in the Supreme Volition, Embracing everything and everyone to be able to bring to my Creator the Acts of all as **One Single Act**. Now, while I was doing this, my Sweet Jesus came out from within my interior, and Embracing everything together with me, He United Himself with me, doing what I was doing. Then, all Love, He told me: “My daughter, I Love So Much the Acts Done in My Divine Will, that I Myself take on the Commitment to keep them in Custody in the Unity of My Supreme Light, in Such a Way as to render them Inseparable from Me and from My Own Acts. If you knew How Jealous I AM of these Acts, How they Glorify Me in a Wholly Divine Way.... It can be said that each of these Acts is a New Feast that starts in the Whole Creation and in the Whole Celestial Fatherland. Flowing in My Divine Will like Ray of Light, these Acts bring New Joys, Feasts and Happinesses wherever My Divine Will is. These Acts are the Joys, the Feast and the Happiness that the creature Forms in the Will of her Creator.

...After this, I remained thinking about the Blessed Will of God, and many things wandered through my mind, that it is not necessary to put on paper; and my Sweet Jesus, coming back, added: “My daughter, the Triumph of My Divine Will is Connected with Creation and with Redemption – It can be Called **One Single Triumph**. Since a woman was the cause of the ruin of man, it was a Virgin Woman that, after *four thousand years*, letting My Humanity, United to the Eternal Word, be Born of Her, provided the Remedy for the ruin of fallen man. Now that the Remedy for man is Formed, is My Divine Will alone to be left without Its Full Completion, while It has Its **Prime Act** both in Creation and in Redemption? This is why, after *two thousand years* More, We have Chosen another virgin as the Triumph and Fulfillment of Our Will.”

V19 – 6.29.26 – “If you look at the sky, your eye cannot see its boundaries - wherever it looks there is sky, nor can you tell where it ends or where it begins. This is the Image of Our Supreme Being, that has no Beginning and no End; and in the azure sky Our Will Praises and Glorifies Our Eternal Being that has no Beginning and no End. This sky, studded with stars, is the Image of Our Being: just as the sky is **One**, so is the Divinity **One Single Act**. But in the Multiplicity of the stars, Our Works *ad extra* that Descend from this **Single Act**, and the Effects and the Works of this **Single Act**, are Innumerable; and in the stars Our Will Magnifies and Glorifies the Effects and the Multiplicity of Our Works, that include the Angels, man and all Created things.”

V19 – 7.2.26 – “...the Sanctity of one who Lives in the Unity of the Light of My Divine Will is a Birth from that **Single Act** of her Creator, that is **One** in the Creative Hands, and yet, the Rays of His Will, coming out of God, Invade Everything and Produce Works and Effects So Innumerable that man cannot arrive at counting them all. So, since this Sanctity is a Birth from that **Single Act**, it shall be the Supreme Will’s Care and Jealousy for it to Enclose All Colors, All the different Beauties and All Possible and Imaginable Goods within itself. And so, More than blazing sun, it shall Enclose and Eclipse within itself all of Creation with Its different Beauties;...”

Talk #5

V19 – 7.14.26 – “Who shall break these Veils of So Many Created things that conceal It? One who shall recognize in all things the Bearers of My Divine Will, and Paying the Honors due to It, shall let It Reign in her soul, giving It Dominion and her subjection. Therefore, My daughter, Be Attentive, Give this Contentment to your Jesus, Who has Agonized So Much until now to Release this Birth of My Supreme Kingdom; and together with Me, the Whole Creation, as a **Single Act**, shall break the veils and shall Deposit in you the Birth of My Divine Will that all things conceal.”

V19 – 8.8.26 - “Oh, Power of My Divine Will, How Great You Are! ...You Alone have this Virtue of Communicating the Supreme Strength, in Such a Way that, with Your Strength, the creature can Rise to that **Single Act** of God the Creator.

V19 – 8.22.26 – “...since My Divine Will Encloses all the Divine Qualities, each of your Acts done in It Assumes the Image of a Supreme Quality. Look at them – How Beautiful they are! ...Each Act of yours assumes a Distinct Image, but they Resemble one another, they Harmonize, they hold hands and Form **One Single Act**. How Beautiful is the Working of the creature in My Divine Will! She does nothing but Produce Divine Images,...”

V19 – 8.25.26 - I was remembering all the Acts of Our Lord so as to Unite myself with Him; and not only this, but to find His Most Holy Will Operating in all of His Acts, to be able to Identify with It and Make **One Single Act** with mine. So, I would have wanted to be Conceived with Jesus, be Born with Jesus, Moan, Cry, Suffer, Pray, shed my blood together with His, and die together with Jesus. Now, while I was thinking of this, He moved in my interior, making His Presence felt in my heart, and Raising His Arm in the Act of Claspng me to Himself, told me: “My daughter, My Whole Life was **One Single Act** Coming from that **Single Act** of the Eternal One, that has no succession of Acts; and if in My Humanity, externally, one could see the gradual succession of My Acts – that is, being Conceived, being Born, Growing, Operating, Walking, Suffering, Dying – in the interior of My Humanity, My Divinity, the Eternal Word United to My Soul, Formed **One Single Act** of My Whole Life. Therefore the succession of the external Acts that could be seen in It was the Outpouring of the **Single Act** that, Overflowing outside, Formed the succession of My External Life. But in My Interior, as I was Conceived, at the same time I was also Born, I Cried, I Moaned, I Walked, I Operated, I Spoke, I Preached the Gospel, I Instituted the Sacraments, I Suffered and was Crucified.

Therefore, all that could be seen on the outside of My Humanity little by little, Step by Step, inside of It was **One Single Act**, Long and Continuous, and that still continues. So, as I was Conceived, coming from the **Single Act** of the Eternal One, I remained always as being

Conceived, always as being Born, always Moaning and Crying; in sum, Everything I Did remained in Act - and as Continuous Act, because everything that comes from God and remains in God undergoes no mutations, nor increase, nor diminution. Once the Act is Done, It remains with the Fullness of Life that Never Ends and can Give Life to all, as Much as they want of It. So, My Divine Will Maintained and Does Maintain Everything in Act – My Whole Life, just as It Maintains the Life of the sun in Act, without allowing it to decrease or increase in its light, in its heat and in its effects; just as It Preserves the Expanse of the Heavens with all the stars, without ever shrinking, or dispersing even one star; and so with many other things Created by Me. In the Same Way, My Supreme Will Maintains the Life of all the Acts of My Humanity, without dispersing even One Breath. Now, wherever It Reigns, this Will of Mine does not know How to do separated Acts; Its nature is **One Single Act**, Multiple in Its Effects, but always **One in its Act**. Therefore It calls the soul who lets herself be Dominated by It to Union with Its **Single Act**, that she may find all the Goods, all the Effects that only the **Single Act** of a God can Possess.

Therefore, may your attention be to remain United to that **Single Act** of the Eternal One, if you want to find the Whole Creation and the Whole Redemption in Act; and in that **Single Act** you shall find the Length of My Pains, of My Steps, My Continuous Crucifixion – you shall find Everything. My Divine Will Disperses nothing, and in It you shall be Identified with My Acts and shall take the Fruit of My Whole Life. If it were not so, there would not be a Great difference between My Operating and that of My Saints; on the other hand, since My Operating is **One Single Act**, between Mine and theirs there is the difference that passes between the sun and a tiny little flame, between the Great sea and a drop of water, between the Vastness of the Heavens and a little hole. Only the Power of My **One Act** has the Power to Give Itself to all and to Embrace Everything; and while it Gives Itself, It Never loses anything.”

V19 – 9.7.26 – “In Creating man, the Supreme Being Placed My Divine Will out into the Field, although all of Our Attributes Concurred with It as a Consequence, and Naturally. But the Supreme Volition was the **Primary Act**, by which It took to Heart the Life of all Creation, including man, therefore Making Itself the Life of all, Dominating Everything, Making Everything Its Own: since Everything had Come Out of It, by Justice Everything was to be Its Own. More than sun, My Divine Will Emitted Its Rays, and with the Tips of these Rays, Animating the human nature, It Formed the human will in the creature.”

V19 – 9.9.26 – “*You Must Know* that just as all things have come out of that **Single Act** of God, so Must Everything Return to that **Single Act** that has no succession of Acts. But only one who leaves everything to Live only of My Divine Will can Return to that **Single Act**, because as the soul Lives in It, everything she does Converts into Light, and her Acts are Naturally Incorporated and Identified with the Eternal Light of the Sun of My Divine Will, and, as a consequence, they become **One Single Act** with the **Single Act** of It. On the other hand, in one who operates outside of It one can see, not Light, but each of the materials that her work contains, that cannot be Incorporated with the Light of the **Single Act** of God, and therefore it shall show immediately that it is not Our Thing - that it does not belong to Us. So, anything that is not done by Virtue of the Divine Fiat shall not be Recognized by God.”

Suppose you wanted to Unite Light and darkness, copper and gold, rocks and earth: would one not distinguish with Clarity the Light from the darkness, the copper from the gold, the rocks from the earth? And this, because these are materials, one different from the other. But if you United, all together, Light with Light, darkness with darkness, gold with gold, you would not be able to distinguish nor separate the *First* Light from the *Second*, the *First* darkness from the *Second*, the *First* mass of gold from the *Second*. So it is with My Divine Will: what It Itself does in the creature is Light, and it is no wonder that it becomes Incorporated in the **Single Act** of Its Eternal Light.”

V20 – 10.12.26 - “Now, don’t you know that the Primacy that Adam lost as *Firstborn* son of My Divine Will has passed on to you and that in you I Must Enclose all the Goods that I was to Enclose in him, had he not withdrawn from My Divine Will? Therefore, I look at you as the *First* creature Come Out of Our Hands, because one who Lives in My Divine Will is always the *First* before her Creator; and even if she is Born later in time, this says nothing: in Our Will, one who has never gone out of It is Always *First*. See, then—you Must Care about Everything; My Coming Itself is the Irresistible Force of My Divine Will that Draws you to Me and Disposes you. Therefore, I want Highest Gratitude at your Fortune of being the *Firstborn* Daughter of My Divine Will.”

I did not know what to answer. I remained confused, and in my inmost soul, I said: “*Fiat, Fiat.*”

V20 – 10.26.26 – “There was no Act I did while being on earth in which I did not Place My Divine Will as **Prime Act** to be Established once again in the midst of creatures, because that was the thing I Most Cared for. If it were not so, or if I did not do so – if in everything I Worked and Suffered I did not have the Kingdom of the Supreme Fiat as **Prime Act** to be Restored in the midst of creatures – My Coming upon earth would have brought a half Good to the generations – not a Complete **One**, and the Glory of My Celestial Father would not have been Completely Reintegrated by Me. In fact, since My Divine Will is the Origin of Every Good and the Only Purpose of Creation and Redemption, It is therefore the Ultimate Fulfillment of all Our Works. Without It, Our Most Beautiful Works remain within a frame and without Completion, because It alone is the Crown of Our Works and the Seal that Our Work is Complete. Therefore, for the Honor and Glory of the Very Work of Redemption, It was to have, as **Prime Act**, the Purpose of the Kingdom of My Divine Will.”

FIAT!
