

LUISA LA SANTA, Knowing the Servant of God Luisa Piccarreta – Part I

(The emphasis in the following passages has been added to aid in understanding)

V7 – 7.17.06 - This morning, I Saw Blessed Jesus with a Key in His Hand, and He Said to me: “My daughter, this Key is the Key of My Will. It befits **the one** who Lives in My Will to have the Key in order to Open and Close as she Pleases, and to Take whatever she Likes of My Treasures. In fact, by Living of My Will, she shall Look After My Treasures More than if they were her own, because All that is Mine is hers, and she shall Not spoil them; rather, she shall Give them to others, or shall Take for herself whatever can Give Me More Honor and Glory. Therefore, Behold, I Deliver the Key to you, Luisa– Look after My Treasures.”

While He was Saying this, I Felt All Immersed in the Divine Will, So Much So, that I could See nothing but Will of God, and I spent the whole day in this Paradise of His Will. What Happiness, What Contentment! During the night, as I Found myself Outside of myself, I continued to be in this Atmosphere, and the Lord added: "See, My Beloved, for **the one** who Lives in My Will, there is No Grace that Comes From My Will for All creatures of Heaven and of earth in which **the one** Does Not Take Part as first. And this is Natural, because **the one** who Lives in the house of a father is **the one** who Abounds in Everything; and if the others who are outside receive something, it is the Surplus from **the one** who Lives Inside.” But who can Say what I Understood of this Divine Will? These are things that Cannot Be Expressed. May Everything Be For the Glory of God.

V11 – 2.19.13 After this, I Seemed to See people around me, Luisa and I Said to Jesus: ‘Who are they?’ And Jesus: “They are **the ones** whom I, Jesus, Entrusted to you, Luisa, some time ago. I, Jesus, Commend them to you, Luisa, - Watch Over them, Luisa. I Want to Form this Bond of Union between you, Luisa, and them so as to have them Always Around Me, Jesus.” And Jesus pointed out to me, Luisa, one in particular. And I: ‘Ah, Jesus, have You forgotten about my misery and nothingness, and the Extreme Need I have? What shall I do?’ And Jesus: “My daughter, you shall Do Nothing, just as you have Always Done Nothing; I Alone shall Speak and Operate within you, and I shall Speak through your mouth. If Only you Want it so, and if there is Good disposition in them, I, Jesus, shall Offer Myself For Everything; and even if I should keep you asleep in My Will, I shall wake you up when Necessary, and I shall Let you Speak to them. I shall Delight More in Hearing you Speak about My Will both in vigil and in sleep.”

V12 – 8.12.18 Another day I was feeling ill, with the continuous throwing up that I do; and I was saying to my Sweet Jesus: ‘What would You miss by Giving me the Grace of Not Feeling the Necessity to take food, to the point that I am Forced to bring it up?’ I say this to Obey. And my Lovable Jesus Told me: “My daughter, what are you Saying? Quiet, quiet, don’t say this anymore. You Must Know that if you had No Need of Anything I, Jesus, would Let the peoples die of starvation. But because you Need it, since it can serve your Necessities, I, for Love of you Luisa and because of you, Luisa, Give the Necessary things to creatures. So, if I Listened to you^, you would want harm for others. On the other hand, by taking food and then bringing it up (suffering), you Do Good to others, and your suffering Luisa, Glorifies Me. Even More, how many times, while you throw up, I See you suffering; and since you suffer in My Most Holy Divine Will, I,

Jesus Take that suffering of yours, I Multiply it and Divide it for the Good of creatures; and I Enjoy, and Say to Myself: ‘This is the “bread” of My daughter, that I Give for the Good of My children’.”

V12 – 1.29.19 “Now, the First Link that Connected the True Living in My Divine Will was My Holy Humanity. My Holy Humanity, Identified with My Divinity, Swam in the Eternal Volition, and Kept Tracing All the acts of creatures in order to Make them Its Own, and Give to The Father a Divine Glory on the part of creatures, and bring to All the acts of creatures the Value, the Love, the Kiss of the Eternal Volition. In this Sphere of the Eternal Volition, I, Jesus could See All the Acts of creatures that could possibly be Done and were Not Done, and the very Good Acts done badly; and I, Jesus Did those that were Not Done, and Redid those done badly. Now, these Acts, Not Done, and Done Only by Me, are All Suspended in My Will, and I, Jesus Await the creatures to come to Live in My Volition, and Repeat in My Will that which I, Jesus Did. This is why I, Jesus Chose you, Luisa as the Second Link of Connection with My Holy Humanity, Forming One Single Link with Mine, Living in My Volition, Repeating My Very Acts. Otherwise, on this side My Love would Remain without Outpouring, without Glory on the part of creatures for what My Divinity Operated in My Holy Humanity, and without the Perfect Purpose of Creation, that Must be Enclosed and Perfected in My Most Holy Divine Will. It would be as if I, Jesus had Shed All My Blood, Suffered So Much, and No One had Known It. Who would have Loved Me? Which heart would be Shaken? No One; and therefore in No One would I, Jesus have had My Fruits, the Glory of Redemption.”

And I, interrupting the Speaking of Jesus, Said: ‘Jesus, my Love, if there is So Much Good about this Living in the Divine Will, why have You Not Manifested it before?’ And He: “My daughter, First I, Jesus had to Make Known what My Holy Humanity Did and Suffered on the outside, to be able to dispose souls to Knowing what My Divinity Did on the inside. The creature is incapable of Comprehending My Work All Together; therefore, I, Jesus Keep Manifesting Myself little by little. Then, from your Link, Luisa of Connection with Me, the other Links of creatures shall be Connected, and I, Jesus shall have Crowds of souls who, Living in My Volition, shall Redo All the Acts of creatures; and I, Jesus shall have the Glory of Many Suspended Acts Done Only by Me, also from creatures - and these, from All Classes: virgins, Priests, lay people, according to their Office. They shall No Longer Operate humanly, but Penetrating into My Divine Will, their Acts shall Multiply for All in a Way Fully Divine; and I, Jesus shall have, on the part of creatures, the Divine Glory of Many Sacraments Received and Administered in a human way; others, profaned; others, sullied with interest; and of Many Good Works in which I, Jesus remain More dishonored than Honored. I, Jesus So Much Long-for *this time*; and you, Luisa Pray and Long-for it Together with Me, and Do Not move your Link of Connection with Mine, Starting, yourself, Luisa as the First One!”

V12 – 2.9.19 I was Saying to my Sweet Jesus: ‘How is it Possible that I, Luisa am the Second Link of Connection with Your Holy Humanity? There are souls So Very Dear to You, Jesus under whose feet I, Luisa Do Not Deserve To Be; and then, there is Your Inseparable Mama Mary, Who Occupies the First Place in Everything and over Everything. It seems to me, my Sweet Love, that

You really Want to Play games with me; yet, to the crudest torment of my soul, I, Luisa am Forced by Obedience to put this on paper. My Jesus, have pity on my hard martyrdom.'

While I was Saying this, my Always Lovable Jesus, Caressing me, Told me: "My daughter, why Do you trouble yourself? Is it perhaps Not My Usual Way to Elect from the dust and Form Great Portents - Portents of Grace? All the Honor is Mine, and the weaker and lower is the subject, the More I AM Glorified. And then, My Mama Mary Does Not Enter the Secondary Part of My Love, of My Will, but Forms One Single Link with Me. And it is also Certain that I, Jesus have souls Most Dear to Me, but this Does Not Exclude that I, Jesus might Elect one rather than another to a Height of Office - and Not Only of Office, but of Such Height of Sanctity as Befits the Living in My Most Holy Divine Will. The Graces that were Not Necessary for others, whom I, Did Not Call to Live in this Immensity of Sanctity of My Will, are Necessary for you, Luisa whom I, Jesus Elected even From Eternity. In these Most Sad Times I, Jesus Elected you, Luisa who, by Living in My Most Holy Divine Will, would Give Me Divine Love, Divine Reparation and Divine Satisfaction, that are Found Only in the Living in My Divine Will. These Times, My Love, My Will, Required this Greater Display of Love, in the face of So Much human wickedness. Am I perhaps Not Free To Do Whatever I, Jesus Want? Can anyone perhaps bind Me, The Son of God? No, No! Therefore, Calm yourself and Be Faithful To Me."

V12 – 2.10.19 "Now I, Jesus Want to Adorn you, Luisa and Clothe you, Luisa Like Me, so that, Together with Me, Jesus you, Luisa may Come Before the Majesty of the Eternal One, to Repeat My Same Office." So, Jesus Clothed me, Luisa and as though Identified me, Luisa with His Holy Humanity, and, Together, We Found Ourselves Before The Supreme Majesty. I don't Know how to Say it...this Divine Majesty was an Inaccessible, Immense, Varied Light of Incomprehensible Beauty, upon which Everything Depended. I, Luisa was lost in The Supreme Majesty, and even the Holy Humanity of Jesus was small. The mere Entering into the Air of this Light brought Happiness, Embellished...but I don't Know how to go on in Saying it. And my Sweet Jesus Said: "Adore the Uncreated Power Together with Me in the Immensity of My Most Holy Divine Will, so that Not I Alone, but also another creature may Adore in a Divine Manner, in the Name of All her brothers of the human generations of All Centuries, The One Who Created Everything and Upon Whom All things Depend."

V12 – 5.4.19 "Ah! My daughter, from within your heart, Luisa I AM Allotting The Destiny of the world. Your heart Luisa is the Center of My Throne upon earth; and from My Center I, Jesus Look at the world, the madness of creatures, the precipice (the brink of a dangerous situation) that they are preparing; while I AM as though put aside, as if I, their Savior were nothing for them. And I AM Forced to withdraw The Light, Not Only of Grace, but also of their very Natural Reason, to Confound them and Make them Touch with their own hands "who man is," and "what man can do." And from within your heart, Luisa I, Jesus Look at him, and I, Jesus Cry and Pray for the ungrateful man; and I, Jesus Want you Luisa Together with Me, Jesus Crying and Praying, and Suffering for My Relief and My Company."

And I: 'My poor Jesus, How Much Compassion I, Luisa Feel for You, Jesus. Ah! Yes, I shall Cry and Pray Together with You, Jesus. But Tell me, my Love, how is it possible that my heart be the Center of Your Throne upon earth, while there are So Many Good souls in whom You, Jesus

Dwell – while I, Luisa am so bad?’ And Jesus added: “In Heaven also I Have the Center of My Throne, while I AM the Life of Each Blessed, and by being Life of Each Blessed, I, Jesus Do Not Exclude that I Have a Throne in which All My Majesty, My Omnipotence, My Immensity, My Beauty, My Wisdom, etc. Reside as in the Central Point, since Each Blessed Can Not Contain Me, Not having the Capacity of Containing All The Immensity of My Being. In the Same Way, on earth I, Jesus have My Center; while I, Jesus Dwell in others, I Have My Central Point from which I Decide, I Command, I Operate, I Do Good, I Chastise – that I, Jesus Do Not Do in the other Dwellings. And Do you Know Why I, Jesus have Chosen you, Luisa as the Central Place? Because I, Jesus have Chosen you, Luisa to Live Life in My Most Holy Divine Will, and *the one* who Lives in My Will is Capable of Containing Me Completely, as My Central Point, because she Lives in the Center of My Being and I, Jesus Live in the Center of hers. But while I, Jesus Live in her Center, I Live as if I, Jesus were in My Own Center. On the other hand, one who Does Not Live in My Will can Not Embrace Me Completely; therefore, at the Most I, Jesus can Dwell there, but Not Erect My Throne. Ah! if All Understood the Great Good of Living in My Divine Will, they would Compete. But Alas! how few of them Understand Living in My Divine Will, and they live more in themselves than in Me.”

V12 – 3.19.20 “My daughter, when I, Jesus Asked you Luisa whether you, Luisa would Consent to Want to Live Life in My Volition and you, Luisa Accepted, Saying, ‘I, Luisa Say “Yes!”’, Not in my human will, but in Your Most Holy Divine Will, so that my “Yes!” may have All the Power and the All Value of a “Yes!” of a Divine Volition’ - that “Yes!” Exists and shall Always Exist, just as Your Divine Will shall Exist. Therefore, *your life, Luisa Ended - *your human will Luisa has No More Reason to live; and this is why I, Jesus Told you, Luisa that, since All creatures are in My Divine Will, in the name of the whole human family you, *Luisa Come to lay at the Foot of My Throne, in a Divine Manner, the thoughts of All in your mind, to Give Me The Glory of Each Thought; in your Gaze, in your Word, in your Action, in the Food you Take, and even in your Sleep, those of All. So, your Life *Luisa Must Embrace Everything. And Don’t you See Luisa that when, sometimes, Oppressed by the Weight of My Privation, something Escapes you of what you Do, and you Do Not Unite All the human family Together, I, Jesus Reprimand you; and if you Don’t Listen to Me, I Jesus become Afflicted, I Say to you: ‘If you Do Not Want to Follow Me, I, Jesus Do It on My Own’? *Life in My Most Holy Divine Will is to Live without one’s own life, without personal reflections, but is the Life that *Embraces All Lives Together. Be Attentive in this, and Do Not Fear!”

V12 – 3.2.21 “My daughter, Rise - Come into My Divine Will. I, Jesus Chose you, Luisa amid thousands and thousands, so that My Most Holy Divine Will may have Full Completion in you, Luisa and you, Luisa may be like an Iris of Peace that, from Its Seven Colors, Draws others to Live Life in My Divine Will. Therefore, Let Us put the earth aside; up until Now I, Jesus have Kept you, Luisa Together with Me to Placate My Justice and Prevent Harder Chastisements from Pouring Upon the earth. Now Let Us Allow the current of human evil to run, and I, Jesus Want you Luisa Together with Me, in My Volition, to Occupy yourself with Preparing the Era of My Most Holy Divine Will.

As you, Luisa Go Forward on the Path of My Volition, the Iris of Peace shall Form, that shall Form the Link of Connection between the Divine Will and human will. From it, My Will shall have Life upon earth, and the Fulfillment shall Begin, of My Prayer and the Prayer of the whole Church: ‘Thy Kingdom Come, Thy Will Be Done, On earth As It Is In Heaven’.”

V13 – 11.8.21 After this, I was Saying to my Jesus: ‘My Life, I Enter into Your Will to be able to Extend myself in Everyone and to Everything - from the first to the last thought, from the first to the last word, from the first to the last action and step that were Done, are Done, and shall Be Done. I, Luisa Want to Seal Everything With Your Divine Will, so that You, Jesus may Receive from Everything the Glory of Your Sanctity, of Your Love, of Your Power; and All that is human may Remain Covered, Hidden, Marked by Your Volition, so that Nothing - Nothing human may Remain, in which You, Jesus Do Not Receive Divine Glory.’

Now, while I was Doing this and other things, my Sweet Jesus came All Festive, Accompanied by Innumerable Blessed, and said: “All of Creation Says to Me: ‘My Glory, My Glory!’”

And All the Saints Responded: “Behold, O Lord, We Give You Divine Glory For Everything!” An Echo could be Heard from All Sides, Saying: “For Everything We Give You Love and Glory!”

And Jesus Added: “Blessed are you, Luisa and All Generations shall Call you Blessed Luisa. My Arm shall Make Works of Power in you. You, Luisa shall Be, The Divine Reflection; and Filling the whole earth, you, Luisa shall Make Me, Jesus Receive from All generations that Glory that they Deny to Me.”

On Hearing this, I, Luisa Remained confounded, annihilated, and I Did Not Want to write/read. And He, Caressing me, Told me: “No, No, you shall Do It – I, Jesus Want It. What I, Jesus Said shall Serve for the Honor of My Most Holy Divine Will. I Myself wanted to pay the just Homage that Befits the Sanctity in My Will; Even More, I, Jesus have said Nothing Compared to what I, Jesus Could Say.”

V13 – 11.26.21 “Now I, Jesus come to you, Luisa. I was True Man and True God, My Dear Mama Mary was Innocent and Holy, and Our Love pushed Us even Further: We Wanted another creature who, Conceived like All the other children of men, would Take the Third Place at My Side. I, Jesus was Not Satisfied with the fact that Only Myself and My Mama were Unbroken with the Divine Will; We Wanted other children who, in the Name of All, Living in Full Accord with Our Divine Will, would Give Us Divine Glory and Love for All. Therefore I, Jesus Called you, Luisa ab æterno, when Nothing Yet Existed down here; and just as I, Jesus Longed for My Dear Mama, Delighting in Her, Caressing Her, and Pouring Upon Her, in Torrents, All the Goods of The Divinity, so I, Jesus Longed for you Luisa, I, Jesus Caressed you, Luisa and the Torrents that Poured Upon My Mama Inundated you, Luisa for as Much as you Luisa were Capable of Containing. And The Torrents of Love Prepared you, Luisa The Torrents of Love Anticipated you, Luisa and, Embellishing you, Luisa The Torrents of Love Gave you, Luisa the Grace that My Most Holy Divine Will be Whole in you, Luisa and that, Not your human will, but My Divine Will would Animate even your littlest Acts. In Each Act of yours, Luisa Flowed My Life, My Will and All My Love. What Contentment, How Many Joys did I, Jesus Not Feel! This is why I,

Jesus Call you, Luisa, Second Prop (the one who serves as My means of support and assistance) after My Mama. Not upon you Luisa did I, Jesus Lean, because you were Nothing, and Lean I, Jesus could Not - but upon My Divine Will, that you, Luisa were to Contain. My Will is Life, and whoever Possesses My Will Possesses Life, and is able to Sustain the Author of Life Itself.

So, just as I, Jesus Centralized in Me the Purpose of Creation, and in My Mama Mary I, Jesus Centralized the Fruits of Redemption, in you, Luisa I, Jesus Centralized the Purpose of the Glory as if My Divine Will were Whole in Everyone; and from you, Luisa shall come the Group of the other creatures. The generations shall Not Pass Away if I, Jesus Do Not Obtain The Intent.”

V14 – 7.6.24 “Oh! how I, Jesus Exulted in Seeing you, Luisa as the First One - you, Luisa whom I, Jesus Called in a Special Way to Form your Life in My Divine Will! I, Jesus Made in you, Luisa the First Deposit of All My Sacramental Lives, I, Jesus Entrusted you, Luisa to the Power and to the Immensity of the Supreme Volition, that The Power and Immensity Might Render you, Luisa Capable of Receiving this Deposit; and from that Time you, Luisa were Present to Me, and I, Jesus Constituted you, Luisa Depository of My Sacramental Life, and, in you, Luisa All *the other souls* who would Live in My Divine Will. I, Jesus Gave you, Luisa Primacy over Everything - and with Reason, because My Divine Will is Not Subject to anyone – and even Over the Apostles and the Priests. In fact, if the Priests Consecrate Me, they Do Not, however, Remain as Life Together with Me; on the Contrary, they Leave Me Alone and Forgotten, Not Caring about Me, Jesus; while *these souls* would Be Life within My Own Life - Inseparable from Me. This is why I, Jesus Love you, Luisa So Much – It Is My Own Divine Will that I, Jesus Love in you, Luisa.”

V14 – 8.6.22 “Now, My daughter, this is why I, Jesus have Called you, Luisa in a Special Way into this Balance of My Most Holy Divine Will - so that, as you, Luisa Live in My Will, that you, Luisa may come to Balance the whole Operating of deranged humanity. By Living in My Divine Will, you shall Balance yourself, you, Luisa shall be in Order and in Perfect Harmony with Us, Triune God and with All things Created by Us. So, since you, Luisa Harmonize Everything, We shall Feel in you, Luisa Flowing in the Sphere of Our Will, Giving Us the Order and the Harmony of All the intelligences, words, works and steps of All. We shall Constitute your Acts Luisa in Our Will as Rulers of All *the others*, and We shall Make Up for the chaos of misfortunate humanity. Each Act of yours Luisa shall be the Mark of the Order that We shall Receive in the name of All *others*. You, Luisa have Much to Do in Our Will; you, Luisa shall be like a Queen, who shall Bring Us All Conquests, All Harmonies. Our Will shall Administer to you, Luisa Everything that is Necessary so that you Luisa may Make Up for All before Us, and Fill the Void of Balance of the human will, that Received So Much harm in withdrawing from the Balance of Our Most Holy Divine Will.”

V14 – 9.5.22 “Now, Know that I, Jesus have Enclosed and Fixed the Creation in you, Luisa. I, Jesus Want that that which was Done in Heaven have Life upon earth - but in Our Own Will that, Ascending to Us Again, may Bring Creation to Us in All Love, Full of Light and Beautiful as We Issued Creation. This is why I, Jesus Marked in you, Luisa All the deaths and pains of Each creature, and All creatures Together – so that I, Jesus Might Find in you Luisa the Whole Creation. And since Heaven Remains Open between you, Luisa and Us, Triune God you, Luisa shall Bring

Creation onto Our Lap, as though Delivered by you – that is, as a Birth from Our Divine Will Made in you, Luisa that you Bring Back to Our Feet, Delivering Creation onto Our Lap. These are Our Rights that We Claim; All We Want is that that which Came Out of Us Enter into Us. It is True that Our Will Alone, Acting in *a soul* with Our Divine Will’s Power just as Our Fiat Acted in that Void when We Issued the Creation, shall be able to Give Us Back Our Rights, and Make the whole Creation Smile at Us, at Our Feet, as though in Triumph. But We Want to Use this Power so that We may Not Remain Disappointed in the Work of Creation; and Our Love Triumphs More in Taking from *one creature* that which All should Give Us. Now We are Fixing Everything in you Luisa; then, the *other* little Births shall be Delivered that, Loving to Live in this Way in Our Will, shall bring onto Our Lap – some of them ten, some twenty, some a hundred [measures] of Creation. You, Luisa shall be like a tree that has Sunk its roots Deep into Our Will, and these roots shall Make *other saplings* Germinate that, Forming a Crown around the tree, *they* shall Produce *their* Fruits.

True Good Never Remains Isolated; and since My Will is the Greatest Good, My Divine Will’s Fecundity shall be Immense. Therefore, Courage, Be Attentive to Everything; it is True that Our Will shall Do Everything, but the thread of yours Luisa Must Run Together with My Will and Extend into Heaven, on earth and in Everything, to Let Us Accomplish What We Want to Operate in you, Luisa.”

V14 – 11.11.22 “Now I, Jesus Come to you, Luisa. After My Celestial Mama, I, Jesus Called you, Luisa so that All human Acts may have the First Seal Done by Me, the Second Seal Done by My Mama, and the Third Seal Done by you Luisa, *one creature* of Common stock. My Eternal Love would Not be Content, if I, Jesus did Not Raise *one* of common stock, who would *Open the Doors* for *those* who would dispose themselves to Enter through these Doors in order to Live in Our Most Holy Divine Will. This is the Reason for My Many Manifestations, the Many Values and Many Effects that I, Jesus Made Known to you, Luisa (in the Book of Heaven), about My Divine Will. These shall be Powerful Magnets to Draw you, Luisa and then *others*, to Live in My Will. However, in order to Enter into Our Will and Follow the Sublime Flight of My Acts and of those of My Inseparable Mama, as Much as you, Luisa are of common stock, you could Not Enter into Our Will if you did Not have, or had at least been Transformed into, the Nature that Came Out of My Hands before Adam/man withdrew from Our Divine Will. Here, then, My Many Graces in order to Restore your Nature, Restore your soul, to that Original State. As I, Jesus Engraced you, Luisa so I, Jesus Removed from you the seeds, the tendencies, the passions of the rebellious nature, always Leaving your Free will. Having to Call you Luisa into the Center of My Divine Will to Live a Communal Life in My Will, to Make you, Luisa` Cover All the Acts Done by Me, that are Not Yet Known by creatures, it was Necessary to Restore your Nature Luisa to this Happy State, for My Decorum, My Sanctity and My Dignity. Otherwise, you, Luisa could Not have Run with Me in the Interminable Acts of My Will, Nor be with Me with that Ease that is Needed in order to Operate Together. The passions, the seeds of tendencies that are Not Good, would have been like many bars of division between you and Me. At the Most, you would have been at the Commands of My Will, like many other Faithful ones of Mine, but you would have been very far from Doing What I, Jesus Did, and Neither you Nor I, Jesus would

have been Happy; while Living in My Will is precisely this - to Live Fully Happy on earth, to then move on to Live More Happy in Heaven.

Therefore, I, Jesus Tell you, Luisa True daughter of My Volition, you, Luisa, First Happy Birth from My Will - Be Attentive and Faithful to Me. Come into My Eternal Volition - My Acts Await you, Luisa Wanting the Seal of your Acts; those Acts of My Mama Await you, Luisa; the Whole of Heaven Awaits you, Luisa Wanting to See All of Their Acts Glorified in My Will by a creature of Their own stock; the Present and Future generations Await you, Luisa to be Given Back the Lost Happiness. Ah! No, No, the generations shall Not End Until man Returns into My Womb, Beautiful, Dominating, just as Adam Came Out of My Creative Hands. I AM Not Content with having Redeemed him; even at the cost of Waiting, I, Jesus shall still have Patience, but he Must Return to Me As I Made him, by Virtue of My Will. By doing his own human will, he Descended into the abyss and transformed himself into a brute; by Doing My Most Holy Divine Will, he shall Ascend and Acquire the New Transformation into the Nature Created by Me. Then shall I, Jesus Be Able To Say: ‘I, Jesus have Accomplished Everything; the Order of the Whole Creation has Returned to Me, and I Shall Rest In It!’

V15 – 4.20.23 “Daughter So Very Dear to My Supreme Volition, it is My Usual Way to Do My Greatest Works in souls that are Virgin and unknown; and Not Only Virgin of Nature, but Virgin of Affections, of Heart, of Thoughts, because True Virginity is the Divine Shadow, and Only in My Shadow can I, Jesus Fecundate My Greatest Works. During the times when I, Jesus came to Redeem there were also Pontiffs and Authorities, but I Did Not Go to them, because My Shadow was Not there. Therefore, I, Jesus Chose a Virgin, unknown to all, but well Known to Me; and if True Virginity is My Shadow, it was Divine Jealousy that, Choosing Her unknown, Wanting Her All for Myself, Kept Her unknown to all others. But even though this Celestial Virgin was unknown, I, Jesus Made Myself Known, by Making My Way in order to Make Redemption Known to All.

The Greater the Work I, Jesus Want to Do, the More I Cover the soul with the appearance of the Most Ordinary things. Now, since the people you, Luisa mention are well-known people, the Divine Jealousy could Not Keep Its Watch; and the Divine Shadow – oh! how hard It is to find It. And besides, I, Jesus Choose whomever I, Jesus Please. It is Established that Two Virgins Must come to the Aid of humanity - one to Make man Saved, the other to Make My Divine Will Reign Upon earth, so as to Give man his terrestrial Happiness, to Unite the two wills, the Divine Will and the human will, and Make them One, so that the Purpose for which man was Created may have Its Complete Fulfillment. I Myself shall take care of Making My Way in order to Make Known What I, Jesus Want! What I Most Care about is to have the first creature, (Luisa) in whom to Centralize this Volition of Mine, and that My Divine Will may have Life in her (Luisa) On earth As It Does In Heaven; the rest shall Come by itself. This is why I, Jesus Always Say to you, Luisa: ‘Your Flight in My Will’ - because the human will contains weaknesses, passions, miseries, that are veils that prevent one from Entering into the Eternal Volition; and if they are grave sins, they are barricades that are formed between one and the other. And if My Fiat ‘On earth As It Is In Heaven’ Does Not Reign upon earth, this is precisely what prevents My Divine Will from Doing so. Therefore, to you, Luisa it is Given to tear these veils, to knock down these barricades, and to Make of All human acts as though One Single Act in the Power of My Will,

Engulfing them All, and bringing them to the Feet of My Celestial Father, as though Kissed and Sealed by His Very Will; so that, in Seeing that one creature, (Luisa) has Covered the whole human family with His Most Holy Divine Will, Attracted, and Pleased, My Celestial Father may through her (Luisa) Let His Divine Will Descend Upon earth, Making His Divine Will Reign on earth As It Does In Heaven.”

V15 – 4.28.23 “Now, to *the one* who makes My Most Holy Divine Will her own and Lives in My Fiat as in her own Royal Palace, the Same Power is Communicated, as Much as It is Possible for a creature.”

Now, while Jesus was Saying this, I, Luisa Felt myself being drawn outside of myself, and I, Luisa found an ugly monster under my feet, that was biting itself out of rage. And Jesus, being Near me, added: “Just as My Virgin Mother Crushed the head of the infernal serpent, so do I, Jesus Want another Virgin, (Luisa), who Must be the First Possessor of the Supreme Will, to Press that infernal head Again, so as to Crush it and Debilitate it, in Such a Way as to confine it into hell, that she may have Full Dominion over it, and it may Not dare to approach those who Must Live in My Divine Will. Therefore, Luisa, place your foot on its head, and Crush it!” Made Brave, I, Luisa did it, and it would bite itself more, and so as Not to Feel my touch, it shut itself up in the darkest abysses. Then Jesus Resumed His Speaking: “My daughter, do you think that the Living in My Most Holy Divine Will is Nothing? No, No – on the contrary, It Is The All, It Is The Fulfillment of All Sanctities, It Is The Absolute Dominion of oneself, of one’s passions, and of one’s capital enemies; It Is The Complete Triumph of the Creator over the creature. So, if she Adheres, and I, Jesus Come to having her Live in My Will, and she Does Not Want to Know her own human will Ever Again, I, Jesus have Nothing left to Want From the creature, and she has Nothing Left to Give Me. All My Yearnings are Fulfilled, My Designs Realized – there is nothing left but to Delight in Each Other. It is True that I, Jesus Came Upon earth to Redeem man, but My Primary Purpose was that The Divine Will would Triumph over the human will by According these two wills Together and Making them One, Taking the human will into that Divine Will from which it had gone out. This was the Main Offense that My Celestial Father Received from man, and I, Jesus was to Compensate My Celestial Father for the Main Offense, otherwise I, Jesus would Not have Given My Celestial Father Full Satisfaction. But in order to Obtain the First Purpose, First I, Jesus had to Issue the Second Purpose– that is, to save him, to Extend My Hand to him, since he had fallen; to Wash him of the mud in which he was lying. How could I, Jesus Say: ‘Come to Live in My Will’, if he was horrid to look at, and was under the slavery of the infernal enemy?

Therefore, after having obtained the Second Purpose, I, Jesus Want to Secure the First One – that My Will Be Done On earth As It Is In Heaven, and that man, who had Gone Out of My Will, Enter into Mine Once Again. And in order to Obtain this, I, Jesus Give to this First creature, Luisa All My Merits, All My Works and All My Steps, My Palpitating Heart, My Wounds, My Blood - the Whole of My Holy Humanity, to Dispose her, to Prepare her, to Let her Enter into My Most Holy Divine Will. In fact, First she, Luisa Must Take the Complete Fruit of My Redemption, and then, as though in Triumph, Enter the Possession of the Immense Sea of My Supreme Will. I, Jesus Do Not Want her, Luisa to Enter as a stranger, but as a Daughter; Not as poor, but as Rich;

Not as ugly, but as Beautiful, as if she, Luisa were Another Me. Therefore, I, Jesus Want to Centralize the Whole of My Life in you, Luisa.”

Vol. 15 – 7.11.23 “Now, My daughter, you too are Unique in My Mind, and shall also be Unique in history; and there shall Not Be, either before or after you, Luisa another creature for whom I, Jesus shall Dispose, as though Forced by Necessity, the Assistance of My Priest/Ministers. Having Chosen you Luisa in order to Deposit in you, Luisa the Sanctity, the Goods, the Effects, the Attitude, of My Supreme Will, it was Appropriate, Just, Decorous, for the Very Sanctity that My Will Contains, that a Priest/Minister of Mine should Assist you and be the *First Depository* of the Goods that My Will Contains, so as to Let this Depository Pass from the Priest’s lap into the Whole Body of The Church. What Great Attention is Required of you, Luisa and of The Priests: of you, Luisa in Receiving from Me, Jesus like a Second Mother to Me, the Great Gift of My Most Holy Divine Will, and in Knowing All Its Divine Qualities; of The Priests, by Receiving them from you, Luisa so that the ‘Fiat Voluntas Tua On earth As It Is In Heaven’ may Be Fulfilled in My Church. Ah! you, Do Not Know How Much I, Jesus had to Give you, Luisa in order to Dispose your Capacity, so that I, Jesus might Deposit My Will in you, Luisa I, Jesus Removed from you Luisa any seed of corruption; I, Jesus Purified your soul, Luisa your very nature, in Such a Way that Neither Do you Feel Anything for (the fallen human nature), Nor Do they for you, because, since the seed is missing, it is as if fire were missing to firewood. And even though I, Jesus did Not Exempt you, Luisa from original sin, as I, Jesus did with My Dear Mother, by Removing from you, Luisa the seed of corruption I, Jesus Worked another Prodigy of Grace, Never Conceded to anyone else, because it was Not Decorous for My Will, Trice Holy, to Descend into and Take Possession of a soul that would be shaded, even slightly, by the slightest corrupted breath. My Will would Not have Adapted Itself to Taking Possession of her, to Communicating Its Attitude to her, had My Will Seen any seed of corruption in her, just as I, Word of the Father, would Not have Adapted Myself to being Conceived in the Womb of The Celestial Mama, had I, Jesus Not Exempted The Blessed Mother from original sin. And then, How Many Graces have I, Jesus Not Given you Luisa? You think It is Nothing, and therefore you, Give It No thought; and instead of Thanking Me, you, Occupy yourself with thinking about what I, Jesus have disposed for you and for those whom I, Jesus have Placed Around you – *while I, Jesus Want you, to Only Follow My Most Holy Divine Will!*

You Must Know that this Fulfillment of My Will is So Great as to be numbered among the Greatest Works that the Divinity has Operated. And I, Jesus Want It to be Known, so that in Knowing The Fulfillment of My Will’s Greatness and the Immense Goods My Divine Will Contains, they may Love My Will, Esteem My Will and Desire My Will. Three Times did the Supreme Divinity Decide to Operate ‘ad extra’. The First was in Creation, and it was without the intervention of the creature, since none of them had yet come out to the light of the day. The Second was in Redemption, and with It intervened a woman, the Holiest, the Most Beautiful – My Celestial Mama. She was the Channel and the Instrument I Jesus Used in order to Fulfill the Work of Redemption. The Third is the Fulfillment of My Will to Be Done On earth As It Is In Heaven – that is, for the creature to Live and Operate with the Sanctity and the Power of Our Most Holy Divine Will; a Work Inseparable from Creation and Redemption, just as the Sacrosanct Trinity is Inseparable. Nor can We, Triune God can Say that the Work of Creation has been

Completed by Us, if Our Will, as it was Decreed by Us, Does Not Act in the creature and Live with that Freedom, Sanctity and Power with which My Will Operates and Lives in Us. Even More, this is the Most Beautiful Point, the Highest, the Brightest, and the Seal of the Fulfillment of the Work of Creation and Redemption.

These are Divine Decrees, and they Must have Full Completion. And in order to Fulfill this Decree We Want to Make use of another woman – and that is you, Luisa. The woman, Eve was the incitement, the Cause for which Adam/man fell into his misfortunes, and We Want to Make use of the woman to put things back in order, to Let man out of his misfortunes and Give Back to him Decorum, Honor, Our True Likeness - just as Adam/he was Created by Us. Therefore, Be Attentive, and Do Not take things lightly. This is Not about just anything – this is about Divine Decrees, and about Giving Us, Triune God the Field to Let Us Accomplish the Work of Creation and Redemption. Therefore, just as We Entrusted Our Mama to St. John, that Our Lady might Deposit in him, and from him into the Church, the Treasures, the Graces and All of My Teachings that I, Jesus had Deposited in My Blessed Mother during the Course of My Life, when She was Entrusted to Me and I, Jesus Acted as Priest to Her - as I, Jesus Deposited in Mary, as in a Sanctuary, All the Laws, the Precepts and the Doctrines that the Church was to Possess; and My Mother, Faithful as She was, and Jealous of even One Word of Mine, Deposited them in My Faithful Disciple John, so that My Gospels might Not be lost; and therefore My Mama has Primacy Over the Whole Church - so I, Jesus have Done with you, Luisa: since the ‘Fiat Voluntas Tua’ Must Serve the Whole Church, I, Jesus Entrusted you, Luisa to a Priest/Minister of Mine, that you, Luisa may Deposit in the Priest Everything I, Jesus Manifest to you, Luisa about My Divine Will – the Goods Contained in My Divine Will, How the creature Must Enter into My Divine Will, and How the Paternal Goodness Wants to Open Another Era of Grace, Placing His Goods, that My Heavenly Father Possesses in Heaven, in Common with the creature, and Giving Back to *her* the lost Happiness. Therefore, Be Attentive, and Be Faithful to Me, Jesus.”

Volume 16 – 2.22.24 “Now let’s come to Us, My daughter. When I, Jesus Came Upon earth, man was so engulfed in evil and so full of human will, that the Living in My Will could find No place. So, in My Redemption, *first I, Jesus Impetrated for him the Grace of Resignation to My Divine Will, because in the state he was in, he was incapable of receiving the Greatest Gift – the Living in My Will. And then I, Jesus Impetrated for him the Greatest Grace, as Crown and Fulfillment of All Graces – the Living in My Divine Will, so that Our Pure Joys of Creation and Our Innocent Amusements would Resume Their Course Once Again on the face of the earth.* See, about twenty centuries have passed since the True and Pure Joys of Creation were interrupted, because We, Did Not Find Sufficient Capacity, total stripping of the human will, to be able to Entrust the Property of Our Divine Will. Now, in order to do this, We, had to Choose a creature who would be More Proximate and Associated with the human generations. Had I, Jesus Placed My Mama as the Example, *they* would have felt very distant from Her, and would have said: ‘How could She Not Live in the Divine Will, since She was Exempt from any stain of sin, even of Origin?’ Therefore, *they* would have shrugged their shoulders, and would Not have given it a thought. And if I, Jesus had placed My Holy Humanity as the Example, they would have been frightened Even More, and would have said: ‘He was God and Man, and since the Divine Will was His Own Life, it is no wonder that He Lived in the Supreme Volition.’ Therefore,

so that this Living in My Will might have Life in My Church, I, Jesus was to go down the ladder, Descend lower, and Choose a creature, Luisa from their midst. Providing her/ Luisa with Sufficient Graces, and Making My Way into her/Luisa's soul, I, Jesus was to Empty her/Luisa of Everything, Making her/Luisa Understand the great evil of the human will, so that she/Luisa would abhor her human will So Much as to choose death rather than doing her/Luisa's own human will. Then, Giving her/Luisa the Gift of My Divine Will, Assuming the Attitude of Teacher, I, Jesus Made her/Luisa Understand All the Beauty, the Power, the Effects, the Value, and the Way in which she/Luisa was to Live in My Eternal Will. So that she/Luisa Might Live in My Divine Will, I, Jesus Established in her/Luisa the Law of My Divine Will. I, Jesus Acted as in a Second Redemption, in which I Established the Gospel, the Sacraments, the Teachings, as Primary Life in order to be able to Continue the Redemption. Had I, Jesus left Nothing as the Foundation, what would creatures cling to? What to Do? So, I, Jesus did for the Living in My Will. How Many Teachings have I, Jesus Not Given you, Luisa? How Many times have I, Jesus Not Led you, Luisa by the hand in the Eternal Flights in My Volition; and you, Luisa hovering over the Whole Creation, and you, Luisa have brought the Pure Joys of Creation to the *Feet of the Divinity*, and We, Triune God, have Amused Ourselves with you, Luisa?

Now, because We, Triune God have Chosen a creature (Luisa) who apparently has No great disparity from *them*, *they* shall take Courage; and Finding the Teachings, the Way, and Knowing the Great Good Contained in the Living in My Will, *they* shall Make My Will *their own*, and so the Pure Joys of Creation and Our Innocent Amusements shall No Longer Be Broken On the face of the earth. And even if there should be but one for Each generation to Live in Our Will, It shall Always be Feast for Us, and in the Feasts there is Always a Greater Display, and one is More Generous in Giving. Oh! How Many Goods *they* shall Obtain for the earth, while their Creator Amuses Himself on its plains. Therefore, My Dear Daughter, Be Attentive to My Teachings, because this is about Letting Me Found a Law - Not Terrestrial, but Celestial; Not a law of mere Sanctity, but a Divine Law - a Law that shall No Longer let one distinguish the terrestrial citizens from the Celestial ones; a Law of Love that, destroying everything that can prevent, even in the slightest, the Union of the creature with her Creator, shall place All His Goods in Common, removing from her All the weaknesses and miseries of original sin. The Law of My Will shall place So Much Strength in the soul, as to serve her as Sweet Enchantment, in Such a Way as to put to sleep the evils of her nature and substitute them with the Sweet Enchantment of the Divine Goods. Remember How Many times you, Luisa have Seen Me Write in the depth of your soul – (My Writing) was the New Law of the Living in My Will; and First I, Jesus Delighted in Writing It, in order to Expand your Capacity, Luisa and then I, Jesus Took the Attitude of Teacher in order to Explain the New Law of the Living in My Will to you, Luisa. How Many times have you, Luisa Not Seen Me Taciturn (silent; not apt to speak) and Pensive (in deep and serious thought) in the depth of your soul? It was the Great Crafting of My Will that I, Jesus was Forming; and you, Luisa Not Seeing Me Speak, lamented that I, Jesus did Not Love you Anymore. Ah! it was Precisely then that, Pouring Out Upon you, Luisa My Will would Enlarge your Capacity, would Confirm you in My Most Holy Divine Will, and would Love you The Most. Therefore, Do Not Want to Investigate Anything of what I, Jesus Do, but Rest, Secure, Always in My Divine Will.”

Volume 16 – 11.10.23 “My Dear little one, I, Jesus have Chosen you, Luisa little, because the little ones Let one Do with *them* whatever He Wants. *They* Do Not walk by themselves, but Let themselves be Guided; Even More, they are Afraid to place one foot *on their own*. If they Receive Gifts, feeling incapable of Keeping them, *they* place them on the lap of *their* mama. The little ones are stripped of Everything, Nor Do *they* Care about whether they are rich or poor; they are Concerned With Nothing. Oh! how Beautiful the tender age is - Full of Grace, of Beauty and of Freshness. Therefore, the Greater is the Work I, Jesus Want to Do in a soul, the littler I, Jesus Choose her. I, Jesus Like Childlike Freshness and Beauty Very Much; I, Jesus Like It So Much that I, Jesus Preserve *these souls* in the littleness of the nothingness from which *they came*. I, Jesus Let Nothing of *their own* Enter into *them*, so as Not to Let *them* lose their littleness, and therefore Preserve the Divine Freshness and Divine Beauty from which *they* came.”

On hearing this, I said: ‘Jesus, My Love, it seems to me that I am so very bad, and this is why I am so little; and You, Jesus are Saying that You Jesus Love me Very Much because I, Luisa am little? How can this be?’ And Jesus, again: “My little one, badness cannot enter the True little ones. Do you Know when evil, when Growth begins to Enter? When one’s own human will begins to enter. As it enters, the creature begins to fill herself and to live of herself; the All Goes Out of the littleness of the creature, and it seems to her that her littleness becomes greater – but, (false) greatness to be cried over. Since God Does Not Live Completely in her, she moves away from her Beginning, dishonors her Origin, loses the Light, the Beauty, the Sanctity, the Freshness of her Creator. She seems to Grow before herself and maybe before men; but before Me – Oh! how she decreases. She may even become Great, but she shall Never be My Beloved, little one – the one, Luisa whom, Taken by Love for her/Luisa, I Fill with Myself, that she/Luisa may Remain as I Created her/Luisa, and I, Jesus Make of her/Luisa the Greatest, whom No One shall be able to Equal.

I, Jesus Did so with My Celestial Mama. Among All generations, She/Mary is the littlest, because Her/Mary’s human will Never Entered into Her/Mary as Acting, but Always (Only) My Eternal Will; and this Not Only Kept Her/Mary little, Beautiful, Fresh, as She/Mary had Come Out of Us, Triune God, but Made Her/Mary the Greatest of All. Oh! How Beautiful She/Mary was, little in Herself, but Great and Superior to All by Virtue of Ourselves. And Only because of Her littleness was She/Mary Lifted Up to the Height of Mother of The One Who Formed Her. So, as you See, All the Good of man is in Doing My Will; All the evil is in Doing his own human will. Therefore, in order to come to Redeem man, I, Jesus Chose My Mother because She/Mary was little, and I, Jesus Used Her/Mary as Channel in order to Let All the Goods and Fruits of Redemption Descend Upon mankind.

Now, so that My Will might be Known, and Heaven might be Opened to Let My Divine Will Descend upon earth and Reign on earth As It Does In Heaven, I, Jesus had to Choose another little one among All generations. Since This Is the Greatest Work I, Jesus Want to Do – to Restore man in his Origin, From which he Came, to Open to him that Divine Will that he/Adam Rejected, to Open My Arms to him to Receive him Once Again into the Womb of My Will – My Infinite Wisdom Calls the littlest one, Luisa Out of Nothing. It was just that she be little: if I, Jesus placed a little one, Mary, at the Head of Redemption, I, Jesus had to Place another little one, Luisa at the

Head of The Fiat Voluntas Tua on earth As It Is In Heaven. Between, two little ones I, Jesus was to Enclose the Purpose of the Creation of Adam/man – I, Jesus was to Realize My Designs Upon him/Adam: through Mary, the one, I, Jesus was to Redeem him, Wash him of his ugliness with My Blood, and Give him Forgiveness; through Luisa, the other one, I, Jesus was to Make him Return to his Beginning, to his Origin, to the lost Nobility, to the Bonds of My Will broken by him, Admitting him Once Again to the Smile of My Eternal Will, Kissing Each Other and Live one within the other. This Alone was the Purpose of the Creation of Adam/man, and what I, Jesus have Established No One shall be able to Oppose. Centuries upon centuries shall go by - just as in Redemption, so also in this; but man shall Return into My Arms as he/Adam was Created by Me. But in order to Do this, First I, Jesus have to Choose the one,(Mary) who Must be the First to Live Life in My Eternal Will, Bind in her/Mary All the relations of Creation, and Live with her/Mary with No split of wills; rather, with her human will and Our Divine Will as One. From here the Necessity that she/Mary be the littlest that We Issue in Creation – so that, in Seeing herself as so little, she/Mary may shun her human will; Even More, she/Mary may Bind her human will So Tightly to Our Divine Will as to Never Do her human will; and though little, she/Mary may Live Together with Us, Triune God, from the Blowing of that Breath with which We Created Adam/man. Our Divine Will Preserves her/Mary Fresh and Beautiful; she/Mary Forms Our Smile, Our Amusement, and We Do With her/Mary Whatever We Want. Oh! How Happy she/Mary is; and Enjoying her/Mary's littleness and her/Mary's Happy Destiny, she/Mary shall Cry for her brothers and sisters and shall Occupy herself with Nothing Else but Compensating Us, for All and for Each one, of All the wrongs they Do to Us by withdrawing from Our Most Holy Divine Will. The tears of *the one,* (Mary) who Lives in Our Will shall be Powerful; More So, since she/Mary Wants Nothing but What We Ourselves Want; and after the First Channel of Redemption, through her/Mary We, Triune God shall Open the Second One, (Luisa) of the Fiat Voluntas Tua On earth As It Is In Heaven.”

On hearing this, I, Luisa said: ‘My Love and my All, Tell me, Who shall this Fortunate little one be? Oh! How I, Luisa would Like to Know her.’ And Jesus, Immediately Said: “What? Have you *Not Understood Who* she is? It Is you, Luisa, My little one. I, Jesus have Told you, Luisa Many Times that you, Luisa are the little one, and this is Why I, Jesus Love you, Luisa.” But as Jesus Was Saying this, I, Luisa Felt as though I, Luisa was being Transported Outside of myself, into a Most Pure Light, in which one could See All generations, as though Divided into Two Wings – one on the Right and the other on the Left of the Throne of God. At the Head of One Wing there was the August Queen Mama Mary, from whom Descended All the Goods of Redemption. Oh! How Beautiful was Her/Mary's littleness! Marvelous, Prodigious littleness: little and Powerful, little and Great, little and Queen; little, with Everyone hanging upon Her/Mary's littleness, while She/Mary Disposes of Everything, Rules Over All, and Only because She/Mary is little, She/Mary Enfolds The Word within Her littleness, Making Jesus Descend from Heaven to earth, to Let Him die for Love of men. At the Head of the Other Wing, one could See Another little one, and – I, Luisa Say it Trembling and to Obey - she was *the one* whom Jesus had Called His little daughter of the Divine Will. And my Sweet Jesus, placing Himself in the middle of these Two Wings, Between the Two little ones who were at the Head of Them, with one Hand Took mine, Luisa and with the other Hand that of the Queen Mama, and He Joined

Them Together, Saying: “My little daughters, Hold Each other’s Hand before Our Throne, and Embrace the Eternal Divine Majesty in your little arms. To you Alone, because you are little, is it Given to Embrace The Eternal One, The Infinite One, and to Enter into Him. And if the First little one (Mary) snatched Redemption from the Love of The Eternal One, so may the Second, (Luisa) her hand Held by the First, (Mary) be Helped by Her/Mary to snatch from The Eternal Love the Fiat Voluntas Tua On earth As It Is In Heaven.”

Now, who can say what happened? I have no words to be able to express myself. I can only say that I remained more humiliated and confused, and almost like a fussy little girl, I wanted my Jesus in order to tell Him of my fears, of my doubts. And I prayed that He would cast all these things away from me, as I feared that the mere thought of them was a subtle pride, and that He would give me the Grace to really Love Him and to do His Most Holy Will in everything. Then, my Always Lovable Jesus, coming back again, made Himself seen inside of me, and my person served as though to cover Him inside of me. And without letting me Speak, Jesus Told me: “Luisa, My poor little one, what do you fear? Courage, I AM the One Who shall Do Everything in you My little daughter, Luisa; you, Luisa shall do nothing but follow Me Faithfully, won’t you? You are right that you, Luisa are too little and can do nothing, but I, Jesus shall do everything in you, Luisa. Don’t you see how I AM Within you, Luisa and you are nothing but the shadow that Covers Me, Jesus? I AM the One Who shall cross within you Luisa The Eternal and Unending Boundaries of My Divine Will; I, Jesus The One Who shall Embrace All generations in order to Bring them, Together with your shadow, Luisa to the Feet of the Eternal One, so that the two wills, the human and The Divine Will, may Kiss Each Other, may Smile at Each Other, and may No Longer Look at Each Other like strangers, being separated, scowling at Each Other, but One may be Fused within the other, Forming One Single Will. It is the Power of your Jesus that Must Do this; you, Luisa Must Do Nothing but *Adhere*. I Know, I Know that you, Luisa are Nothing and Can Do Nothing, and this is why you Afflict yourself; but it is the Strength of My Arm that Wants and Can Operate, and I, Jesus Like to Operate Great Things in the littlest ones.”

“...Therefore, don’t you, Luisa Want To Be With Me, Jesus in Giving man the Work that I, Jesus Completed with My Coming upon earth? So, Be Attentive and Faithful; Do Not Fear, I, Jesus shall Always Keep you, Luisa little so as to be able to Complete More My Designs Upon you, Luisa.”

Volume 16 – 12.6.23 “My little one, in order for The Divine Will of Heaven to Descend upon earth, It Is Necessary that All human Acts be Sealed and Glazed with Acts of Divine Will, so that, in Seeing that All the Acts of creatures are Smothered with The Divine Will, Drawn by the Powerful Magnet of My Own Volition, The Supreme Will may Descend upon earth and Reign on earth. To you, Luisa then, as Firstborn daughter of Our Divine Will, is this Task Given.

1.) *Know, First that in order to Draw The Word from Heaven, My Mama Took On this ^Commitment of *Going Around* through All generations; and Making All the Acts of human will Her Own, She/Mary placed The Divine Will in them, since She/Mary Possessed So Much of this Capital of The Supreme Volition as to Surpass Everything that All creatures Together would Possess. And for Each Round She Did, She Multiplied this Capital. So, in Seeing that One of Our Most Faithful creatures had Smothered, with So Much Grace and Love, All the human Acts with The Divine Will, Taking to Heart what was Needed in order to Do this, and in Seeing that Our

Most Holy Divine Will was Present in the world, I, Eternal Word, Drawn, Descended from Heaven.

2.)*The Second Commitment Befitted Me, Jesus in order to Form the Redemption. How Much I, Jesus had to *Go Around*, through All human Acts, taking them all as though in My Hand and Covering them, Sealing them, Glazing them with My Divine Will, in order to Draw My Celestial Father to Look at All the human Acts Covered with that Divine Will that Adam/man had Rejected into the Celestial Regions, so that My Divine Father might Open the Doors of Heaven, that had been Closed by the human will. There is No Good that Descends if Not by Means of My Divine Will.

3.)*The Third Commitment is yours, Luisa. It Befits you, Luisa as Firstborn daughter of Our Divine Will, to Add the Third Seal of Our Divine Will upon All human Acts to the First and the Second, in order to Draw Kingdom of My Will to Come Upon earth. Therefore, *Go Around*, Luisa My daughter, over All the human Acts of creatures. Luisa, Penetrate even into the hearts; Luisa, Bring to Each heartbeat The Heartbeat of My Will, to Each thought the Kiss, the Knowledge of My Most Holy Divine Will. Luisa, Impress in Each Word The Omnipotent Fiat; Luisa, Invade Everything; Luisa, Overwhelm Everyone into My Omnipotent Fiat, that My Kingdom May Come Upon earth. Your Jesus shall Not Leave you, Luisa Alone in these *Rounds*, I, Jesus shall Assist you, Luisa and Guide you, Luisa in Everything!”

Volume 17 – 5.1.25 “When an Office is Unique, It Comes as a Consequence that *the one* Must Let Nothing Escape him; one Must have Everything under *one’s eyes*, so as to be able to Hold Out that Good that *the one* Possesses; *the one* Must be Like a True Sun that can Hold Out Light to All. So, It was for Me, Jesus and for My Celestial Mama.

Now, your Mission Luisa, of Making the Eternal Will Known is Braided with Mine and with that of My Dear Mother. And since your Mission Luisa, is to Serve for the Good of All, your Mission Luisa was Necessary to Centralize this Eternal Sun of My Volition in one creature, so that, as Unique Mission, this Sun might Let Its Rays Blaze from one creature Alone, so that All might Take the Good of This Sun’s Light. Therefore, for the Decorum and Honor of My Most Holy Divine Will, I, Jesus was to Pour into you Luisa Such Graces, Light, Love and Knowledge of My Most Holy Divine Will, as the Herald and Preparation that Befitted the Dwelling of The Sun of My Volition. Even More, You Must Know that, just as My Holy Humanity, because of Its Office of Redeemer, Conceived All souls, in the Same Way, because of your Office Luisa of Making My Most Holy Divine Will Known and Reigning, as you, Luisa Keep Doing your Acts in My Will for All, All creatures Remain Conceived in your will; and as you, Luisa Keep Repeating your Acts in My Will, you, Luisa Form So Many Sips of Life of Divine Will as to be able to Nourish All the creatures that, by Virtue of My Will, are as though Conceived in yours. Do you Not Feel how, in My Will, you, Luisa Embrace Everyone, From the first to the last creature that is to exist upon earth; and, For All, you, Luisa would Want to Satisfy, to Love, to Please this Supreme Will, Binding The Supreme Will to All, Removing All Obstacles that prevent The Supreme Will’s Dominion within creatures, Making The Supreme Will Known to All; and you, Luisa Expose yourself, even with Pains, to Satisfy this Supreme Will for All, that So Much Loves to Make The Supreme Will Known and to Reign in the midst of creatures? To you, Luisa Firstborn daughter of My Divine Volition, It Is Given to Make Known the Qualities, the Value,

the Good The Divine Will Contains, and The Divine Will's Eternal Sorrow of Living Unknown, Hidden, in the midst of the human generations; Even More, despised and offended by the evil, and placed by the Good at the level of the other Virtues, as if The Divine Will were a little lamp, like the other Virtues, and Not A Sun, that My Most Holy Divine Will Is!

The Mission of My Divine Will Is The Greatest that Can Exist; there is No Good that Does Not Descend from My Most Holy Divine Will; there is No Glory that Does Not Come From The Divine Will. Heaven and earth - Everything is Centered in The Divine Will. Therefore, *Be Attentive*, and Do Not want to Waste time; Everything I, Jesus have Told you, Luisa for this Mission of My Will was Necessary - Not for you, Luisa but for the Honor, the Glory, the Knowledge and the Sanctity of My Divine Will. And since My Divine Will is One, One was to be she/Luisa to whom I, Jesus was to Entrust Mission of My Will, and through whom I, Jesus was to Make the Mission of My Will's Rays Blaze, to Do Good to All.”

Fiat!

*they, them, etc. are the souls who Must Live in the Divine Will.
