

LUISA PICCARRETA, La Santa and LINKED TO Luisa – Part II

V17 – 5.30.25 “Knowledge *Opens* the Doors of the Good that is Known, and the More Knowledges I, Jesus have Manifested to you, Luisa about My Divine Will, the More different Doors of Goods, Doors of Light, Doors of Grace and Doors of Divine Sharings, I, Jesus have *Opened* for you, Luisa. These Doors are Open for you, Luisa; and as these Knowledges Reach into the midst of creatures, these Doors shall *Open* for them, because Knowledge Makes Love Arise for the Good that is Known. And the First Door I, Jesus shall *Open* shall be My Most Holy Divine Will, in order to Close the little door of their human wills. My Divine Will shall Make them Abhor, because before My Divine Will the human will is incapable of acting; with the Light of My Divine Will it sees how insignificant and Good at nothing their own human will is; therefore, as though consequently, they shall put their human will aside. Moreover, You Must Know that when I, Jesus Manifest to you, Luisa One Knowledge about My Divine Will, Only When you have Let All the Good of What I, Jesus have Manifested to you, Luisa Enter into your soul - then Do I, Jesus decide to Open for you Another *Door* of My Knowledge. If I, Jesus Did Not Do so, your knowledge would Only Be the News of that Good, but Not the Possession of your knowledge. I, Jesus Do Not Know How To Do this; whenever I, Jesus Speak, I, Jesus Want the Good that I, Jesus Manifest To Be Possessed. Therefore, *Be Attentive* in the Exercise of My Divine Will, that I, Jesus may Open for you, Luisa More *Doors* of My Knowledges, and you, Luisa may Enter More into the Divine Possessions.”

V17 – 6.25.25 “My daughter, it is My Usual Way, and the Order of My Eternal Wisdom, to Manifest My Greatest Works First to *one soul* Alone, to Centralize in *her* All the Good that My Work Contains, to Deal with *her* One on one, as if No One Else Existed. When I, Jesus have Done Everything, in Such a Way as to be able to Say that I, Jesus have Accomplished My Work Completely within *her*, So Much So, that Nothing Must be Lacking to her – then Do I, Jesus Let It Flow, as though from a Vast Sea, for the Good of the other creatures. So, I, Jesus Did with My Celestial Mama: First, I, Jesus Dealt with *Her*, as though One on One, for the Work of Redemption; No Other creature Knew Anything at All. *She* Disposed Herself to All sacrifices, to All the Necessary Preparations in order to Make Me Descend from Heaven to earth; I, Jesus Did Everything as if *She* were the Only Redeemed One. But after She Delivered Me to the Light, in Such a Way that All could See Me and Take the Goods of Redemption, I, Jesus Gave Myself to All, provided that they Wanted to Receive Me. The same shall happen with My Divine Will: Once I, Jesus have Completed Everything Within you, Luisa in Such a Way that My Divine Will shall Triumph of you, Luisa and you, Luisa of My Divine Will, then, like Water, shall My Divine Will Flow for the Good of All. But it is Necessary to Form the First soul, (in Luisa) in Order to have the Second ones.”

V18 – 2.21.26 “My daughter, Luisa, little Newborn of My Will, You Must Know that *the one* who is Born in My Will Can also Be a mother, by Giving Birth to Many Children for My Supreme Volition. In order to be mother, it is Necessary to have sufficient matter in one’s own interior, so as to be able to Form, with one’s own blood, with one’s own flesh and with continuous nourishment, the birth that *the one* Wants to Give to the Light. If there is No seed

and Not enough matter, it is useless to Hope to become a mother. Now, since you, Luisa have been Born in My Will, in you, Luisa there is the Seed of Fecundity, and there is also the Fully Sufficient Matter of All the Manifestations I, Jesus have Made to you, Luisa on My Most Holy Divine Will. It can be Said that Each Knowledge I, Jesus have Given you, Luisa can Give Birth to a Child for My Will. Your Continuous Acts Luisa in My Will are Abundant Nourishment in order to first Form these Children of Heaven within yourself, Luisa and then Deliver them as Triumph, Honor, Glory and Crown of My Will, and as Perennial Joy of the mother who Delivered them. See, then, what Each additional Manifestation Means - it is One More Birth that My Will Delivers, it is a Divine Life that Goes Out for the Good of creatures, it is to debilitate the strengths of the human will in order to Establish in it the Fortress of the Divine Will. How Attentive, then, you, Luisa Must be Not to disperse anything, even from the smallest Manifestations I, Jesus Make to you, Luisa because you would deprive Me of the Honor of having One More Child, that can Narrate to All One More Good about My Will in order to give My Divine Will to creatures, that *they* might Love My Divine Will More and Let *themselves* be Subdued by the Power of My Supreme Volition.”

V18 – 11.9.25 “My daughter, I, Jesus Want you, Luisa to Fuse yourself in My Will First, coming before The Supreme Majesty to Reorder All human wills in The Divine Will of their Creator, to Repair with My Own Will for All the Acts of the human wills of creatures opposed to Mine. The Divine Will came Out of Us in order to Divinize the creature, and shall Do what We Want. And when The Divine Will is rejected by them, to Do their own human will, it is the Most Direct Offense to The Creator – it is to deny All the Goods of Creation and to move away from His Likeness. And do you think it is trivial that, Fusing yourself in My Will, you place the Whole of this Will of Mine as though on your lap, Luisa that, though it is One, brings Its Divinizing Act to Each creature; and Reuniting All these Acts of My Will Together, you, Luisa bring them before the Supreme Majesty, to Requite Them with your human will Together with My Divine Will, with your Love Luisa, Redoing All the Acts opposite those of creatures, and you, Luisa Press this Same Divine Will of Mine to Surprise the creatures Once Again with More Repeated Acts, that they may Know My Divine Will, Receive My Divine Will within themselves as Prime Act, Love My Divine Will, and Fulfill this Holy Divine Will in Everything? The Adoration of My Wounds - more than one Does It for Me; but Giving Me Back the Rights of My Will, as the Prime Act that I, Jesus Did toward man – this, No One Does for Me. Therefore, it is your Duty, Luisa to do ^It, as you, Luisa have a Special Mission about My Divine Will. And if sleep catches you, Luisa while you are doing it, Our Celestial Father shall Look at you, Luisa with Love, in seeing you sleep in His Arms - seeing His little daughter, who, even while sleeping, holds on her little lap All the Acts of His Will, to Repair Them, Requite Them in Love, and Give to Each Act of Our Will the Honor, the Sovereignty, and the Right that Befits Our Divine Will. Therefore, First Fulfill your Duty, Luisa and then, if you can, you shall also Do The Adoration of My Wounds.”

V18 – 11.12.25 “My daughter, Be Attentive in Doing your Acts in My Divine Will. You Must Know that for *the one* who is Called to be the Head of a Mission, the More he Encloses of the Good pertaining to that Mission, the More Good he shall be able to Communicate to others. Those Goods shall be like Many Seeds that he shall Lend to others, so that whoever has the Fortune of Wanting to Acquire those Seeds, may become the Possessor of the Harvest of those Seeds. This happened in Adam who, being the First man, was Constituted the Head of All Generations; and, Adam being the Head, it was Necessary for Adam to Possess the Seeds in order to Give to others what is Necessary for the Development of human life.

(Her Seed Shall Crush the Serpent": A Commentary on Genesis 3:15) From Aaron Schuck

Genesis 3:15 is the story of Redemption. Spoken by God in the immediate aftermath of the **Fall**, this single verse is traditionally called the **Protoevangelium**—the “first gospel.” “I will put enmity between you and the woman, and between your seed and her seed; he shall bruise your head, and you shall bruise his heel.” (Genesis 3:15, RSVCE) This contains in seed form, the full arc of salvation history.

Judgment That Contains a Pattern -The setting is **Eden**, now desecrated. **Adam and Eve** have disobeyed. The **serpent** has deceived. But God, instead of wiping out the human race, initiates a new reality: enmity. It is a divinely ordained conflict—between the serpent and the woman, between their offspring. From this point forward, salvation history will be marked by this ongoing clash. Evil will not go unchallenged.

“Her Seed”: A Strange Turn of Phrase In **Hebrew** culture, lineage was reckoned through the male line. But here, the text points to the woman’s seed. The phrase is anomalous—and telling. This an allusion to the **Virgin Birth**. Jesus Christ is born not of man’s seed, but through the **Holy Spirit**, from a woman who “knew not man.” The victory over the serpent begins not in military conquest, but in the womb of a Virgin.

Mary as the New Eve - Mary is the **New Eve**. **St. Irenaeus** wrote, “The knot of Eve’s disobedience was loosed by the obedience of Mary.” Where Eve grasped and doubted, Mary consented and trusted. Mary’s Fiat at the Annunciation becomes the hinge of history. Through her, the “seed” enters the world. Through Mary, the heel is lifted to strike.

The Heel and the Head - The serpent will bruise the heel of the woman’s seed, but his head will be crushed in return. The **Cross** is where this takes place. Christ suffers. Satan appears to win. But in the **Resurrection**, the serpent’s skull is shattered. The blow is fatal.

The Woman and the Dragon - In **Revelation 12**, The woman “clothed with the sun,” who is pursued by the dragon. Eve, Mary, and the apocalyptic woman are part of the same arc. The Church understands Mary, as the one who shares intimately in Christ’s victory. Her “yes” is part of the Conquest. Her Motherhood is Militant in the Most Sacred Sense.

The Serpent Beneath Her Feet - Mary standing on the serpent, her **heel** pressing his head into the dust. This image captures the fulfillment of Genesis 3:15. It is theological. Mary’s strength lies not in domination, but in Total Fidelity to God. Her Obedience allows Grace to enter history. Her humility becomes the heel that crushes evil.

The Battle Endures - This is a theological map for us now. The enmity continues. The serpent still lashes out, seeking to deceive, destroy, and divide. But the Victory is already secured. The Church walks in the footsteps of the Woman. Every **Rosary** prayed, every act of **grace**, every Mass attended is part of that crushing. The head of the evil one is being pressed down still.

Regardless of the fact that these Seeds have been Expanded, Explained, Known More, according to the Goodwill of the following Generations, to the Capacity and the Application they have used over these Very Seeds; nevertheless, Adam had them All within himself, and it can be said that Everything comes from Adam. So, it can be said that, in being Created by God, Adam was Endowed (equipped by Divine Inheritance) with All Sciences. What others learn with so many efforts, Adam Possessed as Gift in a Surprising Way. So, Adam Possessed the

Knowledge of All the things of this earth; Adam had the Science of All plants, of All herbs and of the Virtue that Each of them contained; Adam had the Science of All species of animals and of how Adam should Use them; Adam had the Science of music, of singing, of writing, of medicine – in sum, of Everything. And if the Generations Possessed each one its Special Science, Adam Possessed them All. See, then, how it is Necessary for *the one* who Must be the Head to Enclose within himself (The Holy Father) All the Good that he Must share with others.

(...And in the First Place, I, Luisa Appeal to the Highest Hierarch, to the Roman Pontiff, to His Holiness, to the Representative of the Holy Church, and therefore the Representative of the Kingdom of the Divine Will. At The Pope's holy feet, Luisa, this little, tiny child Places this Kingdom, so that the Holy Father Dominate The Divine Will and Make The Divine Will Known, and with The Pope's Paternal and Authoritative Voice, Call his Priest sons to Live in this Kingdom so Holy.

May the Sun of the Supreme "Fiat" invest The Holy Father and Form the First Sun/Son of the Divine Volition Its Representative on earth; and Forming Its Primary Life in The Holy Father who is the Head of All, The Divine Will shall spread Its Interminable Rays in All the world; and Eclipsing All with Its Light, These Rays of The Divine Will shall Form (one Church,) one flock and one Shepherd!

The Second Appeal I, Luisa Make to All Priests. Prostrate at the feet of each Priest, I, Luisa Pray, I, Luisa implore the Priests to interest themselves in Knowing the Divine Will...)

The same with you, Luisa, My daughter. Since I, Jesus have Called you, Luisa as the Head of a Special Mission, More than a New Adam – and here it is Not about human sciences, but about the Science of sciences, that is My Will, Science All of Heaven – I, Jesus Want you, Luisa to Enclose within yourself All the Seeds that My Divine Will Contains. And the More Acts (and Rounds) you, Luisa Do in My Divine Will, and the More Knowledges you, Luisa Acquire, the More Rays of Light you, Luisa shall Place on The Sun of My Will, so that, with Greater Fullness of Light, My Divine Will shall be able to Diffuse More for the Good of the Generations; in Such a Way that, stirred by the Fullness of Light, *they* shall be able to Know with Greater Clarity the Good that My Divine Will Contains, What it Means to Live in My Divine Will, and The Great Good which *they* are Enriched.

It shall happen as with the sun that, because My Divine Will Possesses Such Great Fullness of Light, can Easily Take the whole earth as though in The Divine Will's Power, Warm the whole earth, Illuminate the whole earth and Fecundate the whole earth, in Such a Way that All humanity may Know, some more, some less, the Good My Divine Will Does by bringing My Divine Will's Light to All. But if the sun, in the height of its sphere, were poor in light, the light that descends down below could Not Fully illuminate All the earth. At the Most, some small portion of the earth that rotates closer to the sun. And if to the sun, that was to illuminate the earth naturally, I, Jesus Gave Such Fullness of Light for the Good of All generations, Much More Do I, Jesus Want to Fill with Fullness of Light the Sun of My Divine Will, that Must Illuminate souls, Warm them, and Cast into them the Fecundity of the Seed of Divine Sanctity. Just as I, Jesus Chose Adam as the Head, just as I, Jesus Chose a Point in the Heavens in which to fix the Center of the sun that was to illuminate the earth, so did I, Jesus Choose you, Luisa as the Center of the Sun of My Divine Will; and the Fullness of Light Must be So Great, that All may be able to Enjoy The Sun of My Divine Will and be Invested by this Light, and Each one may Make The Sun of My Divine Will his own. This is why Luisa, your Complete Acts in My Divine Will are Needed, as well as the Knowledge that I, Jesus Keep Manifesting to you, Luisa in order to Form the Fullness of this Light.

It is the usual Way of The Eternal Wisdom to Establish the Acts of the creature/Luisa in order to Give Completion to the Good that The Eternal Wisdom Wants to Do to her/Luisa. So, it

happened for the Coming of Redemption upon earth by The Eternal Word. It took the course of four thousand years; and during this time, All the Acts that creatures were to Do in order to Dispose themselves to Earn the Great Good of Redemption had been Established, as well as all the Graces and Knowledges that The Supreme Majesty was to give in order to Make Known that Same Good that The Descent of the Word would bring into their midst. And so, here come the Patriarchs, the Holy Fathers, the Prophets and All the Good of the Old Testament, who, with their Acts, were to Cover The Way, the Staircase, in order to reach the Fulfillment of The Longed-for Redemption.

But this is Not Enough. As Good and Holy as their Acts were, there was the so very high wall of original sin, that maintained the division between them and God. This is why The Virgin Mary was Needed, Conceived without original sin, Innocent, Holy, and Enriched by God with All Graces, The Virgin Mary, Who Made All the Good Acts of the course of four thousand years as though Her Own. The Blessed Virgin Mary Covered the Good Acts with Her Innocence, Sanctity and Purity, in Such a Way that The Divinity would See those acts through the Acts of this Innocent and Holy Creature, Who Not Only Embraced All the Acts of the ancients, but Surpassed them All with Her Own Acts; and this is why The Blessed Virgin Mary Obtained The Descent of The Word, Jesus upon earth. It happened to All The Good Acts of the ancients as to *the one* who has much gold and silver, but the image of the king, that Gives the Value of Money to that precious metal, is not impressed on it. So, even though it contains Value in itself, it cannot be Called Value of money, that can circulate in the kingdom with the Right of Currency. However, suppose that that gold or silver were Acquired by the king, and that, giving it the shape of coins, he impressed his image upon them: here is the Right of Currency Acquired by that gold. So, The Blessed Virgin Mary did: She Impressed Her Innocence, Her Sanctity, the Divine Will that The Blessed Virgin Mary Possessed as Whole, upon them; She presented them all together to the Divinity, and The Blessed Virgin Mary Obtained the Longed-for Redeemer. So, The Blessed Virgin Mary Completed All the Acts that were Needed in order to Make The Word Descend Upon earth.

But this was Not The End. So that the Redeemer might have His Field of Action upon earth, and whoever Wanted to, might use those Acts as Coins with which to Purchase Heaven for himself, the Imprint of Innocence, of Sanctity and of The Divine Will was Needed; and the Imprint of the Operating of The Word Himself was Needed in order to Make man Rise to Heaven. If that of The Blessed Virgin Mary was enough to Make Me, Jesus Descend into the midst of creatures, in order to Make man Rise, My Divine Operating was Needed. And so, this is why I, Jesus Embraced All those Acts and I, Jesus Made them My Own, I, Jesus Made Up for All, I, Jesus Accomplished Everything, and for All I, Jesus placed The Divine Imprint on All the Good Acts, from the first to the last man who is to come upon earth. And this Imprint was Made by Me, Jesus with Unheard-of pains, and with the Shedding of My Blood. And so, like Magnanimous King, I, Jesus Gave to All the Coins with which to Purchase Heaven for themselves. All this had been Established by The Uncreated Wisdom, and Not even One Act of All this could be missing in order for Redemption to Take Place!

Now, My daughter, just as it was with Redemption, so it shall be with My Most Holy Divine Will. In order to Make My Divine Will Known and to Make My Divine Will Reign as Prime Act of Life in the creature, the Fulfillment of the Acts is Needed. You too, Luisa on the

Example of My Celestial Mama and of Mine, Must Embrace in My Divine Will All the Acts Done in the Old Testament, those of the Queen of Heaven, those Done by Me, Jesus, those that are Done and shall be Done by All the Good and the Saints, up to the last day; and upon Each one of them you, Luisa shall place your Seal of Requit of Love, of Blessing, of Adoration, with the Sanctity and the Power of My Most Holy Divine Will. Nothing must escape you, Luisa. My Divine Will Embraces Everything; you too Luisa Must Embrace Everything and Everyone, and Place My Will Alone at the First Place of Honor upon All the Acts of creatures. My Will Alone the First Place of Honor shall be your Imprint Luisa, with which you Luisa shall Imprint the Image of My Divine Will on all the acts of creatures. Therefore, your Field Luisa is Vast; I, Jesus Want to See you Luisa in My Will, Flowing Over All the Graces and the Prodigies that I, Jesus Did in the Old Testament, to Give Me your Requit of Love and of Thanksgiving; and in the Acts of the Patriarchs and Prophets, to Make Up for their Love. There is Not one Act in which I, Jesus do not want to Find you, Luisa. I, Jesus would Not be satisfied Nor content if I, Jesus did Not Find you, Luisa in All the Acts of creatures that have been Done and shall be Done; Nor would you Luisa be able to Say that you have Completed Everything in My Will – you Luisa would lack something of the True Living in My Will. Therefore, Be Attentive, if you want the Fullness of Light to be enough as to be able to Illuminate All peoples with the Sun of My Will. *The one* who Wants to Give Light to All Must Embrace All as though in One Single Embrace, by making himself Life and Substitution of Everything and of Everyone. Is My Will perhaps not Life of Everything? And is this Life not requited with so many bitternesses? Is there not the Need, then, for *the one* who would Flow in Everyone in order to Sweeten these bitternesses, by Substituting, as Act of Life with My Own Will, for Each Act of the ungrateful creature?”

V19 – 5.18.26 “Now, My daughter, What I, Jesus Did and Wanted from My Celestial Mama in the Great Work of Redemption, I, Jesus Want to Do with you Luisa in the Great Work of the Supreme Fiat. The Work of the Divine Fiat is a Work that Must Embrace Everything - Creation, Redemption and Sanctification. It is the Basis of Everything, It is the Life that Flows in Everything and Encloses Everything Within Itself. Because It has No Beginning, It is the Beginning of All things, and the End and Fulfillment of Our Works. See, then: the Capital We Want to Entrust to you, Luisa is Exuberant - you have Not calculated it. But do you Know What It Is that We Entrust to you, Luisa in the Supreme Fiat? We Entrust to you, Luisa the Whole Creation, All the Capital of Redemption, and that of Sanctification. My Will is Universal, and in All things My Will has been the Operator. So, it is Right that What Belongs to My Will be Entrusted to you, Luisa. Would you perhaps Want My Will without Its Works? We Do Not Know how to Give Our Life without Our Works and Our Goods - when We Give, We Give Everything. And just as by Giving the Word, Jesus to the Celestial Queen, We Centralized All His Works and His Goods in Her, in the Same Way, by Giving you, Luisa Our Supreme Will, Reigning and Dominating in you, Luisa We Give you, Luisa All the Works that Belong to Our Supreme Will. This is why We are Giving you, Luisa So Many Graces, Knowledges and Capacities – so that from the Very Beginning the Supreme Fiat might suffer no failure. And you, Luisa placing Our Supreme Will in Safety, Must Give Our Supreme Will the Requit of Love and Glory of All Creation, Redemption and Sanctification. Your Task Luisa is Great – your Task

it is Universal, and Must Embrace Everyone and Everything, in Such a Way that if Our Will, Communicated to the other creatures, should suffer some failure, in you, Luisa We Must Find the Compensation for the void of others. And as you, Luisa place Our Will in Safety within yourself, and you, Luisa Give Us the Love, the Glory and All the Acts that the other creatures should Do For Us, Our Glory shall Always be Complete and Our Love shall Collect Its Just Interest. So, you too, Luisa shall be Our Trustworthy one, *the one* Responsible for the Divine Will Entrusted to you, Luisa and the Divine Will's Guarantor."

Now, while Jesus was saying this, I, Luisa was taken by such fright. I Comprehended All the Weight of my Responsibility, and fearing strongly that I, Luisa might put in danger nothing less than all the Weight and Works of a Divine Will, I said: 'My Love, Thank You, Jesus for So Much Goodness of Yours toward me, but I feel that what You, Jesus Want to Give me is Too Much. I, Luisa Feel an Infinite Weight that Crushes me, and my littleness and incapacity have neither Strength nor Ability. As I fear that I might displease You, Jesus and I might be unable to Embrace Everything – go to some other creature, More Capable, so that All this Capital of Your Supreme Will may be Safer, and You, Jesus may Receive All the Interest Equivalent to Such a Great Capital. I, Luisa had Never thought of Such a Great Responsibility, but now that You, Jesus are making me understand It, I, Luisa feel my Strengths fail me and I fear my weakness.' And Jesus, Claspng me to Himself to Relieve me from the fear that Crushed me, added: "My daughter, Courage, Do Not Fear. It is your Jesus that Wants to Give you Too Much. Am I perhaps not free to give Whatever I, Jesus Want? Do you perhaps Want to put a limit to My Complete Work, that I, Jesus Want to Entrust to you, Luisa? What would you say if My Celestial Mama had Wanted to accept Me, the Eternal Word, but without His Goods and without the Acts that were Needed to be able to Conceive Me? Would this be True Love and True Acceptance? Certainly not. So, would you, Luisa Want My Divine Will without Its Works and without the Acts that Benefit It?"

Now, so that you may remove this fright, You Must Know that Everything I, Jesus have Told you, Luisa – that is, this Capital So Great - Is Already In you, Luisa. After I, Jesus had you, Luisa Acquire the practice of Giving Me the Requital of the Glory and the Love of All Creation, Redemption and Sanctification, Making you, Luisa Embrace Everything and Everyone, and having seen that the Equivalent Interest was coming to Me easily – only then did I, Jesus Want to Make Known to you, Luisa with More Clarity, the Great Capital of My Divine Will Entrusted to you, Luisa so that you, Luisa may Know the Great Good you, Luisa Possess, and as you, Luisa come to Know My Divine Will, I, Jesus may Sign the Deed of the Capital Entrusted to you, Luisa and also make for you, Luisa the Receipt of the Interest you, Luisa give Me, Jesus. If you, Luisa did not Know My Divine Will, neither the Deed of the Capital, nor the Receipt of the Interest could be made. Here is, therefore, the Necessity to Make My Divine Will Known to you, Luisa. Besides, why do you fear to the point of wanting to send Me to another creature? Do you not have a Love within you that says, 'I Love You for Everyone and for Everything', and a motion that Repays Me for the motion of All, and that in Everything you, Luisa Do, Embraces Everyone, to Give Me the Acts, the Prayers, the Glory and the Reparations of All, as though in One Single Embrace? If you already Do this, why Do you fear?"

At that moment, I, Luisa saw other souls around me. Jesus went to them, and checking them All, He seemed to Touch them to See whether, at His Touch, the Motion of His Divine

Life would come out – but nothing came out. Then Jesus came back to me, and taking my hand, He squeezed it Tightly. At His Touch a Light came out of me, and Jesus, All Content, Told me: “This Light is the Motion of the Divine Life in you, Luisa. I, Jesus went to the other creatures, as you, Luisa saw, but I, Jesus did Not find My Motion. How, then, can I, Jesus Entrust the Great Capital of My Divine Will? This is why I, Jesus have Chosen you, Luisa and that’s Enough! Be Attentive and Do Not Fear!”

V19 – 5.23.26 “This, My daughter, can be Called your Time, Luisa. All are turned toward you, Luisa; I, Jesus hear the voice of All, as if it were one alone, Praying Me, Pressing Me, that My Divine Will may Reacquire Its Absolute Divine Rights over you, Luisa so that, Acquiring My Divine Will’s Total Dominion, My Divine Will may Pour into you, Luisa All the Fullness of Goods My Divine Will had Established to Give if the creature had Not withdrawn from My Divine Will. So, the Whole of Heaven, the Celestial Mama, the Angels and Saints – All are Turned Toward you, Luisa for the Triumph of My Will, because Their Glory in Heaven shall Not be Complete if My Will Does Not have Its Complete Triumph on earth. Everything was Created for the Total Fulfillment of the Supreme Will, and until Heaven and earth Return into this Circle of the Eternal Volition, they feel their works, their Glory and beatitude as though halved, because, Not having Found Its Complete Fulfillment in the Creation, the Divine Will can Not Give What It had Established to Give – that is, the Fullness of My Divine Will’s Goods, of My Divine Will’s Effects, Joys and Happinesses that My Divine Will Contains. This is why they are All Longing; My Will Itself is all for you, Luisa and Intent on you, Luisa; My Divine Will holds nothing back of Graces, of Light and Whatever it Takes to Form in you, Luisa the Greatest of Prodigies, that is My Divine Will’s Fulfillment and My Divine Will’s Total Triumph.”

V19 – 6.6.26 “Now, in order to form Redemption I Needed a Virgin Mother, Conceived without the shadow of original sin, because, having to take on human flesh, it was Decorous for Me, Eternal Word, Not to take an infected blood to Form My Most Holy Humanity. Now, in order to make My Divine Will Known, so that It might Reign, I, Jesus do not need to have a second mother according to the natural order, but rather, I, Jesus need a second mother according to the Order of Grace. In fact, in order for My Will to Reign, I have No need of another Humanity, but to Give Such Knowledge of My Will that, Drawn by My Will’s Prodigies, by My Will’s Beauty and Sanctity, and by the Immense Good that comes to them, creatures may submit with All Love to My Will’s Dominion. Therefore, in Choosing you, Luisa for the Mission of My Will, I, Jesus took you, Luisa from the common stock according to the natural order, but for the Decorum of My Will I, Jesus had to Raise you, Luisa So High according to the Order of Grace, that Not one infected shadow might remain in your soul, because of which My Will might feel reluctant to Reign in you, Luisa. Just as the Pure Blood of the Immaculate Virgin was Needed to Form My Holy Humanity, to be able to Redeem man, so was the Purity, the Candidness, the Sanctity, the Beauty of your soul Luisa Needed to Form in you, Luisa the Life of My Will. And just as by Forming My Holy Humanity in the Womb of My Mama, this Humanity gave Itself to All – it is understood, to those who Want It – as Means of Salvation, of Light, of Sanctity; in the Same Way, this Life of My Divine Will that has been

Formed in you, Luisa shall Give My Will to All, to Make Itself Known and to Acquire My Will's Dominion.

Had I, Jesus wanted to free you of original sin as I did with My Celestial Mama, so that My Will might take Life in you, No One would have given a thought to letting My Will Reign within himself. They would have said: 'One needs to be a second mother of Jesus and to have Her Privileges so that the Life of the Supreme Will might Reign in us.' On the other hand, by Knowing that you, Luisa are from their stock, conceived just like them, if they Want it, helped by their own Good will they too shall be able to Know the Supreme Will – What they Must Do to Let It Reign within them, the Good that comes to them, the terrestrial and Celestial Happiness Prepared in a Distinct Way for those who shall let My Will Reign. My Redemption was to serve to Plant the Tree of My Will that, Watered with My Blood, Cultivated and Hoed with My Sweats and Unheard-of pains, Fertilized with the Sacraments, First would make the Tree Develop, then would make the Flowers Bloom, and finally would make the Celestial Fruits of My Will Mature. And in order to make these Precious Fruits Mature, the course of My thirty-three years was Not Enough, nor were the creatures Prepared and Disposed to Receive a Food So Delicate, All of Heaven, that I was giving. Therefore I, Jesus Contented Myself with Planting the Tree, leaving All possible means to Make it Grow, Beautiful and Gigantic; and at the appropriate time, as the Fruits are about to Mature and so that they may be Picked, I, Jesus Chose you, Luisa in a Way All Special, to Make Known to you, Luisa the Good My Divine Will Contains, and How I, Jesus Want to Raise the creature Back to her Origin. Banishing her human will, the cause for which she Descended from her Happy State, she shall Eat of these Precious Fruits, that shall Give her Such Taste as to Remove from her All the infection of passions and of her own human will, and Give Back the Dominion to My Most Holy Divine Will. Embracing Everything as though in One Single Embrace, My Divine Will shall Unite Everything together: Creation, Redemption, and the Fulfillment of the Purpose for which All things were Created - that is, that My Divine Will be Known, Loved and Done on earth as It is in Heaven.”

And I: 'Jesus, my Love, the More You Tell me, the More I, Luisa Feel the Weight of my littleness, and I fear that I might be an obstacle to the Kingdom of Your Divine Will on earth. Oh! if You, Jesus and my Mama had Done this directly while being on earth, Your Divine Will would have had Its Full Effect.' And Jesus, interrupting my speaking, added: "My daughter, Our Task was Perfectly Accomplished – now you, Luisa Be Attentive on Accomplishing your own. This is your Task, Luisa; More So, since the Sovereign Queen and I, Jesus are Untouchable by Pains, We are in the State of Impassivity and of Complete Glory, and therefore pains can no longer have anything to Do with Us. You, Luisa on the contrary, have the pains as help to Impetrate the Supreme Fiat, New Knowledges, New Graces; and even though I AM in Heaven, I Jesus shall be Hidden in you, Luisa to Form the Kingdom for My Will. My Power is Always the Same; while being in Heaven I, Jesus Can Do What I would have Done while being visible on earth. When I, Jesus Want it, and the creature lends herself, Giving All of herself Prey to My Will, I Jesus Invest her and Make her Do What I Myself should Do. Therefore, Be Attentive, and mind your own Task.”

V19 – 7.11.26 “Now, My daughter, just as it was Necessary to Make Known to creatures Who He, Jesus and She, Mary were, and How Much it Cost Them to Form the Kingdom of Redemption, so it is Necessary to Make Known she, Luisa whom My Paternal Goodness has Chosen, First, to Form the Kingdom of the Supreme Fiat within her/Luisa, and then, to Give Rise to Kingdom of the Supreme Fiat’s Transmission to others. Just as it was for Redemption, that was Formed between Me and My Celestial Mama First, and then became Known to creatures, so it shall be for the Supreme Fiat. Therefore, it is Necessary to Make Known How Much this Kingdom of My Will Costs Me; that I, Jesus had to sacrifice Luisa, the littlest of All creatures - so that man might Enter Once Again into the Kingdom Adam had lost - keeping her/Luisa nailed to a bed for forty years and more, without air, without the Fullness of the Light of the sun that Everyone Enjoys; how her/Luisa’s little heart has been the Refuge of My Pains and of those of creatures; how she/Luisa has Loved All, Prayed for All, Defended All; How Many times she has Exposed herself to the Blows of Divine Justice to Defend All of her brothers; and then, her Intimate Pains, and the very Privations of Me that Martyred her little heart, Giving her Continuous death. In fact, since she/Luisa has Known No other Life but Mine, No other Will but My Divine Will, All of these Pains Laid the Foundations of the Kingdom of My Will, and, like Solar Rays, Matured the Fruits of the Supreme Fiat. So, it is Necessary to Make Known How Much this Kingdom Cost you, Luisa and Me, Jesus so that, from Its Cost, they may Know How Much I, Jesus Yearn for them to Acquire the Kingdom of My Divine Will; and from Its Cost they may Appreciate My Will, Love My Will and Aspire to Enter, to Live in the Kingdom of My Supreme Will.”

V19 – 8.22.26 “My daughter, *the one* who is Called to be the Head of a Mission Must Not Only Embrace All the members, but Rule them, Dominate them and Constitute himself Life of Each of them; while the members Do Not Give Life to the Head, Nor do All that it Does, but rather, Each one Does its Own Office. So, *the one* who is Called to be the Head of a Mission, Embracing All that is Needed in order to be able to Carry Out the Task Entrusted to him, Suffering More than Anyone and Loving Everyone, Prepares the Food, the Life, the Lessons, the Offices, according to the Capacity of those who Want to Follow him. That which is Necessary for you, Luisa who Must Form the Tree with All the Fullness of Its Branches and the Multiplicity of Its Fruits, shall Not be Necessary for one who Must Only be Branch or Fruit. Their Task shall be to Remain Incorporated in the Tree, in order to Receive the Vital Humors It Contains – that is, to Let themselves be Dominated by My Divine Will, Never Giving life to their Human volition in Anything, either internal or external, to Know My Divine Will, and to Receive My Divine Will as their own Life, so as to Let My Divine Will Carry Out Its Divine Life; in sum, to Let My Divine Will Reign and Dominate as Queen.

So, My daughter, *the one* who Must be the Head Needs to Suffer, to Work, and to Do, himself Alone, Everything that All others together shall do. This is What I, Jesus Did; because I was the Head of Redemption, I can say that I, Jesus Did Everything for Love of All, to Give them Life and to place them All in Safety. The Immaculate Virgin also; because She was Mother and Queen of All – How Much did Our Lady Not suffer? How Much did Our Lady Not Love and Work for All creatures? No one can claim having Reached Us, either in Suffering or in Loving. At the Most, they may Resemble Us in part; but reaching Us – No One. However, by

having been at the Head of All, both the Sovereign Queen and I, Jesus Enclosed All Graces and All Goods; Strength was in Our Power, Dominion was Ours, Heaven and earth Obeyed Our Every Wish and Trembled before Our Power and Sanctity. The Redeemed ones have Taken Our crumbs and have Eaten Our Fruits; they have been Healed with Our Remedies, they have been Strengthened with Our Examples, they have Learned Our Lessons, they have Risen Again at the Cost of Our Lives; and if they have been Glorified, it has been by Virtue of Our Glory. But the Power is Always Ours, the Living Fount of All Goods Springs Always from Us; So Much So, that if the Redeemed ones move away from Us, they lose All Goods and return to be ill and poor, more than before. This is What it Means to be Head; it is True that *the one* suffers Greatly, works much, and Must Prepare the Good for All, but All that *the one* Possesses Surpasses Everything and Everyone. There is such distance between *the one* who is Head of a Mission and one who Must be a member, that the Head can be compared to the sun and the member to a little light. This is why I, Jesus have Told you Luisa many times that your Mission Luisa is Great – because this is Not about mere personal Sanctity, but about Embracing Everything and Everyone, and Preparing the Kingdom of My Divine Will for the human generations.”

After this, I, Luisa was following the Acts in the Supreme Volition, that Converted All into Light and Formed a Horizon of Radiant Light that Formed Clouds of Quicksilver (unpredictable, changeable); and wherever this Light Penetrated, Everything Converted into Light. It had the Power, the Strength to Empty Everything, Filling Everything with Its Most Refulgent Light. And Jesus added: “My daughter, there is nothing More Penetrating than Light. It Diffuses Everywhere with Enchanting Rapidity, bringing Its Beneficial Effects to All those who let themselves be Invested by It. The Light refuses to Do Its Good to no one, be they people, earth, water, plant or other things; its nature is to Illuminate and to do Good, and therefore it leaves no one behind – to All Light brings its Kiss of Light and Gives the Good It contains. My Divine Will is More than Light; My Divine Will Diffuses Everywhere and brings the Good It Contains; and the Acts Done in My Divine Will Form the Atmosphere of Gold and Silver that has the Virtue of Emptying All the darkness of the night of the human will, and with My Divine Will’s Beneficial Light, My Divine Will brings the Kiss of the Eternal Volition, to Dispose the creatures to Wanting to Come Into the Kingdom of the Supreme Fiat. Each Act of yours, Luisa Done in My Divine Will is a New Horizon that you Luisa make Arise for the eye of the human intellect, to Make the intellect Long for the Light of the Good that My Divine Will Possesses. My daughter, in order to Prepare this Kingdom it Takes Work, it Takes Celestial Laws, that are Laws All of Love. The laws of fears, of penalties, of condemnation Do Not Enter Into My Divine Will, because the Laws of Love of My Will shall be Friendly, Filial, of Reciprocal Love between Creator and creature. Therefore, fears and condemnations shall have Neither Force Nor life; and if there shall be some suffering, it shall be Full of Triumph and of Glory. Therefore, Be Attentive, because this is about Making Known a Celestial Kingdom – about Manifesting the Celestial Kingdom’s Secrets, Its Prerogatives, Its Goods, to Draw souls to Love the Celestial Kingdom, Long for the Celestial Kingdom, and to take Possession of the Celestial Kingdom.”

V20 – 10.12.26 “Firstborn daughter of My Will, why are you so oppressed? If you think of your Great Fortune, your oppression, shall depart from you. Do you Know What Firstborn daughter of My Will Means? It Means First daughter in the Love of Our Celestial Father, and First among All to be Loved. It Means First daughter of Grace, of Light, First daughter of Glory, First daughter Possessor of the Riches of her Divine Father, First daughter of Creation. As Firstborn daughter of the Supreme Will, she/Luisa contains All the Bonds, All the Relations, All the Rights that befit a Firstborn daughter – Bonds of daughtership, Relations of Communication to All the Dispositions of her Celestial Father, Rights of Possession of All The Heavenly Father’s Goods.

But All this is Not All. Do you Know what First daughter Delivered by My Will Means? It means not only to be First in the Love and First in All the things of her Creator, but to Enclose within herself All the Love and All the Goods of the other children. So, if the others shall Possess each one his own part, Luisa as the Firstborn, shall Possess, All Together, the Goods of the others. And this, by Right and with Justice, because, as Firstborn, to Luisa did My Divine Will Entrust Everything - Gave Everything, therefore in her/Luisa is the Origin of All things, the Cause for which Creation was Created, the Purpose for which the Divine Action and Love Entered the Field. Luisa who was to be the Firstborn daughter of Our Divine Will was the Primary Cause of All the Works of a God; therefore, as a Consequence, from her/Luisa derive All Goods - from her/Luisa Do they Come, to her/Luisa Do they Return. See, then, How Fortunate you are Luisa; you can Not Fully Comprehend What it Means to have Primacy in Love and Primacy in All the things of your Creator.”

V20 – 10.26.26 I was beginning Praying my Rounds in the Divine Will, and going into the terrestrial Eden, in which Adam had Done the first act of withdrawal of his human will From the Divine Will, I said to my Sweet Jesus: ‘My Love, I, Luisa want to annihilate my human will in Your Divine Will, that my human will may never have life, so that Your Divine Will may have Life in Everything and Forever, in order to Repair for the first act that Adam did, and Return to Your Supreme Volition All the Glory as if Adam had Never withdrawn from Your Divine Will. Oh! how I, Luisa wish to Give Back to Adam the Honor he lost because Adam did his own human will and rejected Your Divine Will. And I, Luisa intend to Do this Act for as many times as All creatures have done their own human wills - the cause of All evils, and have Rejected Your Divine Will - the Origin and Fount of All Goods. Therefore, I pray You, Jesus, that the Kingdom of the Supreme Fiat may Come Soon, so that Everyone, from Adam up to All the creatures who have done their own human will, may Receive the Honor and the Glory that they lost, and Your Divine Will may Receive Triumph, Glory and Its Fulfillment.’

Now, while I, Luisa was saying this, my Highest Good, Jesus, was Moved and Touched, and making my first father Adam present to me, let Adam himself tell me, with Emphasis of Love, all Special: “Blessed daughter, Luisa finally my Lord God, after So Many Centuries, has Delivered to the Light of the day *the one* who was to think about Giving me, Adam Back the Honor and the Glory that I lost, alas, by doing my human will. How I, Adam Feel my Happiness Redoubled. Until now, No One has ever thought of Giving me, Adam Back that Honor that I lost. Therefore, I Thank God Profoundly for having Delivered you, Luisa to the Light, and I Thank you, Luisa the daughter Dearest to me, for Taking on the Commitment of Giving Back to

God the Glory as if His Divine Will had Never been offended by me, Adam and to me the Great Honor that the Kingdom of the Supreme Fiat be Established Once Again in the midst of the human generations. It is Right that I, Adam Give you, Luisa the Place that had been Destined to me, Adam as the first creature that came out of the Hands of Our Creator.”

After this, my Lovable Jesus, Clasp me to Himself, Told me: “My daughter, Not Only Adam, but the Whole of Heaven Awaits your Acts Luisa in My Will, in order to Receive the Honor that their human will has taken away from them. You Must Know that I have placed More Grace in you Luisa than I placed in Adam, so that My Will might Possess you, Luisa and Dominate you, Luisa with Triumph, and your human will might Feel Honored Never to have Life, and to Give the Place to My Will. In Adam I, Jesus did Not place My Holy Humanity as Adam’s Help and Strength, and as Cortege of My Will, because I, did not have My Holy Humanity then. But I have placed My Holy Humanity in you, Luisa to provide you, Luisa with All the Necessary Helps so that your human will might remain at its place, and My Divine Will might Reign and, together with you, Luisa might follow your Rounds in My Eternal Volition in order to Establish Its Kingdom.”

V20 – 11.27.26 “My daughter, when one has a Special Mission, this person is called mother, or father. Whoever Originates from this Fulfilled Mission can be Called daughter of this mother. True mother means to carry the birth from oneself within one’s womb, to Form it with one’s own blood, to bear pains, sacrifices, and if needed, to expose one’s own life in order to Give life to the Birth from one’s womb. And when this birth has Matured in one’s womb and has come out to the light, then, with Justice, by Right and with Reason, this birth is Called son, and she who generated him, is Called mother. Therefore, in order to be mother, it is necessary to first Form All the members in one’s own interior - to generate them in one’s own blood, and the acts of these children Must be generated from the very heart of their mother.

Now, My daughter, in order to be daughter of My Will, you, Luisa have been Generated in My Will; in My Will you, Luisa have been Formed, and, in Forming you, Luisa the Light, the Love of My Will, More than blood, has Grafted in you Luisa My Divine Will’s Ways, My Divine Will’s Attitude, My Divine Will’s Operating, making you Luisa Embrace Everyone and Everything. This is So True that, you Luisa being a Birth from My Divine Will, It Calls you Luisa, now ‘Newborn of My Will’, now My Divine Will’s ‘little daughter’. Now, Only One who has been Generated by My Divine Will can Generate the Children of My Will; therefore, you, Luisa shall be the Mother of the Generation of My Divine Will’s Children.”

And I: ‘My Jesus, what are You Saying? I, Luisa am Not Good at being daughter – how can I be mother?’

And Jesus: “Yet, from you, Luisa Must Come the Generation of these Children. What mother has Suffered So Much? Who has been confined in a bed for forty years and more, for the Love of Forming a Birth from herself, and of Giving Birth to the Generation of her Children? No One. What mother, as Good as she might be, has Sacrificed her whole entire existence to the point of Enclosing within herself the thoughts, the heartbeats, the works, so that Everything might be Reordered in the birth that she carried, wanting to Give Life to it - Not Once, but as many times for as many acts as her child does? No One. Do you yourself not Feel within yourself the Generations of these Children, by following their thoughts, words, works,

steps, to Reorder them All in My Divine Will? Do you not Feel yourself Wanting to Give Life to Each one, as long as they Know My Divine Will and be Regenerated in My Divine Will? Everything that you, Luisa Do in your interior, and that you, Luisa suffer, is nothing other than the Formation and the Maturation of this Birth, All of Heaven. This is why I, Jesus have Told you Luisa many times: your Mission Luisa is Great, there is No One who can Equal your Mission Luisa, and Highest Attention is Needed.”

Then, I, Luisa was feeling oppressed because it had been written to me that Reverend Father Di Francia was having the Memories of my childhood Printed, as well as Everything that follows; and in my sorrow I was saying to my Beloved Jesus: ‘My Love, look a bit at what they are doing to me - from Making Known What You Jesus have told me about the Virtues and about Your Adorable Will, they are now putting what regards myself. At the Most, they should be doing this after my death – not now. Only for me there was this confusion and this highest sorrow; for the others - no. Ah! Jesus, Give me the Strength to do Your Holy Will also in this.’ And Jesus, Clasping me in His Arms to Give me Strength, all Goodness, Told me: “My daughter, Do Not afflict yourself So Much. You Must Know that the other sanctities are small lights that are formed in the soul, and these lights are subject to Growing, to decreasing, and even to becoming extinguished; therefore, it is Not right to put it in print while one is still living in time, before the light is no longer subject to becoming extinguished by passing on to the next life. What impression would one make, if it became Known that this light no longer exists? On the other hand, the Sanctity of Living in My Will is Not Light, but Sun; therefore, it is Not subject either to becoming poor in Light, or to becoming extinguished. Who can ever touch the sun? Who can take a single drop of light away from it? No One. Who can extinguish one atom of its heat? Who can make it Descend even by one thousandth below its place, from the Height at which it Reigns and Dominates the whole earth? No One. If there were not the Sun of My Supreme Fiat, I, Jesus would Not have allowed them to be printed. But, rather, I, Jesus hasten, because the Good that a Sun can Do can Not be done by a light. In fact, the Good of a light is too limited, and neither is it a Great Good if it is displayed, Nor a Great harm if it is Not permitted to rise. On the other hand, the Good of the sun Embraces Everything, it Does Good to All, and not letting it rise as early as possible is a Great harm; and it is a Great Good to let it rise even one day earlier. Who can tell of the Good that a sunny day can produce? Much More so with the Sun of My Eternal Will. So, the Greater the delay, the More Sunny Days are taken away from creatures, and the More Days are taken away from the Sun, constraining Its Rays within Our Celestial Fatherland.”

But in spite of all the saying of Jesus, my oppression continued and my poor mind was made gloomy by the thought that my poor insignificant existence - that deserved to be buried without anyone noticing that I had been on earth - was to be placed under the eyes and in the hands of who knows how many. My God, my God – what Sorrow. But while I was thinking of this, my Lovable Jesus made Himself Seen in my interior, lying flat, as if His Holy Humanity were Acting as Foundation in my poor and little soul. And resuming His Speaking, He said to me: “My daughter, Do Not become Distracted. Don’t you See that the Foundation of the Kingdom of the Eternal Fiat in you Luisa is Formed by My Steps, by My Works, by My Heart Palpitating with Love, for the Honor of My Will, by My Ardent Sighs, and by the Burning Tears of My Eyes? All of My Life Lies within you Luisa to Form the Foundation; therefore it is Not

befitting that your little work over this Foundation So Solid and So Holy, be Done with distraction, or that your Rounds in the Supreme Volition be Done as shaded. No, no, My daughter, I, Jesus Do Not Want this in you Luisa. Do Not Fear, you Luisa shall remain Buried in the Sun of My Will. Who, More than My Will, shall be able to Eclipse you, Luisa in Such a Way that No One may Notice you? The Sun of the Supreme Fiat shall have Great Care, so that, as the little lamp of your soul, Luisa is surrounded by My Will's Rays, the Sun may Appear in your soul, while keeping the lamp Hidden within Itself. Therefore, remain at Peace, if you Luisa Want to Make your Jesus Content; Abandon Everything in Me Jesus, and I, Jesus shall Take Care of Everything.”

V21 – 3.16.27 “Now, so that these Re-Tyings that My Humanity Formed between the Kingdom of My Will and creatures might have Validity, Life and Recognition, it was Necessary that I, Jesus Choose one creature, Luisa (born in original sin) who, being Entrusted with the Special Office of Making Known this Kingdom of My Will, would Bind to herself All these Re-Tyings that My Will had Formed with My Holy Humanity, Receiving the Power to Transmit these Re-Tyings of My Kingdom to the other creatures. This is why I remain in the depth of your soul, Maintaining the Life of My Supreme Fiat – to Bind these Re-Tyings and to Lay Its Kingdom in Them; and I, Jesus Speak to you, Luisa So Much about It, as I, Jesus have Not Done with anyone else until Now. Therefore, Be Attentive, because this is about The Greatest Thing: to Restore the Order of Creation between the Creator and the creature.

Not only this, but it was Necessary that I first Choose *the one* creature who would Live in the Divine Fiat, in order to Receive from her Universal Acts, because My Will is Universal - It is Present Everywhere, there is No creature that Does Not Receive Its Life. By withdrawing from My Will, Adam/man Rejected a Universal Good; Adam Took Away From God the Universal Glory, Adoration and Love. Now, in order to Give Back this Kingdom, these Universal Goods, first He/God Wants, by Right, Luisa, a creature to whom, as she/Luisa Lives in this Fiat, He/God may Communicate this Universal Act; and as she/Luisa Loves, Adores, Glorifies, Prays, she may Constitute herself, Together with His Very Divine Will, Universal Love for All, Adoration and Glory for Each creature; and Diffusing her Prayer as if Each one were Praying, she/Luisa Prays in a Universal Way that the Kingdom of the Divine Fiat may Come into the midst of creatures. When a Good is Universal, Universal Acts are Needed in order to Obtain It, and Only in My Divine Will are there these Acts. As you, Luisa Love in My Divine Will, your Love Luisa Extends wherever My Will is; and My Will Feels your Love Luisa in Every Place, My Divine Will Feels Itself Followed Everywhere, therefore My Divine Will Feels in you Luisa the Original Love, just as My Will had Established for the creature to Love My Divine Will in the Beginning of Creation. My Divine Will Feels Its Own Echo in your Love Luisa, that Does Not Know how to Love with little and finite Love, but with Infinite and Universal Love; My Divine Will Feels the first Love of Adam before he sinned, when Adam did nothing but Repeat the Echo of the Will of His Creator; and My Divine Will Feels as though drawn by these Universal Acts that Follow My Divine Will Everywhere, to Come to Reign Again in the midst of creatures.

This is why I, Jesus have Chosen you, Luisa My daughter - and from their same Stock: not only to Manifest to you, Luisa the Knowledges, the Goods, the Prodigies of this Fiat, but so

that, by Living in My Divine Will, with your Universal Acts Luisa, you might Incline My Will to Come to Reign Again in the midst of creatures, as in the Beginning of Creation. Therefore, to you Luisa it is Given to Unite Everyone, to Embrace Everyone – so that, Finding Everyone and Everything in you, Luisa just as Everything is Found in My Will, you Luisa may place Harmony among them, they may Exchange the Kiss of Peace, and My Kingdom shall be Restored in the midst of creatures. Here, then, the Necessity of the Knowledges, of the Wonders of My Divine Fiat: to Dispose the creatures, to Attract them to Desire, to Want - to Long for this Kingdom and the Goods that are in My Divine Will; as well as the Necessity that I first Choose one creature, Luisa who, by Living in My Will, with her Universal Acts that My Will Itself Administers to her/Luisa, that are Divine Acts, may Impetrate the Kingdom of My Fiat for creatures.”

V21 – 3.19.27 “My daughter, *the one*(St.diFrancia) who has been Given a Mission, and has only just started it, or has Not Completed the carrying out of his Mission, and in the middle of it I, Jesus take him to Heaven with Me, shall Continue his Mission from up there, because he shall Carry in the depth of his soul the Deposit of the Good, of the Knowledges, that he has Acquired in life. And, in Heaven, he shall Comprehend Them with More Clarity; and in Comprehending the Great Good of these Knowledges about the Supreme Fiat, he shall Pray, and shall Make All Heaven Pray, that This Mission be Known Upon earth; and shall Impetrate More Clear Light for those who shall have to Occupy themselves with Them. More So, since Each Knowledge about My Will shall bring him One More Glory, a Greater Happiness; and as These Truths become Known upon earth, his Glory and Happiness shall be Redoubled, because this shall be the Fulfillment of his Mission, the carrying out of which he had in his free will; and it is Right that he Receive the Fruit of his Mission, as it is Carried Out on earth. This is why I, Jesus would Tell him to Hurry, and I, Jesus urged him So Much not to lose time – because I, Jesus Wanted him Not only to start, but to Advance a Great deal in the Publication of the Knowledges about the Eternal Fiat, so that he would Not Do Everything from Heaven. On the other hand, *the one* who has completed his Mission on earth can say: ‘My Mission is finished!’ But one who has Not Completed his Mission Must Continue his Mission from Heaven.

As for you, Luisa then, your Mission is Extremely Long, Nor shall you, Luisa be able to Complete your Mission on earth. Until All the Knowledges are Known and the Kingdom of the Divine Will is Established upon earth, your Mission Luisa can Never be Called Finished. In Heaven you shall have Much To Do; My Divine Will, that has Kept you Occupied on earth for Its Kingdom, shall Not let you, Luisa be without Working Together with My Divine Will in Heaven - My Divine Will shall keep you Always in My Divine Will’s Company. So, you Luisa shall Do Nothing but Descend and Ascend from Heaven to earth, in order to Help and to Establish My Kingdom with Decorum, Honor and Glory. And this shall be for you, Luisa of Great Delight, Happiness and Highest Glory – to see your littleness Luisa that, United with My Will, has Transported Heaven onto earth, and the earth into Heaven. Greater Contentment you, Luisa could not Receive. More So, since you Luisa shall See the Glory of your Creator Completed on the part of creatures, the Order Re-Established, the Whole Creation with Its Full Splendor, and man, Our Dear Jewel, in his Place of Honor. What shall be Our Highest Contentment, Highest Glory and Happiness without End - as well as yours Luisa - in Seeing the

Purpose of Creation Fulfilled? To you, Luisa then, We (Triune God) shall Give the Name of Redemptrix of Our Will, Constituting you, Luisa Mother of All the Children of Our Fiat. Aren't you Happy?"

V22 – 6.20.27 “My daughter, the earth, Created by God as Fertile and Beautiful, with a Most Refulgent Sun that Illuminated it and Delighted it, became full of thorns and All stony because of sin; the human will put to flight the Sun of My Will, and thick darkness covered it. And I, Jesus keep you Luisa alive because you, Luisa Must Remove All the stones from the earth and Render it Fertile Again. Each Act of the human will has been a stone that covered the Beautiful earth Created by Me; each venial sin has been a thorn, each grave sin has been a poison, and each Good done outside of My Will has been like sand scattered over the land that, invading it completely, prevented the vegetation of even the smallest plant or some blade of grass that might sprout from underneath the stones. Now, My daughter, Each Act of yours, Luisa Done in My Will Must remove one stone – and How Many Acts it takes to Remove them All! And by Never giving life to your human will, you, Luisa shall Call Back the Rays of the Sun of the Supreme Fiat to Shine over these tenebrous (shut off from the Light[^]) lands, and these Rays shall Call the Mighty Wind of Grace that, with Empire, shall stir All that sand – that is, All that Good Done Neither to Do My Will, Nor in My Will, Nor out of Love for Me, but Good Done to earn human esteem, glory and interest. Oh! How Heavy this apparent Good is – More than sand that prevents the vegetation of souls and renders them so sterile as to arouse pity. Then, the Sun of My Will, with Its Fecundity, shall Change the thorns into Flowers and Fruits, and the Wind of My Grace shall be the Counterpoison and shall Pour Life into souls.

So, you Must be Convinced that I, Jesus Keep you, Luisa still alive in order to Reorder the Work of Creation, and just as one human will, by placing itself outside of My Divine Will, puts Everything in disorder to the point of changing the face of the earth, in the Same Way, another human will that Enters into My Divine Will, and with Repeated and Incessant Acts, Must Reorder Everything and Return to Me the Sweet Enchantment, the Harmony, the Beauty of the First times of Creation. Don't you, Luisa Feel within yourself how large your Field is? And as though Going Back to the terrestrial Eden, in which My Divine Will Celebrated with the First Acts of Adam and they Enjoyed Together the Fertile and Beautiful Land My Divine Will had Given Adam, I, Jesus Call you, Luisa to Bind those First Acts and to Make you Luisa Follow All the lands invaded by the human will, so that, Embracing All Times Together, you may Help to Remove the stones, the thorns, the sand, with which the human will has Reduced [those lands to such a state] as to arouse pity.”

“...As the soul Enters into My Will, she/Luisa Enters into the midst of Our Acts and Continues to Love with Our Love and to Adore with Our Adoration; and she/Luisa remains Bound to Our Reciprocal Love, to Our Divine Will, that has the Virtue of being Unceasing in Its Acts, and Everything that others may Do, is nothing other than the Continuation of the Act Done in My Divine Will. The Acts Done in My Divine Will have Perennial and Continual Life. Therefore, your Love Luisa in the Last Times shall be in nothing dissimilar to that of Today; and if others Love, they shall Love in and with your Love Luisa, because it shall be First Act, having Its Origin in God. Therefore, from the Celestial Fatherland you, Luisa shall Love in Time and in Eternity; My Divine Will shall Keep your Love Jealously just as My Divine Will

Keeps Its Own, and wherever My Divine Will Extends and has Its Life, My Divine Will shall make you, Luisa Love and Adore Everywhere. For *the one* who Lives in My Most Holy Divine Will, All of her Acts have All the Divine Acts, Our Very Way of Operating, as their Beginning and End. So, the soul does nothing but Follow What God Does. The Blessed Mother, the Sovereign Queen, Who Lived Perfect Life in the Royal Palace of Our Divine Will, had No other Love, No other Adoration but Our Own. All of Our Lady's Acts can be Seen as So Fused in Ours, that what in Our Acts is Nature, in Her is Grace; and since Her Acts did Not have their Origin in Her human will, but in Our Divine Will, by Right She has Primacy Over All the Acts of creatures. Therefore, if you, Luisa Love, the Celestial Queen has Primacy Over your Love Luisa, and you, Luisa Follow Our Lady's Love just as you, Luisa Follow Our Love, and The Great Lady and We, Triune God, Continue to Love in your Love Luisa; and so, with Anything that you, Luisa may Do in Our Divine Will. So, when you, Luisa Come to the Celestial Fatherland, your Love, Luisa shall Not Depart from the earth, but shall Continue to Love in Each creature. Therefore, even from Now, My Divine Fiat makes you, Luisa Extend your Love to the past, to the present and to the future, to Give you, Luisa the Right that your Love Luisa may Extend Everywhere and to All Times, and it may Never cease to Love. Here is the Great Difference between *the one* who Lives in My Most Holy Divine Will and one who lives outside of My Most Holy Divine Will."

Fiat!
